**ANNOUNCEMENT.**  
We are authorized to announce Dan. Howden, of the Headquarters precinct, a candidate for Assessor of Nicholas County—subject to the action of the Democracy in Primary Election.

A RELIGION that does not improve the life is no compliment to God or benefit to man.

MORMONISM and Mongolianism must meander, and no mistake. The ukase has been issued.

If ice-cream can only be cheapened by glucose, the young folks could swim right along through the fields of bliss.

CONGRESS has done much, done it promptly, to provide for the speedy relief to the sufferers by the overflow of the Mississippi.

SHEEP-KILLING dogs come high, but Kentucky must have them. The slaughter goes bravely on among the sheep all over the State.

A LEGISLATURE that looks after the amusements of the people and provides diversion for them is a treasure. Such an one is the Kentucky Assembly, which makes hangings public, and give somebody else besides the friends of the Sheriff a show.

It may be that after Mr. Barnes has dwelt on that higher plain of life a few years longer, he can give us more encouragement on the restoration from the devil's punishment, and how it would be possible for a human spirit to be burned or otherwise punished more than the devil's spirit—or which was an alleged angel, or spirit.

It is a strange thing to see men in this progressive age, on the street corners in little groups, and with all their power and persuasion endeavoring to turn men from BARNES' Christ to the one that wields the bloody bludgeon of coercion instead of overwhelming with the conciliating love of a father. Oh, such a spirit! We are almost ready to liken them unto "whited sepulchers—fair without, but rotten within." Gives us Christ in His simplicity, unmasked by partisan dress.

BARNES still holds the fort, doing God's good work, and don't, dear sirs, go around prejudicing the minds of the people against him by charging him with misrepresentation of Biblical language to the people unlearned in the letter. If guilty, a polite note, with the charges, will easily reach him when he has pledged himself to make amends. Meet the friend of God who draws largely from the people and takes the laurels from your jealous and truly selfish brow face to face. Don't wait until he is gone, then stab him in the back. Throw no stumbling block in the way of the progress of the good work and the return of sinners to the fold of God.

### Local Hash.

CITY announcements are now in season.

Rev. F. F. Taylor will preach at the Baptist church next Sunday morning and night.

Col. Caldwell sold 82 mountain ewes with lambs, on the square Saturday at public sale, at \$4 per head, with the lambs thrown in.

SUNDAY morning when Craddock was over in the Court-House laying up treasures where thieves could not break thro' and steal, or the moths chew the corners off, George Washington, a saddle-colored employe who wore the appearance of being a cross between a mud-cat and a mountain bull, over-drew his salary by breaking in the Colonel's wardrobe and extracting therefrom, ten beautiful, bright and shiny American eagle dollars! Marshals Mermaugh and Henry took him in just before services closed, got the money all back but fifty cents, and landed the unwise, guilty George in du rance vile, to ponder the ways of the wick ed.

## Millersburg Department.

The number of dogs this place is estimated at 500.

The major portion of those who have heard Mr. Barnes like him very well.

Misses Fannie Clarke and "Sissy" Miller are visiting friends in Maysville.

The idea of building a new public square fence will have to be vaccinated before it will take well.

Saturday afternoon some farmers' nag, hitched on Main street, broke loose and tore about like she was the mare of the town.

S. D. Dodson having disposed of his carriage shop, will hereafter clerk for Collier & Sharp. Henry Vimont has decided to give Colorado a trial.

Isn't it about time for the Masons to have a public installation of officers and give the hungry the benefit of the contents of a second at a big banquet.

Mr. Gamble is removing the old Amos Parker house near Burke's gate, that he may better view the road. His handsome new residence is one of the prettiest on the M. & L. pike.

Dick Jones writes back from New Mexico, stating that he has been offered \$65 per month to drive a water-cart, and that the wages for all mechanics range from \$2.50 to \$3.00 per day.

The new bell ordered by Jno. W. Boulden & Co. for the Christian church, has arrived and will commence ringing the gospel fight. The bell is a very large one, and has a clear, mellow tone.

After twenty persons signified their intention of giving up the vanities of the world and live as Christ would have them, the protracted services at the Methodist Church closed.

Jno. Hensley, the breakman who fell from the freight train Thursday, died from the effects of his injuries Friday morning about one o'clock. Some money and a railroad order or two were found in his pockets. The body was placed in a neat casket and shipped to Demossville, where a cousin of the deceased resides.

Everyone will regret to learn that Millersburg has lost so good a citizen as Johnnie Miller. Having purchased the "Boaz" livery and feed stable in Atlanta, Georgia, Mr. Miller will reside in the south. Being one of the best known horse traders in this state he will receive the greater portion of Kentucky patronage.

It is much more reasonable to suppose that a reporter who knows nothing but journalism, could conduct some mammoth business enterprise than to think a business man could conduct the local columns of a journal. The profession of newsgathering is just as separate and distinct as any other branch of business in the commercial or industrial world. A good reporter can scent an item a far off and his eye rests, alike, upon the rich and the poor. He goeth into the sanctuary and mingleth with the pure and good. Such is the life of a scribe. He knoweth what is best. Selah!

The item in Friday's issue relative to Mr. Bristow was misinterpreted. It was not intended to convey the idea that the gentleman is not a thorough musician and a splendid singer; but simply that his solos were inappropriate and tended to detract ones attention from the sermon. Of course Mr. Bristow knows that a profession man forms a fit subject for newspaper paragraphs.

A certain young lady says that she intends to address a letter after the manner of the following lines just to see if some reporter would copy it.

To Millersburg and Jake Hughes,  
Dear Uncle Sam, if you chughes  
And not much time will I lughes  
If I'm lucky.  
Pray then my haste please exughes,  
For I'm sent by Jake dear Sughes,  
To bear him love and the nughes  
To Kentucky.

**WE STOP THE PRESS TO SAY:**  
"Where he leads, I will follow."  
The big revival will probably close Sunday.

Among the recent converts to Barnes faith, are: G. Tucker, Wm. Diddle, Bob Nelson, Boss Flannegan, Geo. Alexander John Flowers, Tom Hutchcraft, Tom Richardson, landlord Griffith, Sid Kennedy and wife.

The camp of the Kentuckians in Washington, is deserted. The spider spins his web in numolested security across the window-pane where erst the hero of a hundred fights flirted with the pretty girl in yellow bangs across the street.
