The Republicans Elect their First U. S. Senator From Kentucky.

On the sixtieth ballot of the extra session, and the 112th since the senatorial contest began at the regular session in January, 1896, William J. Deboe was elected United States Senator from Kentucky at Wednesday's joint session of the Kentucky Legislature.

A CONVENTION of the Fourteenth Judicial district, embracing the counties of Bourbon, Franklin, Scott and Woodford, to nominate a Democratic candidate for Commonwealth's Attorney, was held in Georgetown Wednesday afternoon.

REPUBLICAN officials at Washington were much relieved by the election of a Senator from Kentucky. The Senate is now a tie, forty-four Republicans and forty-four opposition, but Senator Kyle will vote with the Republicans on the Tariff Bill, giving them forty-five votes.

News of The Legislature.

The bill deducting the pay from salaries of Circuit Judges and Commonwealth's Attorneys' to pay pro tem judges was passed yesterday by the House. The House compared six bills previously passed and sent them by the Governor. The most important one was the \$500,000 State bond bill.

THE House Wednesday passed the bill limiting Magistrates and Police Judges to \$2 a day for holding examining courts; the Senate bill to pay \$25,000 back interest to the A. and M. College, and the County Funding Bill. Also a bill which requires employers of more than ten men to pay them in lawful money as often as every two weeks, and bill empowering corporations to combine banking and trust business in cities of less than 100,000 population, and the bill to abolish the Land Office.

A special says: "With no senatorial fight to attract the members, it will be difficult to keep a quorum of the Legislature at Frankfort. The resolution fixing May 8 as the day for sine die adjournment will probably be adopted by the Senate, but the action of the House is more doubtful."

The Kentucky Senate passed the Tax-rate Bill Tuesday after amending it so that the increase in the rate will be from 4 1/2 to 4 3/4 cents instead of to 5 1/2 cents. The Senate also passed the bill reducing to \$135 the per capita allowance for members of inmates of the State asylums. The House passed the Mob Violence Bill with all the amendments that had been adopted by the Committee of the Whole. The bill as perfected makes the members of mobs individually liable for all damages for destruction of private property and also authorizes the governor to offer rewards of \$500 and counties \$200 for their apprehension and conviction.

A SENATORIAL DITTY. Sad these men, brave but unlucky, Hunter, Blackburn and Dick Wood—Each would represent Kentucky in the Senate—if he could. But the race has been run and won By Deboe, the "Purchaser" doctor man, And the papers add, just for fun, Hunter, Blackburn, Wood "also ran."

JUDGE BOOE and the Fiscal Court of Fleming County came to Paris Wednesday morning and spent the day examining Bourbon's free turnpikes and inquiring into the system of operating them. They visited the Peacock distillery vicinity to examine the rock crusher and the willipus-wallapus, and see a road recently built with this machinery. Judge Booe and the court were well satisfied with their visit.

Out of 176 miles of turnpike in Fleming toll is charged now on only twelve miles—at six gates. When the first gate was removed by raiders many turnpike owners went post haste to Flemingsburg and either gave their roads to the county or sold them for small sums. In this county 251 out of 273 miles of turnpikes are free, and but seven out of forty toll-gates remain as a barrier to free travel.

The Fiscal Court of Scott county has instituted condemnation suits against twelve turnpike companies.

The toll-gate keepers on the Preston-Flemingsburg pike have been warned to stop toll collections. Since the action of Fleming county in buying the turnpikes the spirit of revolt against further payments has strongly taken hold in Bath county.

Three gates were removed by raiders this week in Rockcastle county. In Mason Tuesday night two gates were destroyed. The gatekeepers protested, but were warned to stay in doors or they would be shot.

The toll gate raiders went to the Fitzgerald gate on the Maysville and Lexington pike one night recently for the purpose of destroying it, but Mr. Fitzgerald persuaded them not to do so. He out talked them.

The toll-gate on the Maysville & Lexington turnpike, known as the old Perry gate, near Oakland Mills, was cut down by raiders Wednesday night and no toll is being collected at that gate for the present.

Raiders burned a toll-house in Bath this week and other depredations are are nightly expected. The Fiscal Court has appropriated \$500 to be used in stopping the destruction of the gates by mobs. The gates will be protected by armed guards.

The Fayette Fiscal Court this week paid \$21,960 for 18 miles of the New-town, Bryant Station and Old Frankfort turnpikes, and made them free roads. Toll is yet charged on 180 of the 288 miles of turnpikes in Fayette, but negotiations are pending for the purchase of the roads.

50 lbs. of Coal

A day would keep your rooms warm in winter. But that small stove will burn only twenty-five. Hence, discomfort and misery.

A certain amount of fat, burned daily, would keep your body warm and healthy. But your digestion is bad, and you don't get it from ordinary fat-food. Hence you are chilly, you catch cold easily, you have coughs and shivers; while pneumonia, bronchitis, or consumption finds you with no resistive power.

Do this. Burn better fuel. Use SCOTT'S EMULSION of Cod-liver Oil. Appetite and digestive power will revive; and soon a warm coating of good flesh will protect the vital organs against the cold and the body against disease.

MANY THINK!

when the Creator said to woman, "In sorrow shalt thou bring forth children," that a curse was pronounced against the human race, but the joy felt by every Mother when she first presses to her heart her babe, proves the contrary.

Danger and suffering lurk in the pathway of the Expectant Mother, and should be avoided, that she may reach the hour when the hope of her heart is to be realized, in full vigor and strength.

A Railroad Official's Experience.

MR. EDWARD EDMONDS, long connected with railroad construction in Nebraska, writes: "My heart troubled and pained me for 19 years. Shortness of breath was the constant and most common symptom. Intense, excruciating pain, generally followed any severe exertion. Faintness, hunger without any appetite; fluttering that made me clutch my breast, and palpitation that often staggered me as if I would fall, were frequent attacks. Again, everything would turn black if I arose from a stooping posture quickly. Sleepless nights with their numerous and I could get no rest day or night. I consulted leading physicians and tried advertised remedies. They gave me no relief. One of Dr. Miles' circulars described my case so exactly that I took Dr. Miles' New Heart Cure and I am now a well man. I hope every one troubled with heart disease will try Dr. Miles' remedies. If they will write me personally, I will gladly give them full details of my experience." EDW. EDMONDS. P. O. Box 65, David City, Nebraska. Dr. Miles' Heart Cure is sold on guarantee that first bottle benefits or money refunded.
