Wanted.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of Indigestion, Dyspepsia, and Liver Trouble that has not been cured—and we also mean their results, such as sour stomach, fermentation of food, habitual constiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact any trouble connected with the stomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try a 25 cent bottle first. We have never known of its failing. If so, something more serious is the matter with you. The 25 cent size has just been introduced this year. Regular size 75 cents.

Caution!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Pleural and Lung troubles without losing its great popularity all these years, you will be thankful we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25 cent size has just been introduced this year. Regular size 75 cents.—W. T. Brooks. 1jly-04

THE POSTAL CASES.

Seven Indictments Returned, Involving Six Persons.

Voluminous Evidence Was Laid Before the Grand Jury as the Result of the Inquiry Which Commenced Last March.

Washington, Sept. 9.—After deliberating for several weeks over a mass of documents submitted by the post office inspectors the federal grand jury in this city Tuesday returned seven indictments in postal cases, involving six different persons. All the indictments were kept off the public record and both the officials of the district attorney's office and of the post office department refused to discuss names or details of the indictments until the parties indicted are arrested. The identity of the indicted individuals thus far was left a matter of conjecture. It is expected that arrests will occur Wednesday and that the post office department will have some announcement to make during the forenoon. The grand jury's action probably marks the beginning of the end of the investigations that has been in progress since the middle of last March. Voluminous evidence has been laid before the grand jury as the result of the inquiry and while the present report of the jury disposes of most of the cases, there yet remains several cases to be passed upon. When the latter are disposed of, according to Postmaster General Payne, the investigation so far as the work at Washington is concerned, will be at an end for all practical purposes. Several of the persons indicted Tuesday live outside of Washington. They will be arrested as soon as bench warrants can be served.

Leopold Stern, the Baltimore contractor, who disappeared from Baltimore before he could be arrested on an indictment returned July 31 last, was located at Toronto and the long delayed surrender of George W. Beavers, the former head of the salary and allowance division, to the New York authorities, took place. The postal officials have been searching for Stern ever since he disappeared and finally received word from the Canadian authorities that he is in Toronto. They expressed considerable vexation at the premature publication of his whereabouts on account of the problem of extradition that now confronts the government, and the possibility of his making good his escape, now that the information has become public in advance of the readiness of the authorities to effect his arrest. Beavers' arrest created no surprise, for the government all along has kept advised of his whereabouts despite reports to the contrary.

Toronto, Ont., Sept. 9.—Mr. Stern declined to be seen when a reporter called at his home Tuesday. He referred all callers to his attorney. Mr. Stern's lawyer said that his client was ready to appear before an extradition judge and prove his innocence, which is interpreted as a declaration that extradition proceedings will be fought to the end. He will not leave the city, the attorney said, and if an extradition warrant is secured, Mr. Stern will at once leave for Washington.

M'KINLEY MONUMENT.

President invited to Attend the Unveiling on Antietam Battlefield.

Oyster Bay, N. Y., Sept. 9.—Maj. Joseph D. Cunningham, of Harrison county, Ohio, called on the president Tuesday to invite him to attend on October 13 the unveiling of a monument erected to the memory of the late President McKinley on the battlefield of Antietam. The monument is located on the spot where Maj. McKinley stopped to eat his supper on the night following the great battle.

President Roosevelt was unable Tuesday to give a definite answer to the invitation, but promised Maj. Cunningham to let him know within a few days.

NEW CANAL TREATY.

The Stipulations in the Bill Now Before the Colombian Senate.

Bogota, Saturday, Sept. 5.—The bill which congress is now discussing authorizing President Marroquin to negotiate a new Panama canal treaty with the United States contains the following stipulations.

The perpetual use of the canal zone is granted provided that at the expiration of each hundred years the United States shall pay during the succeeding hundred years 25 per cent. more premium and rental than for the preceding term, the premium beginning at \$400,000 and the rental at \$400.

The mixed tribunals in the canal zone shall try suits between foreigners or between Colombians and foreigners. The police and sanitary measures shall be practically in charge of the United States.

Twenty million dollars is fixed as the price of the concession besides the rental (sum?) of \$10,000,000 payable by the canal company in consideration of Colombia's approval of the transfer of shares.

The railroad shall in 64 years revert to Colombia, but the United States may buy it under a valuation.

A term shall be fixed within which the canal must be begun, and finished.

The contract shall provide for a means to settle differences which may arise between the governments during the construction and execution of the contract.

KILLING OF COCKRILL.

Curtis Jett Will Be Placed on Trial Next Monday.

Cynthiana, Ky., Sept. 9.—When the case against Curtis Jett for the murder of Town Marshal Jim Cockrill, of Jackson, was called here Tuesday, the commonwealth answered ready, but asked a continuance of a day. None of the outside attorneys for the defense had arrived.

When Jett was brought in Attorney Blanton, for the defense, filed a demurrer, asking that the indictment be quashed. Commonwealth's Attorney Byrd objected to the demurrer, and asked that the case be tried at this term of court.

