"I had a bad cough for six weeks and could find no relief until I tried Ayer's Cherry Pectoral. Only one-fourth of the bottle cured me."

L. Hawn, Newington, Ont.

Neglected colds always lead to something serious. They run into chronic bronchitis, pneumonia, asthma, or consumption. Don't wait, but take Ayer's Cherry Pectoral just as soon as your cough begins. A few doses will cure you then.

Beware of Ointments for Catarrh That Contain Mercury,

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Kentucky's Young Men.

"A Convention of Men to Consider Problems in Men's Lives," aptly characterizes the forthcoming Twenty-first Annual State Convention of the Young Men's Christian Associations of Kentucky, to be held at Paducah, February 20, 21, 22 and 23. The Convention will be addressed by men who are in touch with the problems that confront young men and boys of the present age. Among the well-known speakers, secured by the State Executive Committee are: Capt. Richard Pearson Hobson, U. S. N., Washington, D. C., Mr. John C. Wellington, Vice-President Illinois Central R. R., Chicago; Mr. L. Wilbur, General Secretary, Chicago; Messrs. Robert Weidensaul, Don O. Shelton and C. L. Gates, Secretaries International Committee, New York; Mr. A. M. Bruner, Railroad Secretary, Illinois; Rev. W. E. Biederwolf, Indiana; President E. S. Alderman, D. D. Bethel College, Russellville; Mr. Chas. C. Stoll, Louisville, and others prominent in religious, educational and commercial circles in the State. The singing will be an inspiring feature of the Convention, in charge of Mr. Harry L. Maxwell, Indiana, assisted by a male chorus of twenty voices from the Henderson Association.

The Convention will lay chief emphasis upon religious life and work. The religious condition of young men will be carefully studied. There will be a thorough study under skilled leadership of the methods of work which can most appropriately be used in the meeting of these conditions. There will also be special consideration of the 250,000 young men in the State, in small towns country districts, and of methods of reaching them. Conferences of delegates from the city, student, railroad, and county work departments will be held. The various railroads in the State have granted a special rate of one fare for round trip for all who attend, and the citizens of Paducah cordially offer entertainment to all accredited delegates and corresponding delegates.

Large delegations of representative men from the Associations of the State will be in attendance. In addition, young men (members of evangelical churches) from any city, town or railroad centre in Kentucky, without a Young Men's Christian Association, will be cordially welcomed and entertained as corresponding delegates, provided application for credential is sent to the State Secretary by February 15.

Further particulars, detailed program, credentials, etc., may be obtained by addressing Henry E. Rosevear, State Secretary, 4th and Broadway, Louisville, Ky.

Frank Treadwell Bennett, Ia., was troubled with kidney disease for two years. He writes: "I had taken several kinds of kidney remedies, but with little benefit. Finally I tried Foley's Kidney Cure and a one dollar bottle cured me."

"My little boy took the croup one night and soon grew so bad you could hear him breathe all over the house," says F. D. Reynolds, Mansfield, Ohio. "We feared he would die, but a few doses of One Minute Cough Cure quickly relieved him and he went to sleep. That's the last we heard of the croup. Now isn't a cough cure like that valuable?" One Minute Cough Cure is absolutely safe and acts immediately. For coughs, colds, croup, grip, bronchitis and all other throat and lung troubles it is a certain cure. Very pleasant to take. Poison Oak Poison Ivy

are among the best known of the many dangerous wild plants and shrubs. To touch or handle them quickly produces swelling and inflammation with intense itching and burning of the skin. The eruption soon disappears, the sufferer hopes forever; but almost as soon as the little blisters and pustules appeared the poison had reached the blood, and will break out at regular intervals and each time in a more aggravated form. This poison will loiter in the system for years, and every atom of it must be forced out of the blood before you can expect a perfect, permanent cure.

SSS Nature's Antidote FOR Nature's Poisons,

is the only cure for Poison Oak, Poison Ivy, and all noxious plants. It is composed exclusively of roots and herbs. Now is the time to get the poison out of your system, as delay makes your condition worse. Don't experiment longer with salves, washes and soaps—they never cure.

Mr. S. M. Marshall, bookkeeper of the Atlanta (Ga.) Gas Light Co., was poisoned with Poison Oak. He took Sulphur Arsenic and various other drugs and applied externally numerous lotions and salves with no benefit. At times the swelling and inflammation was so severe he was unable to get out of bed. For eight years the poison would break out every season. His condition was much improved after taking one bottle of S. S. S., and a few bottles cleared his blood of the poison, and all evidences of the disease disappeared.

People are often poisoned without knowing when or how. Explain your case fully to our physicians, and they will cheerfully give such information and advice as you require, without charge, and we will send at the same time an interesting book on Blood and Skin Diseases.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you full history of my case, to be used at your discretion.

About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment of catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would decrease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and 10 days after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain

Very truly yours,
