

Be Careful

No woman can be too careful of her condition during the period before her little ones are born. Neglect or improper treatment then endangers her life and that of the child. It lies with her whether she shall suffer unnecessarily, or whether the ordeal shall be made comparatively easy. She had better do nothing than do something wrong.

MOTHER'S FRIEND

It is the one and the only preparation that is safe to use. It is a liniment that penetrates from the outside. External applications are eternally right. Internal medicines are radically wrong. They are more than humbugs—they endanger life.

Mother's Friend helps the muscles to relax and expand naturally—relieves morning sickness—removes the cause of nervousness and headache—prevents hard and rising breasts—shortens labor and lessens the pains—and helps the patient to rapid recovery.

From a letter by a Shreveport, La., woman: "I have been using your wonderful remedy, Mother's Friend, for the last two months, and find it just as recommended."

Druggists sell it at \$1 per bottle.

Counterfeiters of DeWitt's Witch Hazel Salve couldn't sell their worthless salves on their merits, so they put them in boxes and wrappers like DeWitt's. Look out for them. Take only DeWitt's Witch Hazel Salve. It cures piles and all skin diseases. W. T. Brooks.

Does It Pay To Buy Cheap.

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boschee's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try ONE bottle. In India, the land of famine, thousands die because they cannot obtain food. In America, the land of plenty men suffer and die because they cannot digest what you eat. It instantly relieves and radically cures all stomach troubles. W. T. Brooks.

Chinese are dangerous enemies, for they are treacherous. That's why all counterfeiters of DeWitt's witch Hazel Salves are dangerous. They look like DeWitt's but instead of the all healing Witch Hazel they all contain ingredients liable to irritate the skin and cause blood poisoning. For piles, injuries and skin diseases use the original and genuine DeWitt's witch Hazel Salve. W. T. Brooks.

Skin Diseases

When the excretory organs fail to carry off the waste material from the system, there is an abnormal accumulation of effete matter which poisons and clogs the blood, and it becomes sour and acid. This poison is carried through the general circulation to all parts of the body, and upon reaching the skin surface there is a redness and eruption, and by certain peculiarities we recognize Eczema, Tetter, Acne, Salt Rheum, Erysipelas, and many other skin troubles, more or less severe. While the skin is the seat of irritation, the real disease is in the blood. Medicated lotions and powders may allay the itching and burning, but never cure, no matter how long and faithfully continued, and the condition is often aggravated and skin permanently injured by their use.

The disease is more than skin deep; the entire circulation is poisoned.

The many preparations of arsenic, mercury, potash, etc., not only do not cure skin diseases, but soon ruin the digestion and break down the constitution. S. S. S., nature's own remedy, made of roots, herbs and barks, of great purifying and tonical properties, quickly and effectually cures blood and skin troubles, because it goes direct to the root of the disease and stimulates and restores normal, healthy action to the different organs, cleanses and enriches the blood, and thus relieves the system of all poisonous secretions. S. S. S. cures permanently because it leaves none of the original poison to reform in the blood and cause a fresh attack.

Healthy blood is necessary to preserve that clear, smooth skin and beautiful complexion so much desired by all. S. S. S. can be relied upon with certainty to keep the blood in perfect order. It has been curing blood and skin diseases for half a century; no other medicine can show such a record. S. S. S. contains no poisonous minerals—is purely vegetable and harmless. Our medical department is in charge of physicians of large experience in treating blood and skin diseases, who will take pleasure in aiding by their advice and direction all who desire it. Write fully and freely about your case; your letters are held in strictest confidence. We make no charge whatever for this service. Our book on Blood and Skin Diseases will be sent free upon application. THE SWIFT SPECIFIC COMPANY, ATLANTA, GA.

Question Answered.

Yes August Flower still has the largest sale of any medicine in the civilized world. Your mothers, and grandmothers, never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Sold by dealers in all civilized countries. oct-27-1y
