Public Speaking.

HON. JOSIAH PATTERSON, of Tennessee, will address the citizens of Paris and Bourbon county at the court house to-morrow afternoon.

Hon. James R. Hindman, National Democratic candidate for Clerk of the Kentucky Court of Appeals, will speak at the court house Tuesday afternoon.

Hon. John W. Yerkes, of Danville, brother of Mayor W. L. Yerkes, will speak at the court house on Oct. 25.

Hon. W. M. Dickerson is announced to speak at the court house on the 30th. Judge H. C. Howard will speak at the court-house in this city, on Friday, Oct. 29, at two o'clock p. m.

Judge Ward At Williamstown.

A DISPATCH from Williamstown says: "To-day was the regular county court in Williamstown, and an immense crowd of people were on the streets. Judge Quincy Ward, of Bourbon county, spoke here in the interest of James R. Hindman and on National Democracy and his coming resulted in the resurrection of the old-time Democracy, with all of its ancient enthusiasm. Judge Ward spoke to a crowded court house, and his speech was received with genuine applause and commanded great attention from a very large number of free-silver men, who seemed impressed with his calm and judicial statement of facts. It is the general opinion that Judge Ward, by his speech, has given new impetus to the cause of sound money in this county."

THE Washington Post says that Mr. Bryan is slowly but surely driving out the balloon ascension as a county fair attraction.

It is now in order for some silverite to claim that the drouth which Hanna inflicted on Kentucky was broken by Bryan's visit.

MR. BRYAN will soon be a blarsted bond-holder—and perhaps a gold bug—if he keeps on drawing from \$500 to \$2,000 for a speech.

HENRY GEORGE is going to have a sort of political vaudeville campaign in New York. Mrs. Lease and Jerry Simpson are going to "help Henry."

BRONSTON is quoted as saying that Hardin is in the lead in the race for Governor. If the Governorship is P. Wat's dream he might just as well wake up now before the nightmare comes on.

THE Hon. W. C. Whitney is conspicuous by his absence from the political middle in New York. He is a past grand master in the art of dropping out of sight at the proper time. Can Whitney be looking toward 1900?

BRYAN doesn't cut much ice with Tammany. He urged them to put silver and Bryan in their platform but they ignored both. Tammany Democrats are shrewder than they are in several States—Kentucky for instance.

HARRY GIOVANNOLI, a brilliant newspaper man who has been connected with the Danville Advocate for a number of years, has been taken into partnership by proprietor Woolfork—a merited recognition of his faithful and excellent work.

COL. PATTERSON puts the case well when he says that sound-money Democrats do not oppose bimetalism, they only insist that it can not be maintained. Bimetalism, or what the silverites call bimetalism, based upon a double standard, never has been maintained in any country on the globe, and both experience and reason prove that it never can be maintained. THE Washington Post prints the following little joke about Kentucky: "The Kentucky State Horse-Swappers' convention met in Covington recently to the number of 2,000 or more. One man brought twenty-five horses and announced his intention to swap every horse three times before the convention's three days' session was over."

By trying to intimidate the Herald and Leader with a pistol and threats galore because they criticised the silver partisanship evinced in his official acts, Judge Bullock has made a spectacle of himself and probably caused his defeat for re-election. Mrs. Brady, who attempted to whip a Frankfort editor could have told him it is dangerous to monkey with a newspaper man.

GETTING READY

Every expectant mother has a trying ordeal to face. If she does not

get ready for it, there is no telling what may happen. Child-birth is full of uncertainties if Nature is not given proper assistance.

Mother's Friend

is the best help you can use at this time. It is a liniment, and when regularly applied several months before baby comes, it makes the advent easy and nearly painless. It relieves and prevents "morning sickness," relaxes the overstrained muscles, relieves the distended feeling, shortens labor, makes recovery rapid and certain without any dangerous after-effects.

Mother's Friend is good for only one purpose, viz.: to relieve motherhood of danger and pain.

A Shattered Nervous System.

FINALLY HEART TROUBLE. Restored to Health by Dr. Miles' Nerve.

MR. EDWARD HARDY, the jolly manager of Sheppard Co.'s great store at Briceville, Ill., writes: "I had never been sick a day in my life until 1890. I got so bad with nervous prostration that I had to give up and commence to doctor. I tried our local physicians and one in Joliet, but none gave me any relief and I thought I was going to die. I became despondent and suffered untold agony. I could not eat, sleep nor rest, and it seemed as if I could not exist. At the end of six months I was reduced to but a shadow of myself, and at last my heart became affected and I was truly miserable. I took six or eight bottles of Dr. Miles' Nerve. It gave me relief from the start, and at last a cure, the greatest blessing of my life."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

It Aids in the Detection of Unwholesome Food.

Daniel Webster in the famous "White trial in Salem, Mass., years ago declared that "murder will out." This maxim has been found applicable to many other things besides murder. Housewives know it to be true when there is alum in baking powder. A bitterness in the bread at once betrays the alum's presence. I can't conceal its true nature. The alum bitterness "will out," and because it will, physicians, who understand the harmful effect of alum on the system, are at a loss to know why people continue to buy baking powders containing it. All baking powders sold for twenty-five cents a pound and less contain alum. There is surely no economy in using these cheap powders. For a pure cream of tartar powder, as Dr. Price's was shown to be at the World's Fair, goes so much farther and gives so much better results, there is no doubt of its being more economical in the long run.
