The Republican Convention.

The Republican State Convention held at Louisville, Tuesday, endorsed the Republican State and National Administrations, denounced the civil service law, and nominated J. G. Bailey, of Magoffin county, for Clerk of the Court of Appeals. There was some trouble in the Committee of Resolutions before the question of endorsing Bradley was finally disposed of. A compromise was reached in a resolution endorsing the State Administration, but not naming the Governor directly. In order to please the Bradley element the endorsement of the National Administration was likewise made impersonal. Civil service reform had few friends in the convention. The platform practically demands the repeal of the law.

The Republican State Central Committee selected an Executive or Campaign Committee composed of K. J. Hampton, W. J. Davidson, R. L. Gwathmey, N. B. Chambers and C. O. Reynolds.

Senator Stewart's Views.

A TELEGRAM from New York yesterday to the Lexington Leader tells of the change of views of Senator Stewart, the noted silver leader. He was buying stocks and had determined to "gather in a part of the prosperity which is not only rampant in Wall street, but throughout the land.

"There is no room for pessimism in his country. No one can be a 'bear' in the face of the wheat famine in Argentine, Russia, Hungary and India. In view of these conditions abroad, I should not be surprised to see silver sell as low as twenty-five cents and wheat as high as a dollar.

"There is nothing in talking silver at the present time, and my advice to my friends in the West is to fall into line with the forces of prosperity and progress and receive their due share of the reward.

"The time has passed for the old issue. We must turn to face new issues and new conditions."

KENTUCKY is right in the push, you bet. Besides having the loveliest women, the fastest horses, and the finest liquor on the earth, she has some good things in the earth. Gold has lately been found in Hart, Owen and Estill, onyx in Edmonson, Monroe and Hart, and lead, coal and iron in a score of counties. If the politicians, shooters and calamity howlers will give Kentucky half a chance, she'll boom way up.

Keep Up Your Scott's Emulsion in Summer-time

What are your resources for the summer? Have you an abundance of health stowed away for the long, hot, depleting days, or does summer find you low in vitality, run down, losing flesh, and weak? Scott's Emulsion of Cod-liver Oil will give you the proper reserve force, because it builds up the system on a solid foundation. A tonic may stimulate; Scott's Emulsion not only "boosts," it sustains.

It is a wise precaution always to have at least a small bottle of Scott's Emulsion in the house. Unopened, it will keep indefinitely. Tightly corked, after using, kept in a cool place, it will remain sweet for weeks.

The Robbery Of Mrs. Montgomery.

SEVERAL absurd stories concerning the escape of the robber are current on the streets of Paris, some of which do such gross injustice to Dr. H. H. Roberts, that I feel that it is due him that the real facts be known.

I was standing in front of his house on Pleasant Street talking with him when the robbery occurred. We heard the screams of the ladies, but as it was dark and some distance, we had no idea of the cause, whether a vehicle had upset, or a drunken man had frightened some passing lady.

Presently some one came up Pleasant street, and while we did not know in the first place what had happened, nor in the second place, whether this man was in fault, yet his running was suspicious enough to attract our attention.

The doctor having procured his pistol from his office, pursued the runner after both of us had demanded of him to halt. It is but a few paces from the residence to the corner of Seventh and Pleasant street. The man turned down Seventh towards Main, the doctor gaining on him. I followed the doctor more to see the outcome than to catch the runner as I was wholly unarmed and unprepared to antagonize a razor-slashing negro in the dark. Going down Seventh street the doctor cried aloud many times to the people at the crossing of Main and Seventh to stop the man, but he passed through the crowd unchecked, and disappeared down a darker street. The crowd rushed up to the doctor to inquire the reason for pursuing him and asked if he had broken into the doctor's house. The doctor said "No, I think he broke into Miss Hickman's house." When we returned to Pleasant street we first learned that a robbery had been committed.

It is a sufficient answer to the criticism of those who say that, having a pistol, he ought to have shot, to call attention to two facts above mentioned: That the doctor did not know that a crime had been committed; That he did not know that this man was the guilty party.

Respectfully,
ROBT. C. TALBOTT.

Will Not Perform Miracles But It Will Cure.

DR. MILES' RESTORATIVE NERVE cures nervous prostration. Not miraculously, but scientifically, by first removing the germs of disease, and then supplying healthy nerve food, increasing the appetite, helping digestion and strengthening the entire system. Desperate cases require prolonged treatment as shown by that of Mrs. M. B. Reed, of Delta, Iowa, who writes: "As the result of a lightning stroke of paralysis, my limbs would all draw up. I would have throbbings in my chest that seemed unendurable. For three months I could not sleep and for three weeks did not close my eyes. I prayed for sleep, and felt that if relief did not come I would be dead or insane. I took Dr. Miles' Restorative Nerve and the second night slept two hours and from that time on my health improved; slowly at first, but steadily and surely. I took in all 40 bottles, and cannot express how grateful I am, for I am now perfectly well, and have taken no medicine for over four months." Dr. Miles' Nerve is sold by druggists on guarantee that first bottle benefits or money refunded. Book on heart and nerves free. Dr. Miles Medical Co., Elkhart, Ind.
