MARRS—In this city, on Tuesday, to Mr. H. J. Marrs and wife—a daughter.

## TURKEY THIEF.

A man by the name of John Wilbur, who has been living near Jetts Station, went to the residence of Mr. L. C. Stafford, on Friday night, and caught a big turkey, killed it and took it home. In the excitement he forgot that the snow was on the ground. Saturday morning Mr. Stafford and Mr. Hugh Cromwell tracked him to his home and arrested him. He acknowledged his guilt, but claimed to be sick and asked the gentlemen not to make him come out in the bad weather. But these gentlemen brought him to town and lodged him in jail.

The good people of the neighborhood have been missing fowls for some time, and think that they have the right party now. The offense is punishable by confinement in the prison.

The turkey weighed about 85 pounds.

Later—Wilbur was held over to the April grand jury.

## ADOPTS CONFERENCE REPORT AND ADJOURNS.

After a stiff fight of two weeks over the tax on rectifiers, the Legislature adopted the report of the conference committee, assessing a gallon tax of one and one-fourth cents upon each wine gallon produced, on Monday, and adjourned sine die at 6 o'clock that afternoon.

Now we will see whether these gentlemen (who made such loud protest against assessment of that tax, declaring that it would ruin their business, and threatening to leave the State, if it was imposed) will carry out their threat. The sum fixed is so little less than that contended for by the straight whisky men that surely it will enable them to pay it and still do business, that is, if their assertions were true—which they were not.

## ACCIDENTALLY HURT.

While at work at the American Creosote Works, New Orleans, La., Mr. E. Church Tinsley was so unfortunate as to be struck by a cable (which broke as he was passing) in the stomach, knocking him senseless and bruising and lacerating his body and arms.

Surgical attention was at once rendered and Mr. Tinsley was doing as well as could be expected.

## NEW TRAINS ON SOUTHERN RAILWAY.

Effective Sunday, February 25th, the Southern Railway will place in service two additional trains in each direction between Danville and Lawrenceburg. These trains will leave Danville at 7:05 a. m. and 2:30 p. m., connecting at Lawrenceburg with trains arriving Louisville at 10:40 a. m. and 6:15 p. m., respectively. In the return direction, trains will arrive at Danville at 1:10 a. m. and 7:10 p. m., connecting at Lawrenceburg with trains leaving Louisville at 6:10 a. m. and 3:30 p. m., respectively.

The inauguration of these trains will enable the people of Danville, Harrodsburg and other stations on the Danville Branch to leave their homes at a convenient hour in the morning and arriving at Louisville at 10:40 a. m. and they can then do their shopping and leave Louisville at 3:30 p. m., arriving Harrodsburg at 6:47 p. m., Danville at 7:10 p. m. and other stations correspondingly earlier. The new trains will be accommodation trains, making all local stops. The train arriving at Danville at 10:10 a. m. will connect with Q. & C. train No. 5 for all local stations on Q. & C. Route south of Danville.

These local trains will be in addition to the present through trains, which are now being operated between Louisville and the Southeast via Lawrenceburg and Danville, and should prove a great convenience to the traveling public. Train No. 1 will leave Louisville at 7:50 a. m. instead of 8 a. m. and will reach Danville at 10:55 a. m., connecting with Q. & C. Route train No. 5, also with train No. 1, "The Florida Limited," for Florida and all points south.

Train No. 23, carrying observation sleeper, which is operated through without change from Louisville to Jacksonville and St. Augustine, Fla., in connection with "The Chicago & Florida Special" from Danville, will continue to leave Louisville at 7:45 p. m. This New Train Service should prove of great convenience to people of Danville, Harrodsburg and other points, as it will enable them to do their shopping in Louisville and return home the same day and it is thought that this will have the effect of causing shoppers to go to Louisville instead of Cincinnati and other points.
