CHILDREN'S DAY was observed at the Baptist Church Sunday morning with beautiful exercises by well trained, happy children. The church was tastefully decorated with blooming flowers. There was a large crowd present to hear the program.

HARDING & RIEHM are selling pianos, one or two every day. The people seem to realize that the prices are right and their goods the best for the money. Never in the history of Paris has there been so many pianos sold in so short a time. It pays to go and see their goods. Opposite court house. They are open evenings until 9 p. m.

A defective fuse caused a small fire in the Summer kitchen at George Varden's home on High street Sunday morning, at 10:45. The roof and one of the walls of the building were burned and the contents of the kitchen were damaged. The fire department made a quick run and stopped the fire with the chemical engine. It was just two minutes from the time the key was stuck in alarm box 31 until the engine reached the fire.

For The Visitors.

Paris will be full of visitors this week—and in fact nearly all Summer. A pleasant diversion for them is a picnic encre, luncheon or fishing party or boating excursion up lovely Stoner. The launch "Kentucky" will take parties up and bring them back on schedule time.

Three parties have already arranged to go up this week on the "Kentucky" but other parties can be accommodated. The launch leaves the landing every hour for passenger trips.

Persons who have not made a trip on the launch have missed a delightful pleasure.

Police Court Paragraphs.

Lillie White, who is not white, was fined \$7.50 in Judge Webb's court for a breach of the peace.

Jim Sharp, colored, was assessed a like sum for imbibing noisy liquor.

Wm. Gibson was fined \$7.50 for being disorderly.

Money Redeemed.

ABOUT two weeks ago when the safe in Spears & Sons' uptown warehouse was blown open with dynamite by burglars, bills amounting to \$31 were torn into very small pieces. On June 11th the fragments were sent by Mr. Henry Spears, of the Agricultural Bank, to the Redemption office of the U. S. Treasury at Washington, and on Friday the officials sent \$31 to Mr. Spears to redeem the mutilated bills. A number of stamps mutilated by the same explosion have been sent to the Postoffice Department for redemption.

SMALLPOX STAMPED OUT.

County Judge Smith yesterday informed THE NEWS that the smallpox had been completely stamped out of Bourbon county.

All of the patients—except one—have been discharged from the pesthouse, and he is entirely well but is being kept the usual number of days before being discharged. The patients were given a medicated both and were fitted out with new clothing.

Dr. J. M. Purnell, the pest house physician, was yesterday relieved of duty, all of the patients being well. Dr. Purnell has done his duty faithfully and has made a splendid record.

The Board of Health did excellent work in stamping out the disease, and were rendered valuable assistance by Constable Joe Williams and J. T. Quisenberry.

Will the newspapers which did so much to exaggerate the smallpox situation here please mention that the disease has been completely stamped out of Bourbon County?

Bourbon's Grass Seed Crop.

THE harvest of the blue grass seed crop in Bourbon will be finished by Thursday or Friday. The yield in Bourbon this year is estimated at 150,000 bushels, and the seed is of fine quality. The market price yesterday was thirty cents per bushel. The rains of the past week retarded the harvest slightly.

Eld. J. S. Sweeney, of this city, is in charge of Rev. Dr. E. L. Powell's church, corner of Fourth and Walnut, in Louisville, during the pastor's vacation, which will continue a month. He preached to large audiences Sunday morning and evening.

Eld. Sweeney was interviewed Sunday by a reporter to whom he said: "The sermon this morning was the first I have preached since the early part of April. I have been suffering from the grip, and it takes hot weather to cure me of that."

HARDING & RIEHM will offer for sale next Thursday two pianos, one as good as new, for \$88, and one for \$66. Either of these pianos are worth \$150.

Runaway Accidents.

Ernest Shawhan, of the Paris Cash Shoe Store, was thrown from his buggy near Cynthiana Friday night while returning from the ball in that city. The breaking of a trace caused the horse to run away. Mr. Shawhan was only slightly hurt.

WHILE out driving their pony cart Sunday little Miss Katherine Davis and Master Joe W. Davis, Jr., children of Mr. J. W. Davis, were run into by a drunken negro. The children were thrown out and received painful bruises. There were a number of drunken negroes on the streets Sunday notwithstanding the saloons were closed.

PARKER & JAMES.
Y. M. B. O. D.

If you cannot read this small print at a distance of 14 inches your eyesight is failing and should have immediate attention:

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centered and made of purest material, set in frames of the highest elasticity and consequently of greater durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy Imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge. Satisfaction guaranteed or money refunded.

Next visit—Thursday, June 28, 1900. Hello, 170.
