BRIEF NEWS ITEMS.

THE WEATHER.

Forecast till 8 p. m. to-day: Fair weather is predicted.

WHEN things go right they smile with joy. And all the credit's claimed. When things go wrong they shake their heads. And Providence is blamed.

FOR SALE.—A good second-hand typewriter. Apply at this office. 29a4t Elks' May Music Festival, May 9th.

THE COOK GROCERY Co., is paying 15 cents for Eggs

WOOL WANTED.—Will pay the highest market price.

E. F. SPEARS & SONS

DEAD DOG.—The fox terrier, "Tobe," belonging to Dr. W. C. Ussery, was poisoned and died last week.

TRY our "Crown Coffee." Something fine. Only 10c a pound, at the COOK GROCERY Co.

SPARKLING.—Try a glass of Sparkling Cherry Cobbler at C. B. Mitchell's. It'll fix you right. (30apr-tf)

SMALL CROWD.—There was a very small crowd in town yesterday, County Court day. The farmers are all quite busy just now.

SIMPLICITY and economy go hand in hand in a Gas Range.

WILL SOON CLOSE.—The time is near when the schools will close for the heated term, and as a consequence, the small boy will be happy.

FEVER.—In the last few days we have observed that many persons have been afflicted with severe cases of Spring fever. They will all probably recover.

DR. C. H. BOWEN will be at A. J. Winters & Co.'s, Wednesday from 3:30 p. m. to 5:30 p. m.

SPARROWS.—The English sparrows have about driven the martins away. Now, if we could just get something that would drive the sparrows away.

WANTED.—A good, gentle horse for a lady to drive. Must be gentle. About 15 or 15½ hands high, and of good action. Apply at this office.

"WHERE are you going, my pretty maid?" "I'm going to Charley Mitchell's, sir," she said. "What for my pretty maid?" "To get a glass of soda, sir," she said.

BRICK CLEANING.—The hands engaged in cleaning the bricks from the old court house, receive fifty cents a thousand for their work. Each man cleans about 2,000 bricks per day.

WILL MEET HERE.—The State Federation of Clubs will meet in Paris on June 10 to 12. A very large crowd of delegates from over the State will be here, and it will be a memorable meeting.

PRIZE CONTEST.—The News will offer a prize of a Limburger Cheese Sandwich to the person guessing the nearest number of bricks in the old court-house. The person making the next nearest guess will be given a trip to Talbot's station. All children over 90 years of age will be barred from the contest.

VERY QUEER IDEAS.—Some people think a Gas Range is a kind of "side issue"—a luxury to be used for heating water once in a while, or something of the sort. Don't get that idea into your head. A Gas Range will do anything that a coal range will do, Summer or Winter, and do it better and easier.

ALL BOSH.—The Lexington Democrat, says: "Owing to a disagreement between County Judge Smith, of Bourbon county, and the Fiscal Court of that county, as to where the interurban line between Paris and Lexington shall run, work on this line has been abandoned for the last three or four weeks. It is said that Judge Smith favors the route surveyed through North Middletown, since he has property on that line."

Judge Smith informs us that the above information is all bosh, and that he has nothing to do with the work not being done.

LOOK OUT FOR THEM.—An exchange, says: "There are a number of grocery salesmen working in different parts of the State and their mode of operating seems to be this way: They offer to sell sugar at 3 cents and coffee at 8 cents on three months time. Then they sell at exorbitant cash prices light groceries like raisins, grapes, peaches, etc. When the goods arrive they are delivered with the exception of the cheap groceries, which the salesman explains, had to be shipped by freight. The light groceries are of poor quality, and the cheap 'time' groceries never come."

Davis, who wish The News to announce that the Festival will begin at 8:20 p. m., and they earnestly request the audience to assemble promptly, as no one arriving during the progress of a number will be seated until that number has been finished. This rule, which will be strictly observed, was made for the comfort and pleasure of the audience already seated, and that the people on the stage may not be disturbed in their work.

The Festival is the result of many weeks of hard practice and drill, and its artistic and financial success is assured.

Sale of seats begins at Borland's, Wednesday, May 7, at 9 a. m. A few of the many delightful numbers on the program are:

CHURCH CHIMES.

Sunday was foreign mission day in the Christian churches.

The State Convention of the King's Daughters will be held in Lexington to-morrow.

Elder Dorris, of Georgetown, has accepted a call to preach every Sunday afternoon at Newtown.

At a meeting held by the congregation of the Baptist church in this city on last Sunday, they decided to sell their church property and get another location on which to build.

Dr. E. H. Rutherford will leave next Monday for Jackson, Miss., where he goes as a Commissioner to the General Assembly from Ebenezer Presbytery of the Southern Presbyterian church. Mrs. Rutherford will accompany him as far as Holly Springs, where she will visit her nieces, the Misses Craft.

Arrangements are being made for the holding of the Episcopal diocesan convention for Kentucky in Henderson on May 11, 12 and 13. Bishop Thomas U. Dudley, of Louisville, will preside. Besides some 50 or 75 ministers, there will be present a number of lay delegates, including members of the Woman's Auxiliary.

Yesterday in the Catholic church calendar was the day dedicated to the honor of St. Pius V., pope in 1572. In Japan it is a holiday known as the "feast of the banners," in honor of male children. From the houses of families with boys a bamboo pole is elevated and attached to it is a figure of a fish made of paper, one for each boy. The form is that of the carp, which in Japan is a symbol of health and long life. This paper is inflated by the wind and wiggles and writes with a curiously life-like motion.

To-morrow is dedicated in the Catholic church calendar to St. John of Beverly. He was archbishop of York and founded a college at Beverly for the training of priests. He was a noted saint to the North of England, and his name was used as a battle cry by the people in the early wars with the Scots.
