Matrimonial.

FOLEY-COMNELL

At the Catholic Church in this city on last Sunday morning, Dr. Philip N. Foley was united in marriage to Miss Helen Connell, the ceremony being performed by Rev. E. A. Burke.

The announcement of the marriage of this popular young couple will be in the nature of a surprise to their host of friends in Paris and throughout the State. It would be hard to find in Paris two young people with more friends than Phil Foley and Miss Connell, or "Babe," as she is lovingly called by her friends and acquaintances. Both being possessed of amiable disposition, with them to make an acquaintance is to make a friend.

Dr. Foley is a son of Mr. and Mrs. Richard Foley, of Danville, Ky. He received his education at the University of Notre Dame, near Chicago, and is a graduate of dental surgery from the Cincinnati College of Dental Surgery. Since his three years' residence in Paris he has built up a most lucrative practice.

During his college days Dr Foley was considered one of the best athletes at Notre Dame. A pleasant incident of the wedding was that on Sunday was the twenty-seventh anniversary of the marriage of Dr. Foley's parents.

Miss Connell is the daughter of Mr. and Mrs. Nicholas Connell, of this city, and is one of Paris' most charming and handsome young ladies. She has just celebrated her 21 birthday, Dr. Foley being five years her senior. It will be quite a disappointment to her many friends, as well as those of Dr. Foley, that they were not allowed to be present at the nuptial ceremonies, the only persons present being the witnesses, Dr. Wm. Kenney and wife, and two sisters of the bride.

The happy young couple left on the 10:55 a. m. train just after the ceremony, for a brief wedding trip, after which they will return and take board with Dr. and Mrs. Kenney at their residence on Eighth street. The News joins, with every one in Paris, in wishing Dr. and Mrs. Foley a long and happy married life.

On Sunday night, at the Windsor Hotel in this city, Mr. B. F. Tabb and Miss Kittie Ragland, of Winehester, were married, the ceremony being performed by Rev. G. W. Argabrite, of the Baptist Church.

The wedding day for Senator J. C. S. Blackburn and Mrs. Mary E. Blackburn, of Washington City, has been set for December 10. It will be witnessed by the relatives of the couple only. After a visit to New York he and his bride will return to the Capitol to live.

The steamship "Kilpatrick," which sailed from San Francisco, Cal., on Friday, Nov. 1st, bound for Manila, had on board Mr. Sam T. Neely, formerly of this city, who was en-route to the Philippines. When near Honolulu, the ship was said to be pounding on the reefs, on account of a reckless anchorage being made, and for a time, fears were entertained as to its safety, but fortunately the ship arrived safely at her dock and proceeded on her way.

Rev. Iri R. Hicks Is Not Dead.

Notwithstanding a widely current rumor that the Rev. Iri R. Hicks was dead, he never was in better health, and never did a harder and more successful year's work than that just closing. He has just completed his large and splendid Almanac for 1902 and, with his staff of able helpers, has brought his journal, Word and Works, justly forward into international reputation. For a quarter of a century Mr. Hicks has grown in reputation and usefulness as the people's astronomer, and forecaster of storms and the character of coming seasons. Never were his weather forecasts so sought after as now, his timely warning of a serious drought this year having saved the people from loss and suffering. Millions of bushels of wheat were harvested through his advice to plant crops that would mature early. The American people will certainly stand by Prof. Hicks, when it costs them so little and the benefits are so great. His fine Almanac of 300 pages is only 25c, and his splendid family journal is only one dollar a year, including the Almanac. Send to Word and Works Pub. Co., 2201 Locust street, St. Louis, Mo.

The farm of Mr. J. W. Henry, nine miles of Carlisle, in Bourbon county, has been quarantened, as a result of an investigation in reference to sheep scabies, by the State Board of Health.

The Harrodsburg, (Ky.) Democrat says: It will be bad news to the average editor to learn that the Central Passenger Association makes the official announcement that passes will be abolished January 1. What will Col. Craddock do then, poor man?

COMMENCING last Sunday, train No. 5 leaves Cincinnati, at 7:30 p. m., instead of 7:55, as heretofore, and arrives at Paris at 9:45, instead of 10:10.
