Great Benefit Game Sunday.

The most interesting game of baseball played here this season will be played Sunday afternoon at Bacon's Park. It will be Paris Regulars vs. Paris Blues. There is much rivalry between these two teams and this game is to settle forever the question as to which is the best team. The gate receipts go to the winning club to buy new uniforms.

Business Transferred To Son.

Mr. Jos. A. Wilson, the Main Street druggist, has transferred his drug business to his son, Mr. James B. Wilson, and will now devote his time to his farming interests and to his wholesale liquor trade. He will still make the store his headquarters.

Mr. James B. Wilson has been clerking for his father ever since quitting school and understands thoroughly everything pertaining to the drug business to the very minutiae. He is polite and affable and we predict for him the success that his father has enjoyed for years and that he will sustain the reputation of this old reliable drug house.

Nothing Doing.

There has been nothing doing in the Court House mix up since our last issue. It seems that everybody interested in sub-contracts, etc., has representatives here on the ground to see what is going to happen. Charles F. Wood, head representative of the United States Fidelity and Guarantee Company, surety for Gibson & Crawford, is here, but says he cannot make a move until the County acts. The three days given to them to turn the job over to the County expired last night. They have never let up for a minute in their work, and we surmise that they will go to work as usual this morning. The Fiscal Court is called to meet at nine o'clock and if Gibson & Crawford are still at work, then something will be doing, for they will be stopped for a certainty. Then the legal battle begins, but we cannot say when it will end. The best we can do for you this morning is to say we will have a new Court House for our dear people in the "Sweet bye and bye"

SPECIAL SALE CONTINUED.—We have decided to continue our special sale for several days longer, in order to entirely clean up our stock to make room for Fall and Winter shoes. If you want shoes at a bargain, call now.

The Hibernian Picnic.

The picnic given by the Ancient Order of Hibernians, yesterday, in the beautiful woodland of Clarence Wright, three miles south of Paris, was a grand success financially and otherwise. About fifteen hundred people were present and all seemed to enjoy themselves. Dancing was indulged in by the younger people and everyone did ample justice to the sumptuous feast spread by the ladies. The candidates were there in force, and in a contest by them in a 50 yard race for a box of Stoner cigars, T. E. Moore won. The auction was conducted by Col. A. T. Forsyth and everything brought good prices. All in all the Hibernians can be congratulated on giving the banner picnic.

Headquarters for School Supplies.

MRS. W. A. JOHNSON.

Tried To Beat The Interurban.

Mr. John Mackey, Adams Express Messenger on L. & N., was here yesterday to take in the Hibernian picnic, and on returning to town in a buggy he concluded to run a race with the interurban car. His horse ran away and on turning into the cemetery gate threw Mr. Mackey violently against the pavement, his head striking the curb. He received a deep cut above the eye and severely bruised on one shoulder and knee. Davis' ambulance made a fast run to the scene of the accident in answer to a hurry call. The young man was brought to Dr. Wm. Kenney's office, where his wounds were dressed, and then taken to his home on Vine street.

ATTENTION, LADIES!—Attention is called to the large advertisement on page 8 of Harry Simon's Mill-End Sale, which commences on the 8th and lasts until the 20th. This sale has been a success, and many bargains are left.

Fine Bourbon County STOCK FARM FOR SALE.

As Administrator of G. G. White, deceased, and agent for his heirs, I will, at 11:30 o'clock a. m. on

Monday, September 5, 1904,

offer at public sale, in front of the Court-House in Paris, Ky., the fine Bourbon County farm known as the Gilt Edge Stock Farm, the property of the late G. G. White, situate on the Paris & North Middletown Turnpike, near the City limits of Paris, and containing 547 1/2 acres of land.

This is a No. 1 Bourbon County farm. It is all under cultivation except about 150 acres of virgin soil, which is heavily set in bluegrass, making splendid grazing and is unexcelled for tobacco. Plenty of stock water in driest season. Has benefit of creek boundary, but no creek included in survey. No part of farm overflows. Creek line furnishes unfailing stock water and saves fencing.

The farm residence is one of the best in Bourbon County, being a large 2 1/2 story brick house, colonial in style, with front veranda supported by massive columns which rise to the eaves of the house. Rooms and halls spacious and well lighted. Cellars large, light and dry. Interior finish largely in hardwood.

Two first-class cisterns at residence, and all necessary outhouses. Splendid stock barn with large number of box stalls, and good training track. Paddocks with good stallion stables adjoining barn, and an inexhaustible artesian well at the barn door. Everything in fact for a first-class stock farm.

ALSO, A GOOD TWO-STORY FRAME RESIDENCE

of 6 rooms and front and back porches. The Paris Distillery Company has for years past paid \$300.00 per year for privilege of pumping water from Stoner Creek, and \$300.00 per year for depositing offal from cattle pens in the natural basins near the Distillery. The purchaser can probably continue these privileges—either or both—indefinitely, adding \$600.00 to annual income from the farm.

This farm is well suited for the large handling of cattle because of proximity of distillery.

I will first offer the farm in two parts and then as a whole, reserving the right to accept or reject any bid.

Division No. 1 contains 271.93 acres, including the brick residence, stock barn, track, and all adjacent improvements, and fronts on the North Middletown pike and extends back to Stoner Creek, and is bounded on one side by G. W. Wyatt, and on other side by Division No. 2. This tract contains the natural basins in which the distillery deposits offal from cattle pens, paying \$300.00 annually for the privilege.

Division No. 2 contains 275.70 acres, bounded by the Distillery property on the North, by the Maysville railroad and Stoner Creek on the West, by Stoner Creek on the South, and by Division No. 1 and Stoner Creek on the East. The frame residence is on this tract, and the Distillery Company pays \$300.00 per annum for the privilege of pumping water over this tract from Stoner Creek—an income of \$300 per year without injury to the land.

The surveyor's field notes and plat of entire farm and of the above two Divisions may be seen at the Citizens Bank in Paris, Ky.

In event of the farm selling in the above two divisions the right to use the passway from Division No. 2 over the land of Mrs. Frank Pithian out to the Maysville pike, opposite the G. G. White Distillery, in East Paris, will be included in conveyance of Division No. 2.

Purchaser has privilege of seeding the coming Fall, and full possession given March 1, 1905.

TERMS.—One-third cash on March 1, 1905, when deed is made; one-third March 1, 1906; one-third March 1, 1907—deferred payments to bear 6 per cent. interest from March 1, 1905.

The purchaser will not be required to give security for the deferred payments but will be required to give security for the first payment due March 1, 1905, and his notes without surety for the deferred payments, to secure which a lien will be reserved in the deed.

Purchaser may pay more than one-third of the purchase money if preferred.

For further information call on or address the undersigned in Paris, Ky. W. M. MYALL, Adm'r of G. G. White, and Agent of His Heirs. A. T. FORSYTH, Auctioneer.
