Daily in Spite of Them-
selves.

No Noxious Doses. No Weaken-
ing of the Nerves. A Pleas-
ant and Positive Cure for
the Liquor Habit.

It is now generally known and under-
stood that Drunkenness is a disease and
not weakness. A body filled with poi-
son, and nerves completely shattered by
periodical or constant use of intoxi-
cating liquors, requires an antidote
capable of neutralizing and eradicating
this poison, and destroying the craving
for intoxicants. Sufferers may now
cure themselves at home without pub-
licity or loss of time from business by
this wonderful "HOME GOLD CURE"
which has been perfected after many
years of close study and treatment of
inebriates. The faithful use according
to directions of this wonderful discovery
is positively guaranteed to cure the
most obstinate case, no matter how hard
a drinker. Our records show the mar-
velous transformation of thousands of
Drunkards into sober, industrious and
upright men.

**WIVES CURE YOUR HUSBANDS!
CHILDREN CURE YOUR FATHERS!**
This remedy is in no sense a nostrum
but a specific for this disease only, and
is so skillfully devised and prepared that
it is thoroughly soluble and pleasant to
taste, so that it can be given in a cup
of tea or coffee without the knowledge
of the person taking it. Thousands of
Drunkards have cured themselves with
this priceless remedy, and as many more
have been cured and made temperate
men by having the "CURE" adminis-
tered by loving friends and relatives
without their knowledge in coffee or
tea, and believe today that they discon-
tinued drinking of their own free will.
DO NOT WAIT. Do not be deluded
by apparent and misleading "improve-
ment." Drive out the disease at once
and for all time. The "HOME GOLD
CURE" is sold at the extremely low

ADM. SAMPSON DEAD.

Severe Cerebral Hemorrhage the
Cause of Death.

Among the Pallbearers Will be Some
of the Captains Who Were With
the North Atlantic Squadron
in the War With Cuba.

Washington, May 7.—Rr. Adm. Wil-
liam T. Sampson, retired, died at his
home in this city at 5 o'clock Tuesday
afternoon. The immediate cause of
death was a severe cerebral hemor-
rhage. He had been in a semi-con-
scious state for several days and Tues-
day forenoon suffered a severe cere-
bral hemorrhage. At the bedside when
the admiral breathed his last was Mrs.
Sampson, Mrs. Lieut. Kluyers, the ad-
miral's married daughter, Adm. Samp-
son's two young sons, Ralph and Har-
old Sampson, Dr. Dixon, the attending
physician, and nurses and attendants.

Mrs. Sampson has broken down un-
der the severe strain, and was quite
ill all during the day. But for the
critical condition of the admiral, she
would have been confined to her bed.
While definite arrangements have
as yet not been made concerning the
funeral ceremonies, it is probable that
they will take place Thursday at the Church
of the Covenant in this city.

A number of telegrams and mes-
sages of condolence already have been
received at the house, among them
one from Secretary Moody.

Washington, May 8.—Arrangements
for the funeral of the late Adm. Samp-
son are being completed and the inter-
ment will probably be made in Arling-
ton cemetery. If consistent with the
wishes of Mrs. Sampson, the funeral
will be military in character, all the
honors due the rank of a rear admiral
being accorded the dead navy officer.
Friday will probably be the day se-
lected for the final rites. Services
over the body will be held at the late
residence, conducted by Rev. Tunis S.
Hamlin, pastor of the Church of the
Covenant, which the admiral and his
family attended. If Arlington is se-
lected as the final resting place of the
body, the military feature of the fun-
eral will be imposing, the escort be-
ing only exceeded by that which ac-
companied the remains of Gen. Lawton
to the National cemetery, and of the
late President McKinley, during the
stay of the body in the capitol.

The pallbearers have not yet been
selected. It is understood that as
many as are available of the ship cap-
tains who were with the North At-
lantic squadron in the West Indian
campaign will serve. Rr. Adms. Tay-
lor and Higginson and Capts. Chad-
wick, Clark and Cook are among the
officers mentioned in this connection.

Secretary Moody will invite the
members of the cabinet to attend the
funeral and it is probable that Presi-
dent Roosevelt, who was a warm
friend of the admiral, will be present.
Secretary Moody also will invite the
members of congress and the justices
of the supreme court to attend.

