CAN YOU GUESS.

Here's a Chance to Make Ten Dollars Easy.

All You Have to Do Is to Pick the Winners in the Coming Primary.

Just for the interest attached to a guessing contest and to put a little more interest into the coming campaign for County officers, THE NEWS will give its readers a chance to make ten dollars and have a little fun at guessing on the side.

To the person making the first nearest correct guess of the winners in the Democratic Primary Election which will be held in this county on Saturday, June 1st, 1901, THE NEWS will present a ten dollar gold piece.

The conditions of the contest are simple. Old subscribers and new subscribers who pay \$2 on their subscriptions will each be entitled to a guess, and as many guesses as they pay for their subscription.

You intend to pay your subscription anyway, and you may as well pay before the first day of June and have a chance of getting your money back, besides gaining the distinction of knowing more about the political situation than your neighbors.

Look Out for the Spanish Itch.

Do you find an irresistible desire to scratch your face? If so you had better look out, for you may be getting the wide-spread Spanish Itch. It is a very annoying and troublesome disease gradually making its way Westward that for a better name is called Spanish Itch, and for a better blame is charged up to the soldiers who served in Cuba and in the Philippines.

How It is Done.

The first object in life with the American people is to "get rich," the second, how to retain good health. The first can be obtained by energy, honesty and saving; the second (good health) by using Green's August Flower.

If people only knew what it would be to have Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulency, sour stomach, waterbrash, caused by indigestion or dyspepsia.
