Why H. S. Stout Succeeds.

Here are a few reasons why H. S. Stout has succeeded in building up the largest tailoring business in Paris:

FIRST—He recognized the fact that five years ago that the only day of big profits and small sales was past.

SECOND—He cuts the price of tailor-made garments at least 40 PER CENT.

THIRD—He kept up the quality of his materials, his styles and his workmanship.

FOURTH—He always does as he advertised.

AS A RESULT.

As a result of this system he has built up a large trade that appreciates the fact that they save twenty dollars on a single Suit or Overcoat. "Many customers at a small profit rather than a few customers at a big profit," says H. S. Stout.

If you want credit, your high-price tailor gladly extends it, for he makes you pay dearly for it in the end.

Why not turn over a new leaf—wear the best, save money, by giving H. S. Stout a trial?

He makes the Finest Imported Suits for

\$30.00 AND \$35.00.

Doctors Can't Cure It!

Contagious blood poison is absolutely beyond the skill of the doctors. They may dose a patient for years on their mercurial and potash remedies, but he will never be rid of the disease; on the other hand, his condition will grow steadily worse. S. S. S. is the only cure for this terrible affliction, because it is the only remedy which goes direct to the cause of the disease and forces it from the system.

I was afflicted with Blood Poison, and the best doctors did me no good, though I took their treatment faithfully. In fact, I seemed to get worse all the while. I took almost every so-called blood remedy, but they did not seem to reach the disease, and had no effect whatever. I was disheartened, for it seemed that I would never improve. I continued the medicine, and it cured me completely, building up my health and increasing my appetite. Although this was ten years ago, I have never yet had a sign of the disease to return.

It is like self-destruction to continue to take potash and mercury; besides totally destroying the digestion, they dry up the marrow in the bones, producing a stiffness and swelling of the joints, causing the hair to fall out, and completely wrecking the system.

S. S. S. For the Blood is guaranteed Purely Vegetable, and is the only blood remedy free from these dangerous minerals. Book on self-treatment sent free by Swift Specific Company, Atlanta, Ga.

Kidney Diseases

CURED THAT HAD BEEN pronounced incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face to day is a living picture of health, and your Kidney Cure has made it such. I had suffered twenty-seven years with the disease, and to day I feel ten years younger than I did one year ago. I can obtain some wonderful certificates of its medical qualities.
