The meeting had been advertised hardly forty-eight hours yet there were three hundred people present, who gave the speaker very close and respectful attention for two and one-half hours. In his keenest vein of satire the speaker devoted his attention to Mr. Goebel's record, the Louisville Convention and Election Law. There will also be a number of side shows and r tents on the cross town streets at the Main street intersection.

The indications are that the Street Fair will be a glorious success and will attract large crowds to Paris.

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centered and made of purest material, set in frames of the highest elasticity and consequently of greatest durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for their perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy Imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge. Satisfaction guaranteed or money refunded.
