Finding our present quarters entirely too small for our business, we will move to the room recently used by the Bowling Alley, Court House Square, on and after Tuesday, May 1st. It is our aim to have the most complete Shoe Store in the City. We have added greatly to our present line, and feel justified in saying that any and all who will inspect our different lines will bear us out in our assertions.

The Real Danger

from heart disease is not the possibility of a sudden death, for they are comparatively few; but following in the wake of this dread disease comes a general breaking down of every organ of the body. Circulation is retarded; digestion is deranged; the blood is contaminated, the nerves weakened and the brain clouded. If your heart is affected begin at once to guard against these dangers. Dr. Miles' Heart Cure, has rescued thousands who were given up to die, and it will help you, too, if you try it. "For several years I was troubled with nervousness, sleepless, palpitation of the heart, short of breath, smothering spells and pain in chest, back, left side and arm. I was so very bad that I remained in my bed the whole of one summer. Was treated by three physicians, but derived no benefit. Finally I saw a paper advertising Dr. Miles' New Heart Cure and Restorative Nervine. I began their use and was so greatly benefited that I am now doing my own housework and enjoy excellent health." Mrs. BERTHA KURTZ, 906 20th St., Milwaukee, Wis. Dr. Miles' Heart Cure is sold at all druggists on a positive guarantee. Write for free advice and booklet to Dr. Miles Medical Co., Elkhart, Ind.
