THAT THREE DAYS FIGHT.

Engagement at Catubig Resulted in the Heaviest Loss of Life the Americans Have Sustained.

Washington, May 17.—The officials of the war department, after waiting for nearly a week to hear something from Gen. MacArthur at Manila, confirmatory of the press report of the bloody three days' engagement at Catubig, which resulted in the heaviest loss of life the American army has sustained in any one engagement in the Philippines, Tuesday cabled Gen. MacArthur a request for information. The answer was received Wednesday, confirming the press reports and adding some interesting details. Gen. MacArthur transmitted a report from Henry T. Allen, a major of the 43d volunteers, who commanded the United States forces on the island of Samar. It appears that this force was divided among several ports on Samar, and while details are still lacking, it is believed that this particular force, which was besieged at Catubig, was commanded, not by a commissioned officer, but by a sergeant, either George or Hall, both of whom were killed. Catubig, where the engagement occurred, is a seaport town of nearly 10,000 inhabitants. Gen. MacArthur's cablegram is as follows:

Manila, May 16.—With reference to your telegram of 14th: The rumored engagement in Samar reported cablegram of Gen. Otis, May 14, has been confirmed by reports recently received from Henry T. Allen, 43d regiment, U. S. V. infantry, commanding near Samar island. That detachment of 31 men stationed at Catubig were attacked April 15 by 600 men, with 200 rifles and one cannon. Our men quartered in convent, which was fired next day by burning hemp thrown from adjoining church. Detachment attempted to escape by river. Men getting into boat were killed; remaining men entrenched themselves near river and held out two days longer, facing most adverse circumstances, until rescued by Lieut. Sweeney and ten men. Over 200 of attacking party (many of them reported having come from Luzon island) reported killed and many wounded. Lieut. Sweeney reports streets covered with dead insurgents.

GERMANY'S COMMERCE.

In All Commodities, Except Precious Metals, Last Year, It Amounted to \$2,186,744,000.

Washington, May 17.—Germany's commerce with the world in all commodities, except the precious metals, amounted last year to \$2,186,744,000, according to a report to the state department, from Acting consul J. F. Monaghan, at Chemnitz. Her imports the same year amounted to \$1,236,886,000; exports, \$949,858,000. The most pronounced decrease in imports in the last few years has been in wheat and rye, on account of the gain in her production. The importation of Indian corn (maize) has shown a decided increase, advancing from \$20,230,000 worth in 1897, to \$31,654,000 last year. The figures show German trade as generally increasing annually. Some lines of trade have suffered a setback, sugar exports having fallen from \$54,502,000 in 1897, to \$45,695,000 in 1899.

PRISONERS EXCHANGED.

Investigation Reveals Mismanagement of the Bilibid Prison at Manila, Island of Luzon.

Washington, May 17.—It appears from late mail advices from Manila that the prison officials of Bilibid prison at Manila are under investigation on a charge of exchanging and releasing prisoners and receiving bribes. Bilibid prison, the largest in the orient, contains thousands of prisoners. The Americans were obliged to continue Alcalde Benito and other officials in charge because they themselves knew nothing of the prison methods or of the Filipino language. It is alleged that prisoners were freely exchanged; that natives with money were allowed to employ substitutes, and that various forms of corruption existed.

Will Renew the Campaign.

Hong Kong, May 17.—The Filipino junta here declares that organized war will begin in the Philippines at the opening of the rainy season. Aguinaldo is said to have 20,000 men ready to begin the campaign. The junta seems to have plenty of money, and it claims to have possession of the islands outside of armed posts of the American army.

Will Visit the United States.

Chicago, May 17.—President Julius R. Roca, of the Argentine republic, will visit the United States incognito. Senator Jose Faer, who is in Chicago on his way to Los Angeles, says that President Roca's intention is to study the American people and their customs with a view to showing the Argentine mode of living after the American fashion.

Compromise Effected.

Topeka, Mich., May 17.—A compromise was effected with the Arcadian miners who struck Monday for what was practically a 20 per cent. increase in wages. They were offered a raise of \$4 per month and accepted. Work in the mine has been resumed.

Will Retry Roberts.

Salt Lake, Utah, May 17.—County Attorney Putnam decided to retry B. H. Roberts on the charge of unlawful cohabitation Tuesday, the 20th inst. Judge Norrell ordered that the case be set down for the date named.

