COSTS NOTHING UNLESS CURED.

A Fair Offer Made by Clarke & Co. to All Sufferers from Catarrh.

Clarke & Co. are selling Hyomei on a plan that has caused considerable talk amongst their customers.

The plan is different from that followed by other remedies, but the remedy itself is different also. This treatment for the cure of catarrh has such an unusual record of cures to its credit that Clarke & Co. offer to refund the money if it does not give the desired benefit. This is certainly one of the fairest offers that can be made and any one who has catarrh and does not take advantage of it is doing himself of herself an injustice.

Do not suffer any longer with tickling, smarting, burning, eye-watering troubles that afflict those who have catarrh. Hyomei will cure you, but if you should not find it adapted to your case, Clarke & Co. will return your money.

LIME.—Now is the time of year to do your whitewashing and remember there is no lime superior to the White Rock. It is pure white and there is no waste to it. We sell it both in barrels and bulk.
