FOR SALE.—Good anthracite stove, Call at THE NEWS office.

"UNCLE" JOE HOPPER closed his meeting last night at Hopewell church.

THE first snow of the season fell here yesterday. It continued about one minute.

JOHN DARNALL, colored, was fined \$7.50 in Judge Webb's court for chasising his sweetheart.

ASTRONOMERS are predicting a meteoric display to occur about daylight on Sunday and Monday mornings.

PERSONS wanting good one and two-year-old cattle should not fail to attend the Woodford sale on Nov. 17th. (2t)

MONDAY night on Robt. Ferguson's farm a large straw stack toppled over on five large steers and buried them for several hours. Two of the cattle were dead when taken out.

THE Children's Missionary Band of the Christian Church will run an excursion over the Kentucky Midland and Q. & C., to Cincinnati, on Saturday, Nov. 20th, leaving Paris at 7:10 a. m., returning will arrive at Paris at 10:35 p. m. Round-trip from Paris, \$1.50.

YESTERDAY afternoon White Varden, the eight-year-old son of G. S. Varden, the druggist, met with a painful accident while coasting down the city school hill on Seventh street. He was thrown from the wheel and received a sprained arm and several painful cuts on his face.

THE various whist and euchre clubs will confer a favor upon the press of Paris if they will take an afternoon off and select a name for each organization. The newspapers are glad to chronicle their meetings but it is rather indefinite to call each one "The Euchre Club" or "The Whist Club." Every literary and musical club in Paris has a name, and why not the card clubs? THE NEWS will be glad to receive notice of the new names.

Al Scott Pays A Bet.

AL SCOTT, of Clark county, who is known to many persons in Paris, wheeled Ab Hughes in a wheelbarrow from Jasper to Winchester last Saturday in payment of an election bet. The distance was about eight miles.

Christian Church Revival.

THE protracted meeting at the Christian Church is being well attended by audiences which thoroughly enjoy Eld. Powell's excellent sermons. There was one addition to the church last night—Lee Brown, son of James Brown. Services will be held every night at seven o'clock.

A New Law Firm.

MESSRS. SAMUEL BOYD ROGERS and Thomas E. Moore, Jr., two bright young members of the Paris bar, have formed a law partnership, and have rented offices on Broadway, three doors above THE NEWS office. Mr. Rogers is a graduate of Centre College and Mr. Moore graduated from Kentucky University.

Edgar Sanders Dead.

A TELEGRAM yesterday from New Iberia, Louisiana, stated that Edgar Sanders, a former Parisian, was dangerously ill at the Alma House, in that place, and his recovery was doubtful. Mr. Sanders and family have been living at the Alma House for several months. Mrs. Sidener, mother-in-law of Mr. Sanders, went to Cincinnati yesterday to see her daughter, Mrs. Brown, who will doubtless go to New Iberia, to be with Mrs. Sanders.

A telegram last night stated that Mr. Sanders died during the afternoon of Bright's disease. The deceased was a son of Eld. A. Sanders, formerly of this city, and was about thirty-eight years old. He is survived by a wife and one daughter.

**Scientific Boxing Contests.**

THREE scientific boxing contests will occur next Tuesday night at the Paris opera house, under the auspices of the Paris Athletic Club. The leading event will be a fifteen-round go between Kid Lefebvre, champion light-weight of Cincinnati, and Louis Heller, an Indiana champion, of Evansville. Sugarfoot Lee Hill, a light weight, of Cincinnati, will box five rounds with Eddie Parker, of Paris, and Dave Jackson, of Paris, and Albert Taylor of Georgetown, both heavy weights, will box ten rounds. Besides these events there will be an exhibition of buck and wing dancing by two Cincinnati experts, and the Silver Toned Quartet will render some choice selections. Great interest is being taken in the forth coming carnival and it is expected that parties will be present from Millersburg, Cynthiana, Winchester, Georgetown, Richmond and Lexington.

Cain Lewis Gets A New Trial.

THE case of the Commonwealth of Kentucky vs. Cain Lewis has been reversed in the Court of Appeals, and the defendant is granted a new trial on substantially the following grounds:

Because, the court erred in not giving an instruction asked by the defendant in reference to arsenical poisoning.

Because, the court should have instructed the jury to give Cain Lewis the benefit of the doubt and acquit him should they have a reasonable doubt as to whether his wife died from poison or a blow.

Because, the court allowed the character of Mary Dotson, witness for defense, to be attacked by testimony as to an indictment against her, the Court of Appeals saying if the jury believed her evidence that they should have acquitted Lewis.

A Sad Romance In Harrison.

Leon Taylor, a farmer aged thirty years, committed suicide by hanging himself in Harrison, Tuesday. Mr. Taylor was engaged to be married to Miss Mary Burns October 23, but left home and was not seen till late on the evening of October 26. Miss Burns, attempted suicide on Monday, the 25th, but her mother took the gun away from her. On Tuesday she got a rope and hung herself from a window, and was dead when found. Taylor brooded over the affair so much that he sought death Tuesday in the manner his sweetheart died.

Cynthiana Will Entertain Them.

Great preparations are being made for the meeting of the National Fox Hunters' Association which meets in Cynthiana next Wednesday. Sportsmen from all parts of the country will be in attendance and a royal time is expected. After the work of the association is completed a grand fox hunt will take place. About fifty foxes are held now in Cynthiana for the hunt.

Cynthiana's hospitality is always of the best brand, and the fox hunters are sure to have a pleasant meeting. Bourbon will be represented, of course.

Mr. Cunningham, who was in Paris yesterday, did not know who shot him.

New Remedy For Rheumatism.

It is claimed that the broken carbons which may be found any day under an arc light are an effective cure for rheumatism when carried in the pockets of the afflicted person. A Cincinnati paper relates that W. T. Woodard, the Lexington horseman, who was on crutches during a recent stay at the Grand Hotel, was so benefitted that he discarded his crutches in one day. The remedy is worth trying.

THE ladies of the Methodist Church will have a Christmas bazaar about December 15th, and will have for sale a number of dressed dolls suitable for holiday presents. On Christmas eve they will have a sale of cakes. The ladies solicit orders for all kinds of cakes.

**DRESS GOODS.**

My importations for this Fall and Winter of Ladies' and Children's Dress Goods exceed in cost of investment \$10,000 any other purchase I ever made in this one line of goods. With forty years' experience in Dry Goods business in Paris I saw it was to your and my interest to secure these goods under the low tariff, consequently I invested every available dollar I had in goods at low prices. The new Dingley tariff bill has already made and will when set fully at work make all classes of Dry Goods fully double in price what they were under the Wilson or low tariff. I have the advantage of this: My goods were bought when cheap, and it is my intention to hold them down as long as a yard of them lasts. If you want to save money in your purchase this Fall and Winter come and see me and examine my stock and hear prices before you invest elsewhere.
