## LITERATURE

is an international weekly journal of literary criticism. It is a comparatively new periodical, which has been recognized from its first number as a review of the highest standing.

### CRITICAL REVIEWS

Thoughtful, thorough, and comprehensive reviews of all important publications in the civilized world. French, German, Italian, Spanish, as well as English and American works, are treated from week to week.

### BELLES-LETTRES

Special articles appear weekly in the paper, sometimes under the title of "Among My Books," written by such well-known authors and critics as EDMUND GOSSE, MAX MÜLLER, SIR HERBERT MAXWELL, DEAN STUBBS

and from time to time original pieces of literary work, poems, fiction, and essays are published, but in each case only from the pens of world-known writers, such as:

RUDYARD KIPLING GEORGE MEREDITH

Each week a leading article in the nature of an editorial appears. These leaders are prepared by the editor, and deal exclusively with literary subjects.

### AMERICAN LETTERS

The Bi-weekly letter, written by William Dean Howells, deals in that author's original and keen way with subjects of vital interest in the American world of letters and art.

### FOREIGN LETTERS

French, English, German, and Italian letters will be published, making this periodical of great value to readers interested in the growth of literature. Occasional work by Henry James, and men of like ability, will also appear.

### SPECIAL SUPPLEMENTS

will be published, devoted to descriptive articles on such subjects as rare and curious books, book-plates, special editions of famous books, noteworthy American editions, etc.

### A PREMIUM OFFER

FREE A full set of LITERATURE'S famous portrait supplements of distinguished men of letters (30 in all) for one year's subscription.
