## A Changed View of a Changed Man.

I am completely discouraged, after trying so called specialists and different advertised remedies, I feel that I am getting worse instead of better, and have about given up hope of ever being cured of my kidney trouble.

I have changed my mind for, after reading of the positive guarantee of Foley's Kidney Cure, as a forlorn hope I tried a bottle, and the result was so favorable that I continued its use until I had taken three bottles which effected a thorough cure, and I am a changed man.

## Why H. S. Stout Succeeds.

Here are a few reasons why H. S. Stout has succeeded in building up the largest tailoring business in Paris:

FIRST—He recognized the fact that five years ago that the only day of big profits and small sales was past.

SECOND—He cuts the price of tailor-made garments at least 40 PER CENT.

THIRD—He kept up the quality of his materials, his styles and his workmanship.

FOURTH—He always does as he advertised.

### AS A RESULT.

As a result of this system he has built up a large trade that appreciates the fact that they save twenty dollars on a single Suit or Overcoat. "Many customers at a small profit rather than a few customers at a big profit," says H. S. Stout.

If you want credit, your high-price tailor gladly extends it, for he makes you pay dearly for it in the end.

Why not turn over a new leaf—wear the best, save money, by giving H. S. Stout a trial?

He makes the Finest Imported Suits for

### NORTH MIDDLETOWN.

Interesting Paragraphs Gathered By A Special Scribe.

Ed Rice is in Missouri on business.

John P. Banta, of Carlisle, is in town.

Mr. B. M. Renteck, of Paris, was in town on Saturday.

Miss Nettie Lockett, of Georgia, is the guest of Mrs. Ed Rice.

Miss Julia Desha, of Cynthia, is the guest of Miss Mary Rahn.

S. T. Turley, of Centerville, was in town, Monday and Tuesday.

Miss Fleeta Green, of Mt. Sterling, is visiting the Misses Salliman.

Maj. S. W. Green, of K. M. I., Lyndon, Ky., is at home for the vacation.

Miss Helen Barkley, of Maysville, is a pleasant visitor at Mrs. R. D. Weaver's.

Mr. B. B. Bean, delightfully entertained a number of friends, Wednesday evening.

Miss Lillie Williams left Monday for Missouri to be at the bedside of her mother who is dangerously ill.

Charley Ed Rice, of Fulton, who has been the guest of his father, Mr. R. M. Rice, returned home on Friday.

E. B. and Asa Dooley, William Ragland, William Hise and William Henry spent last week at Oil Springs.

Miss Bessie Davis, who has been the guest of friends at various points in Kentucky for several months, left for Cincinnati, Monday, from whence she will go to Mexico, Mo.

Miss Iva Collins entertained a number of friends at her beautiful home on last Friday evening. Miss Collins, who was graduated at the K. C. and B. College this year, proved a most excellent hostess for the many boys and girls just free from school as well as others who have already made a "commencement" in life-work.

Miss Iva Collier has as her guests Miss Lula Collins, of Pewee Valley, Miss Mary Carpenter, of Houstonville, Miss Bertha McCorker, of Eminence, Ky., and a gentleman or so (names not important) for the week. Misses Iva Collins, Bertha McCorker and Mary Carpenter constituted the graduating class of the K. C. & B. College this year. We ventured to remark to Prof. Thomson, that if he taught for years to come, in the Bluegrass or in the hills, a class of better, prettier or more lovable young ladies would never be sent from his school-room to begin life. One and all of us regret to see them leave our community.

Our "College Day" was more of a hit than our engineers' most ambitious hopes anticipated. The Kentucky Classical and Business College, an institution over half a century old, has the most desirable surroundings of any college in the State. It is a school of which Bourbon county may justly be proud. The public, by liberal patronage, is showing its appreciation. A large and representative audience greeted the rendering of the program on each day. With logical educational advantages, and the straight forward business course of her officers, the K. C. & B. College claims the attention of all knowledge seekers.

## Foul-Smelling Catarrh.

Catarrh is one of the most obstinate diseases, and hence the most difficult to get rid of.

There is but one way to cure it. The disease is in the blood, and all the sprays, washes and inhaling mixtures in the world can have no permanent effect whatever upon it. Swift's Specific cures Catarrh permanently, for it is the only remedy which can reach the disease and force it from the blood.

Mr. B. P. McAllister, of Harrodsburg, Ky., had Catarrh for years. He writes: "I could see no improvement whatever, though I was constantly treated with sprays and washes, and different inhaling remedies—in fact, I could feel that each winter I was worse than the year previous."

Finally it was brought to my notice that Catarrh was a blood disease, and after thinking over the matter, I saw it was unreasonable to expect to be cured by remedies which only reached the surface. I then decided to try S. S. S., and after a few bottles were used, I noticed a perceptible improvement. Continuing the remedy, the disease was forced out of my system, and a complete cure was the result. I advise all who have this dreadful disease to abandon their local treatment, which has never done them any good, and take S. S. S., a remedy that can reach the disease and cure it."

To continue the wrong treatment for Catarrh is to continue to suffer. Swift's Specific is a real blood remedy, and cures obstinate, deep-seated diseases, which other remedies have no effect whatever upon. It promptly reaches Catarrh, and never fails to cure even the most aggravated cases.

S. S. S. For the Blood is Purely Vegetable, and is the only blood remedy guaranteed to contain no dangerous minerals.
