FOR JUDGE OF COURT OF APPEALS.

TO THE VOTERS OF THE FIFTH APPELLATE COURT OF KENTUCKY:—I am a candidate for Judge of the Court of Appeals from this District, subject to the action of the Democratic party. As Circuit Judge, it became my duty to try a number of criminal cases, which have become a part of the State's history and at a most critical time. As Judge of the State Fiscal Court, it fell to my lot to construe the Statutes adopted, to put in force the provisions of the new Constitution, as well as to construe the present Constitution whenever a controversy arose as to its proper construction. Almost innumerable cases have burdened the dockets of my court, touching the rights of corporations and the exercise of franchise under law. How well I have discharged my duties under such trying circumstances, is left to you to determine.

I will be very grateful to all who feel they can assist me to secure the high position and office to which I aspire.

Very respectfully,
JAMES E. CANTRILL.

AMUSEMENTS.

AMELIA BINGHAM AT THE LEXINGTON OPERA HOUSE.

—Miss Amelia Bingham in "Olympie" is presenting an entirely different kind of a play from those with which her fame has been chiefly associated since her advent as a star. It is a semi-historical romantic drama, much of the same kind that Sardou so cunningly fashioned for Fanny Davenport, and gives Miss Bingham a chance to display her emotional powers at their best. The play is a story of the picturesque and interesting period of the fifteenth Louis of France and shows beautiful stage pictures and charming gowns, powdered wigs, and the loves and intrigues of the most brilliant of courts. Miss Bingham's supporting company is Mr. Creston Clark who is very favorably remembered in this section where he formerly appeared as a star, Edgar L. Davenport, Harry Woodruff and 30 others.

LIVE STOCK, CROP, ETC.

—Fletcher Mann, of this city, purchased last week a car load of good mules at Lancaster.

—In Montgomery, Asa Setters bought 30 tons of baled hay from Will Bramblett at \$14 per ton.

—Mr. I. S. Tevis, of Boyle, sold to a Rockville, Ind., syndicate a 3-year-old jack for \$900.

—A total of 3,991,507 hogheads of tobacco have been sold on the Louisville market since 1850. Sales since 1896 total \$40,000,000.

—A. J. Hitch sold 135 hds. common and medium Harrison county tobacco at the People's House, Louisville, at an average of \$8.15.

—C. J. Graves, Jr., sold to F. D. Vories, of Shelby county, his farm of 114 acres located six miles from Lexington on the DeLong pike, at \$100 per acre.

—Senator J. W. Bailey, of Texas, bought the Thomas Shelby farm, three miles from Lexington on the Versailles pike, containing 46½ acres for \$9,180.

—Acolyte 2:21, the son of Onward 2:25½, for whom S. S. Coxey once paid Col. R. P. Pepper \$40,000, sold at auction in Philadelphia recently for \$400. He is twenty years of age and has sixteen in the 2:30 list.

—Brice Steele's good race mare, Mary Molloy, foaled a white face and stockings colt by Pink Coat. Mr. Steele has sold the foal to Mr. Hal Woodford for \$900, and is now wishing some friend would give him a good kicking, as the colt could easily be sold for \$1,000.

—Ed. Downing, of Lexington, who raised a crop of tobacco under cover of canvas last season, is expecting to raise another crop under canvas this year. He had two acres under canvas which, when cut and dried, weighed 4,246 pounds, which he sold at 11.82 cents, netting him \$501.88, or \$250.94 an acre.

—In Woodford, W. H. Sudduth bought a lot of corn from J. T. Wilhoit at \$3.25 a bbl. Corn in small quantities has been selling in the country at \$3.50. J. M. Searcy sold to Isham Bailey & Co. 20,000 lbs. of hemp at \$5 per 112 lbs. Z. T. Sellers sold 19 hds. of tobacco in Louisville last week at \$13.75 to \$6.40, an average of \$9.93.

—Lady Yeiser, the famous broodmare and dam of the ex-queen of the pacing turf, Lottie Lorraine, 2:05½, and Don Cozine, 2:10, and Don Pizarro, three-year-old record 2:14, and seven others with records better than 2:30, is dead at Cecilian Park, near Danville, at the advanced age of twenty-two years. She was one of the greatest broodmares in the country, and her death will be keenly felt in the trotting world.

—Here is what the trusts are doing: Within the last eighteen months there has been a shrinkage of value in cattle, hogs, sheep and other live stock interests in the United States to the enormous total of \$850,000,000. The sum is so astounding that it may seem incredible to the general public, and yet these figures are not exaggerated. A decline of \$3.50 per hundred pounds in the price of beef cattle means the loss of \$35 to the owner of a 1,000 pound steer. On swine the decline has not been quite so heavy, and yet it has amounted to from \$3 to \$6 per hog.

STYLISH AND BEAUTIFUL.—The most stylish and beautiful line of Millinery ever brought to this section of the country will be seen at the display at Mrs. Corne Watson Baird's on Saturday, April 2. She has secured the services of the most experienced an up-to-date trimmer that money could employ, and when you leave your order for a hat or bonnet to be trimmed you may depend on getting it on the time set. Don't fail to take a look at her stock.

CURES WITHOUT STOMACH DOSING.

Hyomei Cures Catarrh by Simple Breathing. Clarke & Co. Refund Money if it Fails to Cure.

A long stride toward solving the mystery of curing catarrh was taken with the discovery of Hyomei. In fact the percentage of cures by this treatment proves its equal to the final tests.

The folly of taking medicine into the stomach to cure catarrh of the nose, throat and lungs, has been realized by the physicians, but not until Hyomei was known, had they a practical method that would obviate stomach dosing.

A complete Hyomei outfit costs but \$1 consists of a neat pocket inhaler, that can be used anywhere without attracting attention, a medicine dropper and a bottle of Hyomei.

Breathing Hyomei through the inhaler, every particle of air that enters the nose, throat and lungs is charged with a healing balsam that soothes and allays all irritation, kills the catarrhal germs and enriches the blood with additional ozone.

Clarke & Co. have so much faith in the power of Hyomei to cure catarrh, that they are selling it under their personal guarantee to refund them money if it does give positive relief.

During odd moments when not engaged in his duties as a "plain clothes" detective Patrolman Robert H. Hibbard, of New York city, found time to study law with such success that he retired from the force recently and will at once take up the practice of his profession. Hibbard is an LL. B., having completed courses in the New York university law school and the New York Law school. He was admitted to the bar in July, after serving eight years as a policeman.

Mercury-Vapor Lamps.

Mercury-vapor lamps produce a light, as is well known, that is greenish blue in color, and which produces an unpleasant effect, not inaptly described as "ghastly," on the faces of persons illuminated by it. This is because the spectrum of the light has no red in it. It has been proposed to add a red reflector or globe to correct this, but the experiment shows that the light is not changed in color, but obstructed.

When It Is Ready to Bake.

Bread is ready for the oven if, when touched with the finger, the dough springs back, leaving no dent. The old theory that bread must be kneaded stiff with flour in order to be good is not altogether reliable. It is much easier to work if mixed soft, rises quicker and is just as delicious as if made the old way.

Preocious Children.

John Stuart Mill was studying Greek at three, had practically mastered the language at seven, and a year later was acting as schoolmaster to his younger brothers and sisters. John Ruskin actually produced a manuscript work in three volumes before he reached his seventh birthday.

Speed.

I found the motorman an intelligent and courteous fellow. "Would you like to drive a car at the rate of a hundred miles an hour?" I asked. "Not unless I were passing people who were signalling me to stop," he replied. —Detroit Free Press