ARCHBISHOP CORRIGAN DEAD.

His Death Came as a Great Surprise
and Shock.

New York, May 6.—Archbishop Cor-
rigan died at 11:05 o'clock Monday
night.

The death of the archbishop came
as a great surprise and shock to those
in the archepiscopal residence. It
was more so to the general public, for
so certain were the physicians of im-
provement in the condition of the pa-
tient there would be no more bulle-
tins Monday night. Up to 10:30 there
was no evidence of collapse; in fact,
the archbishop at 10:40 talked with
his secretary.

About 11 o'clock, however, the trained
nurses who had charge at the bed-
side noticed a change. According to
instructions, the physicians were tele-
phoned for.

At the same time the archbishop's
two brothers were summoned to the
room, as well as a number of priests.
It was quickly seen by the physicians
that the end was at hand, and in less
than a quarter of an hour his grace
was dead. His last moments were
peaceful and without evidence of suf-
fering.

Besides the two brothers of the arch-
bishop, there were present in the
room a dozen priests, among them Pa-
ther Lavelle, rector of the cathedral;
the Mexican bishop, Rev. Dr. Star-
rante, Italian secretary to the arch-
bishop, and Father Curley, his Eng-
lish secretary.

New York, May 8.—It is estimated
that 20,000 persons viewed the re-
mains of Archbishop Corrigan in the
cathedral Wednesday night. More
than 25,000 crowded the church be-
tween 11 in the morning and 5 in the
evening.

A death mask of Archbishop Corri-
gan will be taken after the funeral
Friday by Jos. Sibbel, a well-known
sculptor.

Army Appropriation Bill.
Washington, May 7.—The senate
committee on military affairs Tuesday
completed the army appropriation bill.
Increases recommended by the com-
mittee bring the total appropriation
made by the bill up to about \$100,-
000,000.

Caricatures of the Irish Race.
New Haven, Ct., May 7.—An orga-
nized effort is being made by Irish so-
cieties to discountenance caricatures
of the Irish race on the stage and in
the papers, says the national society
of the Ancient Order of Hibernians.

FIFTY-SEVENTH CONGRESS.

Washington, May 1.—Senators—Agu-
inaldo was the special subject of dis-
cussion in the Senate Thursday. As
soon as the Philippine government
bill was taken up Mr. Carmack (Tenn.)
resumed his criticism of the Philip-
pine committee because of its refusal
to call Aguinaldo and other Filipinos
as witnesses.

House—The house gave most of the
day to the District of Columbia ap-
propriation bill, which was not com-
pleted. Mr. Shattuck (O.) spoke on in-
dustrial conditions, and Mr. Gaines
(Tenn.) in criticism of conditions in
the Philippines.

Washington, May 3.—Senate—A
lively debate was precipitated in the
senate by Mr. Pritchard (N. C.) by
some remarks he made on political
methods in North Carolina, in the
course of a discussion of the Philip-
pine bill. The Rosebud Indian reser-
vation bill and the sundry civil bill
were again considered but not com-
pleted.

House—The house passed the anti-
conspiracy bill reported from the ju-
diciary committee without a word of
debate. It came up rather unexpect-
edly and Mr. Littlefield (Me.), who
had filed a minority report on the bill
and had intended to offer some amend-
ments, came in just as it was put up
on its passage, and the vote was taken
before he understood what was going
on. The bill is as follows: That no
agreement, combination or con-
tract by or between two or more per-
sons to do or procure to be done or not
to do, or to procure to be done, any
act in contemplation or furtherance
of any trade dispute between employ-
ers and employees in the District
of Columbia or in any territory of the
United States, or between employers
and employees who may be engaged in
trade or commerce between the several
states, or between any territory and
another, or between any territory or
territories or any state or states or
the District of Columbia, or with for-
eign nations, or between the District
of Columbia and any state or states or
foreign nations shall be deemed crim-
inal, nor shall those engaged therein
be indictable or otherwise punishable
for the crime of conspiracy, as such
act committed by one person would
not be punishable as a crime, nor shall
such agreement, combination or con-
tract be considered as in constraint of
trade or commerce, nor shall any re-
straining order or injunction be issued
with relation thereto. Nothing in this
act shall exempt from punishment,
otherwise than as herein accepted,
any persons guilty of conspiracy, for
which punishment is now provided by
any act of congress, but such act of
congress shall, as to the agreements,
combinations and contracts herein be-
fore referred to, be construed as if
this act were therein contained.

