## Every Month

there are thousands of women who nearly suffer death from irregular menses. Sometimes the "period" comes too often—sometimes not often enough—sometimes the flow is too scant, and again it is too profuse. Each symptom shows that Nature needs help, and that there is trouble in the organs concerned. Be careful when in any of the above conditions. Don't take any and every nostrum advertised to cure female troubles.

## BRADFIELD'S FEMALE REGULATOR

is the one safe and sure medicine for irregular or painful menstruation. It cures all the ailments that are caused by irregularity, such as leucorrhoea, falling of the womb, nervousness; pains in the head, back, breasts, shoulders, sides, hips and limbs. By regulating the menses so that they occur every twenty-eighth day, all those aches disappear together. Just before your time comes, get a bottle and see how much good it will do you. Druggists sell it at \$1.

## Foul-Smelling Catarrh.

Catarrh is one of the most obstinate diseases, and hence the most difficult to get rid of.

There is but one way to cure it. The disease is in the blood, and all the sprays, washes and inhaling mixtures in the world can have no permanent effect whatever upon it. Swift's Specific cures Catarrh permanently, for it is the only remedy which can reach the disease and force it from the blood.

Mr. B. P. McAllister, of Harrodsburg, Ky., had Catarrh for years. He writes: "I could see no improvement whatever, though I was constantly treated with sprays and washes, and different inhaling remedies—in fact, I could feel that each winter I was worse than the year previous."

"Finally it was brought to my notice that Catarrh was a blood disease, and after thinking over the matter, I saw it was unreasonable to expect to be cured by remedies which only reached the surface. I then decided to try S. S. S., and after a few bottles were used, I noticed a perceptible improvement. Continuing the remedy, the disease was forced out of my system, and a complete cure was the result. I advise all who have this dreadful disease to abandon their local treatment, which has never done them any good, and take S. S. S., a remedy that can reach the disease and cure it."

To continue the wrong treatment for Catarrh is to continue to suffer. Swift's Specific is a real blood remedy, and cures obstinate, deep-seated diseases, which other remedies have no effect whatever upon. It promptly reaches Catarrh, and never fails to cure even the most aggravated cases.
