Some Pension Figures.
The Pittsburg Times publishes the following regarding the United States pension roll:

"The Revolutionary war ended 114 years ago, but there are on the pension rolls thirteen widows and daughters of Revolutionary soldiers. There are six widows, the seventh and oldest, Mrs. Lovey Aldrich, having died at San Diego, Cal., this week, in her ninety-eighth year. The next oldest on the list is Hannah Barrett, a soldier's daughter. She is ninety-seven years old. The six widows range in age from eighty to eighty-six year.

"At the close of the last fiscal year there were fourteen soldiers and sailors of the war of 1812 on the pension rolls. The oldest, Hosea Brown, of Oregon, was 104 years of age. Four others had passed the age of 100. The youngest, John Lumberson, of Maryland, was ninety. Mr. Lumberson must have been a young warrior, as he was only eight years old when the war of 1812 ended.

"It is estimated that the last surviving soldier of the war of the rebellion will have passed away by 1945, or eighty years after Appomattox. If, however, they marry and beget children as late in life as did some of the Revolutionary heroes, their widows and daughters may be on the pension rolls in 1979."

NEW YORK, July 28.—Government assay bars were quoted at 57 1/2c, which made the value of the silver in a standard dollar 44 59 cents.

Keep Up Your Scott's Emulsion in Summer-time

What are your resources for the summer? Have you an abundance of health stowed away for the long, hot, depleting days, or does summer find you low in vitality, run down, losing flesh, and weak? Scott's Emulsion of Cod-liver Oil will give you the proper reserve force, because it builds up the system on a solid foundation. A tonic may stimulate; Scott's Emulsion not only "boosts," it sustains.

It is a wise precaution always to have at least a small bottle of Scott's Emulsion in the house. Unopened, it will keep indefinitely. Tightly corked, after using, kept in a cool place, it will remain sweet for weeks.

Let The Whole World Know The Good Dr. Miles' Heart Cure Does

HEART DISEASE, has its victim at a disadvantage. Always taught that heart disease is incurable, when the symptoms become well defined, the patient becomes alarmed and a nervous panic takes place. But when a sure remedy is found and a cure effected, after years of suffering, there is great rejoicing and desire to "let the whole world know." Mrs. Laura Winchester, of Selkirk, Kansas, writes: "I desire to let the whole world know what Dr. Miles' Heart Cure has done for me. For ten years I had pain in my heart, shortness of breath, palpitation, pain in my left side, oppressed feeling in my chest, weak and hungry spells, bad dreams, could not lie on either side, was numb and suffered terribly. I took Dr. Miles' Heart Cure and before I finished the second bottle I felt its good effects, I feel now that I am fully recovered, and that Dr. Miles' Heart Cure saved my life."
Dr. Miles' Heart Cure is sold on guarantee that first bottle benefits, or money refunded.