Washington, May 6.—Senate—In
vindication of the American policy
in the Philippines, Mr. Lodge (Mass.),
chairman of the Philippine commit-
tee, addressed the senate Monday.
Long before he began to speak the gal-
leries were thronged with people and
the attendance on the floor of the sen-
ate was unusually large. Mrs. Cowles,
the president's sister, was an inter-
ested auditor. His review of the sit-
uation in the islands and of the utter-
ances of the minority in criticism of
the conditions there was notably in-
teresting, forceful and effective. Both
the sundry civil appropriation bill and
the bill for the purchase of the Rose-
bud Indian reservation were passed.

House—The house met and adjourned
soon after being informed of the
death of Congressman Otey, of Vir-
ginia.

Washington, May 7.—Senate—For
almost four hours Tuesday a fierce dis-
cussion of the Philippine situation
raged in the senate. It was started
by Mr. Beveridge (Ind.), who made
some sharp strictures on the members
of the opposition because, as he said,
they persisted in telling in their
speeches only one side of the story.
While he admitted that some outrages
had been committed by American sol-
diers in the Philippines, it was true,
too, that unparalleled kindness had
been shown by the American troops to
Filipino prisoners and Filipino wound-
ed. Food and medicine, he said, had
been shared with them; and they had
been succored on the battlefield and
cared for tenderly in the hospital.

Washington, May 8.—Senate—Dis-
cussion of the Philippine bill in the
senate took a sensational turn again
Wednesday. Mr. McComas (Md.), re-
ferring to the alleged cruelties of Amer-
ican soldiers in the Philippines—
cruelties which he deeply deplored—
told of the cruelties which had oc-
curred on both sides during the civil
war. Neither side, he held, was to
be responsible for those regrettable
occurrences, as neither side approved
of them.

House—The house began consider-
ation of the bill to enable the people
of Oklahoma, Arizona and New Mex-
ico to form constitutions and state
governments and was admitted into
the union on an equal footing with the
original states. Representative Knox
(Mass.), chairman of the committee
on territories, and Mr. Rodey, the de-
legate from Mexico, made extended
speeches in support of the bill. Mr.
McRae (Ark.), while favoring the
admission of the three territories, gave
notice of a amendment to consoli-
date Oklahoma and Indian territory
and admit them as a single state. The
house adopted the conference report
on the Indian appropriation bill. A
vigorous but unsuccessful fight was
made on the senate amendment to
open up the Uintah Indian reservation
in Utah.

Treasury Statement.
Washington, May 7.—Tuesday's
statement of the treasury balances in
the general fund, exclusive of the
\$150,000,000 gold reserve in the divi-
sion of redemption, shows: Available
cash balance, \$176,161,099; gold, \$95,-

Gen. Pearson Threatens.
Washington, May 7.—Boer leader
Gen. Pearson criticizes the failure of
the administration to act on the Port
Chalmette (La.) matter, and says that
if the president does not act he will
take matters into his own hands.

4th dam by Pilot, Jr., sire of dams of Maud S., 2:08 3-4, Jay-Eye-See 2:06 1-4, etc. WIGGINS is a very handsome horse, with the best feet and legs I ever saw. He was a very high-class race horse. He won five straight races at 2 years old without losing a heat, defeating all the cracks of the year 1895. He trotted the last end of a mile, over a slow track, in 1:15 1-2, and could have gone faster. While it is saying a great deal, I assert that he is siring as much and as uniform speed as any stallion in Kentucky standing at any price. He had only four colts as old as 3 years last season. Bessie Brown (was second at 2 years in 2:30 1-2) trotted a 3/4 track in 2:15. Edna Earl, same track, in 2:23 1-2, half in 1:08. Rena Wise took a 3-year-old record of 2:21 1/2, and Black Arthur trotted in 2:26 to cart. Wigwag, a 2-year-old, trotted a 3/4 track in 2:28 1/2 on 15th of June, and was sold for \$2,500. A yearling filly scarcely bridle-wise, trotted a mile to cart in 2:37 1/2. They all trot.