Judge Osborne overruled the special demurrer, and Attorney Blanton then filed affidavits supporting his motion to have the indictment quashed on the ground that this court had no jurisdiction to try the case, as the defendant had been tried and convicted at a special term of the court.

Judge Osborne did not think the grounds in the affidavit were sufficient for a postponement, and said the case would have to be tried at this term. He set it for next Monday, and ordered a special venire of jurymen from Robertson, Nicholas and Pendleton counties.

UNITED IRISH LEAGUE.

A Resolution Adopted Welcoming the Irish Land Bill.

A resolution was adopted welcoming the Irish land bill as the most substantial victory gained by the Irish people for centuries, and ascribing this result to loyalty of Chief Irish Secretary Wyndham, the high public spirit of the liberal party and the good will of the landlords. Other resolutions urged the tenants to negotiate the purchase of their holdings in a spirit of friendliness.

THE NATIONAL TROPHY

The New York Rifle Team Won the Prize.

New Jersey, Which Had the Second Highest Score in the Shoot, Will Receive the Hilton Trophy and \$300.

Sea Girt, N. J., Sept. 10.—The name of the first winner to be engraved on the national rifle shooting trophy, provided by the congress of the United States, will be that of New York in a spirited competition in progress two full days the New York team of 12 uniformed men captured the trophy handsly, finishing with a lead of 86 points over its nearest competitor, New Jersey. New York's total was 2,988 out of a possible 3,600. In addition to the national trophy, valued at \$1,000, which will be held by the winning team only one year, the New York team won a cash prize of \$500.

New Jersey, which scored the second highest aggregate total of 2,902, receives the Hilton trophy, to be held one year, and \$300.

Massachusetts was third, with a total of 2,888, and will carry home the "Soldier of Marathon" trophy, to be held one year, and \$200.

The District of Columbia, fourth, with a total of 2,873, receives \$150; Ohio, fifth, with a total of 2,788, receives \$100, and the United States marine corps, sixth, with a total of 2,772, receives \$50.

A medal will also be presented to each of the 12 members of each of the six winning teams.

Massachusetts entered a protest against New Jersey, asserting that Hudson, of New Jersey, was a regularly enlisted member of the Ninth New York regiment. Maj. Guilfoyle, executive officer, held that the protest must be passed on by the board appointed by the secretary of war.

Not once during the day did the sun show itself through the leaden clouds. Although overcoats were worn generally and the air was damp, the conditions for firing were fairly good.

The national trophy match will be shot next year in the middle west, probably at St. Louis.

By far the best work of Tuesday was that of Private Wilson, of the Georgia team. He was the last man to shoot and in almost total darkness succeeded in attaining a total of 42 out of a possible 50 at 800 yards. Dardinger, of New York, and Mr. Smith and Lieut. Benedict, of Ohio, each succeeded in scoring 49 out of a possible 50 at 500 yards. The cavalry team of the army is using the service carbine and therefore under the rules received an allowance of 12 points at 600 yards. The teams' actual score was 412, but the allowance raised it to 424.

From all accounts it is believed that Mrs. Cordes, who was 24 years old, jumped into the river, carrying her child with her.

FAMILY BOOKKEEPING.

One Husband Who Discourages His Better Half in Trying to Keep Accounts.

Most persons know so many competent business women that it will not do to take too seriously the popular slander that the better half of the race cannot master the principles of banking. Still there is occasionally a joke of this kind good enough to stand with apologies, and a recent one from the Chicago Post will not be taken amiss.

"My account book," she said, proudly, "showed that I had eight dollars and fifteen cents more than I really did have, so I felt at liberty to spend the excess."

"But there wasn't any excess!" he protested.

"Oh, yes, there was!" she replied. "The book showed it."

"If you didn't have the money," he urged, "it was a shortage."

"Certainly not," she returned. "It was right there on the book—eight dollars and fifteen cents more than I had, and when the balance was so much bigger than it should be, I felt free to spend the money."

"If you had more money in your purse than the book showed," he suggested, "what then?"

"I should have spent it," she answered. "Either way, it's all the same."

Now he is trying to get her to give up keeping accounts.

An Old Soldier's Experience.

Dennard, Ark., Sept. 7th.—Mr. E. J. Hicks, merchant of this place, has written for publication, an account of a personal experience, which is very interesting.

"I am an old Federal Soldier," writes Mr. Hicks, "and shortly after the close of the war I was taken sick. I had aches and pains all over me, fluttering of the heart and stomach trouble. I just simply was never a moment without pain. I could not sleep at night, and I was always tired and fearfully weak."

"I took medicine all the time, but for a long time I was more dead than alive. Altogether I suffered for over twenty years, and I believe I would have been suffering yet, or in my grave, if I had not read of Dodd's Kidney Pills."

"I got an Almanac, which told me of this remedy, and I bought some of it. I started with three pills a day, but increased the dose to six pills a day. I did not use many, till my pains began to disappear. I kept on, and now I can sleep and eat as well as ever I could, and I feel like a new man, with no pains or aches left."

"I will always recommend Dodd's Kidney Pills, for they are a wonderful remedy."
