A Bourbon County Petition.

A DISPATCH from Washington says: "Senator Lindsay has received a petition from citizens of Bourbon county similar to the one received by Congressman Fitzpatrick several days ago, asking for a tax of Canadian seed, which closely resembles Bluegrass seed. The petition will be referred to the Committee on Agriculture, and information on the subject will also be asked of the Commissioner of Agriculture."

The Scramble at Washington.

TUESDAY might well have been called "Kentucky Day" at the White House, as the President was almost overwhelmed with patriots from the Bluegrass State.

Judge George Morgan Thomas, father-in-law of Congressman Pugh, of Vanceburg, is the first Kentuckian to land a real good thing. Tuesday he was nominated for Solicitor of the Internal Revenue Bureau. The place pays \$5,000 per year. Dr. Godfrey Hunter may be made minister to Peru.

Col. Wilbur Smith has withdrawn from the contest for the position of Register of the Treasury. Pressure is being brought to bear on President McKinley for a return to the civil service rules of the Harrison administration that guagers and storekeepers may be appointed for internal revenue service.

Senator Deboe has indorsed editor J. L. Bosley, of this city, for an auditorship in the Treasury department, and Canby Speed, of Jefferson county, for consul to Rudderfield, England. He has also indorsed Leslie Combs, of Lexington, for Pension Agent at Louisville. The President promised to take care of W. A. Gaines, a Kentucky colored man chasing an office.

The Senate Committee on International Expositions has decided to report favorably the resolution providing for the appropriation of \$50,000 for proper representation of this government at the Paris Exposition of 1900.

The Anti-mob Bill Passes.

SENATOR H. L. MARTIN'S anti-mob bill passed the Kentucky House Wednesday by a vote of 52 to 2.

The substantial provisions of the bill are the making of a felony of participating in mobs, and making members also liable in civil damages. It is provided that where County Judges receive notice that an attempt is about to be made by organized mobs to destroy turnpike or other private property he shall appoint guards, at the expense of the county, who shall be required to protect the property.

The important departure from the statutes is made in the section relative to the powers of the jailer, when anticipating mob violence to any of his prisoners. He is empowered to arm the prisoners in the jail if, in his discretion, such action is deemed necessary to repel the mob. The Governor is authorized to offer rewards not exceeding \$500 and to employ detectives to assist in bringing raiders and lynchers to justice.

The Fusion bill cannot pass owing to the filibustering methods adopted by those opposing it.

Governor Bradley has directed State Inspector Lester to start next week on a tour of the counties where toll gate outrages are being perpetrated, to operate with the officers of the counties and aid them in enforcing the anti-mob bill, which is expected to become a law by that time. He will go to Marion county first.

Bronston and Goebel continued their revolutionary tactics yesterday to block legislation.

The Kentucky Legislature will adjourn to-day. May Kentucky never again see its ike.

STRAW MATTINGS don't cost much at J. T. Hinton's. He sells them at low prices, and he has a big stock to select from.

MANY THINK!

when the Creator said to woman, "In sorrow shalt thou bring forth children," that a curse was pronounced against the human race, but the joy felt by every Mother when she first presses to her heart her babe, proves the contrary. Danger and suffering lurk in the pathway of the Expectant Mother, and should be avoided, that she may reach the hour when the hope of her heart is to be realized, in full vigor and strength.

MOTHER'S FRIEND

so relaxes the system and assists Nature, that the necessary change takes place without Nausea, Headache, Nervous or Gloomy Foreboding of danger, and the trying hour is robbed of its pain and suffering, as so many happy mothers have experienced. "Mother's Friend" is the greatest remedy ever put on the market, and all our customers praise it highly.—W. H. KING & CO., Whitewright, Tex. A Railroad Official's Experience.

MR. EDWARD EDMONDS, long connected with railroad construction in Nebraska, writes: "My heart troubled and pained me for 19 years. Shortness of breath was the constant and most common symptom. Intense, excruciating pain, generally followed any severe exertion. Faintness, hunger without any appetite; fluttering that made me clutch my breast, and palpitation that often staggered me as if I would fall, were frequent attacks. Again, everything would turn black if I arose from a stooping posture quickly. Sleepless nights with their prostrating unrest were numerous and I could get no rest day or night. I consulted leading physicians and tried advertised remedies. They gave me no relief. One of Dr. Miles' circulars described my case so exactly that I took Dr. Miles' New Heart Cure and I am now a well man. I hope every one troubled with heart disease will try Dr. Miles' remedies. If they will write me personally, I will gladly give them full details of my experience." EDW. EDMONDS. P. O. Box 65, David City, Nebraska. Dr. Miles' Heart Cure is sold on guarantee that first bottle benefits or money refunded.
