Eld. Lloyd Darsie Welcomed.

Eld. Lloyd Darsie, the new pastor of the Paris Christian Church, preached two excellent sermons to large audiences Sunday morning and evening and evening and made a most favorable impression on his hearers. At the morning service Eld. J. S. Sweeney introduced his successor in a short address and bespoke a successful pastorate for him.

At the evening service Rev. Dr. Rutherford, of the Second Presbyterian Church, Rev. E. G. B. Mann, of the Methodist Church, and Rev. F. J. Cheek, of the First Presbyterian Church, participated in a union service, welcoming Elder Darsie. Rev. Cheek began the services with a scripture reading, and Rev. Mann offered a prayer, after which Rev. Dr. Rutherford made a beautiful address, paying a high compliment to Elder Sweeney, the retiring pastor, and bidding the new pastor welcome. Elder Darsie then delivered a fine sermon from the subject "What Think Ye of The Christ?"

Eld. Darsie has already made a number of friends, and will no doubt make a most successful pastor. Mrs. Darsie and her four children will arrive to-day or to-morrow to reside in the parsonage which has been greatly improved in the past few weeks.

New Paris Industry.

George W. Stuart, the enterprising coal and commission merchant, yesterday started up his new grass seed cleaning establishment, which is an exceptionally well appointed plant. The machinery was designed and built under the direction of Charles Bishop, the expert machinist, of this city, at a cost of about \$5,000. The plant does excellent work, and has the latest improvements.

This makes five grass seed establishments for Paris, the others being run by C. S. Brent & Bro., E. F. Spears & Sons, R. B. Hutchcraft and J. S. Wilson. With probably a single exception, these are the only grass cleaning establishments in the world.

Confederate Generals.

OF the five full Generals of the Confederate Army none survives. There were twenty-one Lieutenant Generals in the Confederate Army from first to last, and of these all were from the United States Army but four, namely, Richard Taylor, who was born in Louisville, Ky.; N. B. Forrest, Wade Hampton and John B. Gordon. Of them the following are living: James Longstreet, Stephen Lee, Early, S. B. Buckner, Joseph Wheeler, and A. P. Stewart, besides two of those not from the old United States Army mentioned above. All of these are expected at the Louisville Reunion May 30-June 3.

Goebel Monument Fund.

Mrs. J. M. Thomas, Mrs. T. E. Moore, Jr., and Mrs. W. L. Davis secured quite a good sum of money yesterday from court day visitors to add to the Bourbon contribution to the Goebel Monument Fund. The now have about \$130, not including the money collected by the sub-committees throughout the county. They hope to raise three hundred dollars.

The ladies composing the sub-committees and all other ladies interested, are requested to meet with Mrs. Thomas, Mrs. Davis and Mrs. Moore at two o'clock Saturday afternoon at Mrs. Davis' home.

Two Buggies Collide.

YESTERDAY afternoon while Mr. Hall and his sister, Mrs. Montague, were waiting in front of Frank & Co.'s store, a buggy driven by a stranger, was backed into the Hall buggy taking off two of its wheels. Courtland Lear, who was standing near, grabbed the bridle of the stranger's horse as the animal started to run, and had his head slightly cut by the stranger's buggy falling over against him. The excitement caused by the collision caused Mrs. Montague to have a nervous chill in Frank & Co.'s store shortly afterward.

If you cannot read this small print at a distance of 14 inches your eyesight is failing and should have immediate attention. Imperial spectacles and eyeglasses have perfect lenses, always perfectly centered and made of purest material, set in frames of the highest elasticity and consequently of greatest durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge.
