Judge Hager's Visit.

Judge S. W. Hager, of Ashland, candidate for the Democratic nomination for State Treasurer, was in the city yesterday in the interest of his candidacy. Judge Hager is a leading citizen of Boyd county, and a splendid gentleman and business man, well qualified to fill with credit the position to which he aspires. Judge Hager's popularity was proved by his election as County Judge of Boyd, changing a Republican majority of five hundred to a Democratic majority of three hundred. Judge Hager met quite a number of Parisians yesterday and made quite a favorable impression.

Goebel And The Weather.

It is a singular fact that almost every city where Goebel has made a speech in the past two months has been visited by a cold wave or a blizzard. At several Southern Kentucky towns the mercury dropped almost out of sight, and last Monday it snowed when he spoke in Morganfield. Saturday he spoke in Georgetown and another April snow was the result. The Ohio statesman appears to be a Jonah on the weather question. If he wants to get the farmer vote he had better keep off the stump and give the sunshine a chance to make some farming weather.

No person loses time by reading the advertisements. If the reader is a business man he learns what his competitors are doing. If the reader is a consumer he or she learns what bargains are being offered. If an advertisement tells of an article you want—at a low price—it is a good news item. It pays to read the advertisements.

The Richmond Register says: In the Paris Circuit Court last week six culprits received penitentiary sentences, and every solitary mother's son was a negro. From this, it can be easily inferred where the "White Man's Burden" rests.

Hidden Beauty Ready - To - Wear Garments.

Ladies' Suits and Separate Skirts.

In Egypt the custom is for Princesses to hide their beauty by covering the lower part of the face with a veil. In America the beauty of many of our women is hidden because of the weakness and sickness peculiar to the sex. If the Egyptian custom prevailed in this country, many sufferers would be glad to cover their premature wrinkles, their sunken cheeks, their unhealthy complexion, from the eyes of the world with the veil of the Orient.

Dr. Sawyer's Little Wide Awake pills give purity of blood and vigor of thought by perfectly regulating the bowels and cure biliousness, inactive liver and constipation. W. T. Brooks, druggist.

It was one of these experimental farmers, who put green spectacles on his cow and fed her shavings. His theory was that it didn't matter what the cow ate so long as she was fed. The questions of digestion and nourishment had not entered into his calculations.

It's only a "tenderfoot" farmer that would try such an experiment with a cow. But many a farmer feeds himself regardless of digestion and nutrition. He might almost as well eat shavings for all the good he gets out of his food. The result is that the stomach grows "weak," the action of the organs of digestion and nutrition are impaired and the man suffers the miseries of dyspepsia and the agonies of nervousness. To strengthen the stomach, restore the activity of the organs of digestion and nutrition and nourish the nerves, use Dr. Pierce's Golden Medical Discovery. It is an unfailing remedy, and has the confidence of physicians as well as the praise of thousands healed by its use. In the strictest sense "Golden Medical Discovery" is a temperance medicine. It contains neither intoxicants nor narcotics, and is as free from alcohol as from opium, cocaine and other dangerous drugs. Don't let a dealer delude you for his own profit. There is no medicine for stomach and blood "just as good" as "Golden Medical Discovery."

"I can say to you, one bottle of your 'Golden Medical Discovery' has cured me sound and well, after suffering two long years with stomach disease," writes W. H. Brasswell, of McAdenville, Gaston Co., N. C. "My health is worth all the world to me. I will praise you as long as I live."
