FOUR LOTS,

Not building lots that is in the general conception of the world, though a selection from any of these lots is a splendid foundation on which to build a picture collection. It's a mid-summer sale. Prices are very low. We sold a great many pictures last week and have decided to continue the sale.

50C. FOR LOT 1.—A nice little line of artistically framed pictures. Figures, Heads, Landscapes, etc. Not a picture in this line that is not worth twice the money.

98C. FOR LOT 2.—Large number of subjects. Good, substantial frames, up to date pictures. See them.

\$1.50 FOR LOT 3.—White and gold. Antique oak or burnished gold frames of all styles. Nice line of subjects. Great values.

\$1.98 FOR LOT 4.—You have been paying \$3.50 and \$4 for pictures not their equal. Large, handsome frames. Very choice subjects. All in our East Window. Prices marked in plain figures on each lot.

Why H. S. Stout Succeeds.

Here are a few reasons why H. S. Stout has succeeded in building up the largest tailoring business in Paris:

FIRST—He recognized the fact that five years ago that the only day of big profits and small sales was past.

SECOND—He cuts the price of tailor-made garments at least 40 PER CENT.

THIRD—He kept up the quality of his materials, his styles and his workmanship.

FOURTH—He always does as he advertised.

AS A RESULT.

As a result of this system he has built up a large trade that appreciates the fact that they save twenty dollars on a single Suit or Overcoat. "Many customers at a small profit rather than a few customers at a big profit," says H. S. Stout.

If you want credit, your high-price tailor gladly extends it, for he makes you pay dearly for it in the end.

Why not turn over a new leaf—wear the best, save money, by giving H. S. Stout a trial?

He makes the Finest Imported Suits for

\$30.00 AND \$35.00.

Kidney Diseases

CURED THAT HAD BEEN pronounced incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill. writes FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I, myself am able to testify to its merits. My face to day is a living picture of health, and your Kidney Cure has made it such. I had suffered twenty-seven years with the disease, and to day I feel ten years younger than I did one year ago. I can obtain some wonderful certificates of its medical qualities.