CHICAGO HOTEL BURNED.

Two Persons Killed, One Missing and Fifteen Injured—Many Daring Rescues and Narrow Escapes.

Chicago, May 17.—Two persons were killed, one is missing and 15 were injured in a fire which early Wednesday morning destroyed the Hotel Helene, at 110 to 114 Fifty-third street. Five of the injured will probably die.

The loss to the building and furnishings were \$40,000. The destruction of the hotel was replete with daring rescues and narrow escapes, in which James McNeil, the porter, earned himself the title of hero. He was the first to warn the sleeping occupants of their danger. He carried Helen Joseph down a swaying ladder from the third floor, and then, amid the cheers of the on-lookers, returned to the second floor where a woman was laying unconscious, her clothing on fire. He carried her to the window and dropped her into the arms of Policeman Wolf. The effort and the heat were too much for McNeil, and he staggered back into the smoke. The people below thought he was lost. A policeman mounted the shoulders of a brother officer, and clambering over the window ledge, caught McNeil by the foot and dragged him from the room. McNeil was passed down to the ground and soon recovered consciousness.

The rescue of a woman and her baby aroused the enthusiasm of the crowds. Mrs. Bruce, with one arm around her infant child, was clinging with the other arm to the ledge of a second-story window. Smoke was pouring out in smothering clouds and Mrs. Bruce seemed on the point of falling. Her fingers were relaxing when suddenly three policemen, carrying a blanket held taut among them, rushed into the flames, which were then darting from the basement windows, just in time to catch the woman and her child in safety. Mrs. Bruce was badly burned, but had succeeded in protecting her baby, so that not one hair of its head had been burned.

INCOMPETENCY CHARGED

A Father Enjoins His Forty-Year-Old Son From Marrying a Widow With Four Children.

Milwaukee, Wis., May 17.—Judge Perless, of the probate court, issued a temporary injunction restraining Henry Monson, jr., and Minna Olson from being married. The injunction was issued on petition of the father of the groom. He alleges that his son, who is 40 years of age, is incompetent, and that he is about to marry a widow with four children. The father prays that both be restrained from entering into the ceremony. A marriage license had been issued to the couple and all arrangements had been made for the wedding. The case will be argued June 5, so that if the injunction is made permanent the wedding can not take place.

Succeeded in Killing Her Child.

Philadelphia, May 17.—During a period of despondency Mrs. Lizzie Blakeley, aged 32 years, of 125 North Tenth street, attempted to take her own life and that of her 2-year-old child, but succeeded only in ending the earthly career of the little one. The mother filled a bath tub with water and in it tried to drown herself and child. When the deed was discovered the child was dead and the woman unconscious. The latter was quickly sent to a hospital and revived.

House Bill Vetoed.

Washington, May 17.—The president sent to the house his veto of a bill for the relief of Wm. L. Orr. The bill was for service as assistant engineer in the navy from September, 1863, to March, 1865. The president says the records of the navy show that Orr never performed this service. He was appointed, but the appointment never reached him, nor did he accept. The president suggests that in case of doubt a proviso be added to the bill saying that it shall be paid in case of satisfactory proof being made to the secretary of the treasury.

Half a Million Dollar Fire.

St. Catharines, Ont., May 17.—Fire started Wednesday in the Canada Cycle & Motor Co.'s establishment, and spread to the Welland Vale Co.'s works, and before the flames were subdued, both plants were complete wrecks. The loss will amount to nearly half a million dollars, partially covered by insurance. Over 500 men are thrown out of employment.

Missouri Republicans.

Kansas City, Mo., May 17.—The republican state convention nominated a state ticket, headed by Joseph Florey, of St. Louis, for governor, and the following delegates-at-large to the national convention at Philadelphia: D. M. Houser and D. P. Dyer, of St. Louis; James L. Minnis, of Carrollton, and C. G. Burton, of Nevada.

Kansas Instructs for McKinley.

Topeka, Kan., May 17.—The republican state convention here nominated W. E. Stanley, of Sedgewick county, for governor. The resolutions unqualifiedly indorse the national and state administrations and pledge the delegates to support McKinley.

Earthquakes in Mexico.

City of Mexico, May 17.—Two sharp shocks of earthquake were experienced here, both from east to west. The duration of the first was 40 seconds and the second 20 seconds. The shocks were also felt across Mexico.
