Gabler Pianos

are strong, solid and lasting. Like the violin they improve with usage. Durability is a claim made for all pianos, but it is the chief merit of the Gabler Pianos. There are

40,000 in Use

now, and there would not be so many were not the Gabler remarkable for tone, touch and finish as well as for durability. Listen to it and learn its excellence. We are sole representatives for the Steinway Piano.
