Be Careful

No woman can be too careful of her condition during the period before her little ones are born. Neglect or improper treatment then endangers her life and that of the child.

MOTHER'S FRIEND

is the one and the only preparation that is safe to use. It is a liniment that penetrates from the outside.

External applications are eternally right. Internal medicines are radically wrong. They are more than humbugs—they endanger life.

Mother's Friend helps the muscles to relax and expand naturally—relieves morning sickness—removes the cause of nervousness and headache—prevents hard and rising breasts—shortens labor and lessens the pains—and helps the patient to rapid recovery.

From a letter by a Shreveport, La., woman: "I have been using your wonderful remedy, Mother's Friend, for the last two months, and find it just as recommended."

Druggists sell it at \$1 per bottle.

Scrofula to Consumption.

Any one predisposed to Scrofula can never be healthy and vigorous. This taint in the blood naturally drifts into Consumption. Being such a deep-seated blood disease, Swift's Specific is the only known cure for Scrofula, because it is the only remedy which can reach the disease.

Scrofula appeared on the head of my little grandchild when only 18 months old. Shortly after breaking out it spread rapidly all over her body. The scabs on the sores would peel off on the slightest touch, and the odor that would arise made the atmosphere of the room sickening and unbearable.

The disease next attacked the eyes, and we feared she would lose her sight. Eminent physicians from the surrounding country were consulted, but could do nothing to relieve the little innocent, and gave it as their opinion that the case was hopeless and impossible to save the child's eyesight. It was then that we decided to try Swift's Specific. This medicine at once made a speedy and complete cure. She is now a young lady, and has never had a sign of the disease to return.

Mrs. RUTH BERKELEY, Salina, Kan.

Scrofula is an obstinate blood disease, and is beyond the reach of the average blood medicine. Swift's Specific

S.S.S. For the Blood

is the only remedy equal to such deep-seated diseases; it goes down to the very foundation and forces out every taint. It is purely vegetable, and is the only blood remedy guaranteed to contain no mercury, potash or other mineral substance whatever.

Mrs. Ashbrook's Candidacy.

As some of the Democratic voters of Bourbon seem to be laboring under a slight misapprehension regarding Mr. Allen M. Kiser's race (in my interest) for the office of Jailor, I take this method of addressing them. Mr. Jones, my former representative, resigned some time ago, and Mr. Kiser was appointed in his stead. The present race is to elect a Jailor to fill the unexpired term, which I feel is rightfully due me. I do not wish the office after my four year term is finished and will not be a candidate for it again. I believe that I deserve the election (in my representative, Mr. Kiser) to the unexpired term, and will be grateful to my friends for their support.

Very respectfully, MRS. RACHAEL ASHBROOK.

Auctioneer Forsyth's Engagements.

Nov. 9.—Mrs. Sallie S. Adair, farm, stock, crop and farming implements.
