

NOT A PATENT MEDICINE.

Hyomei, the Guaranteed Catarrh Cure, Prescribed By Physicians.

No one should confound Hyomei with the patent medicines that are advertised to cure catarrh. It is as far superior to them all as the diamond is more valuable than cheap glass.

Its base is the valuable eucalyptus oil, famous for its antiseptic qualities. This is combined with aromatic and healing gums and balsams, making a pure liquid, which when used in the pocket inhaler, fills the air you breathe with germ-killing, disease-destroying and healing powers that kills all catarrhal germs there may be in the throat nose and lungs.

How foolish it is to try and cure catarrh by swallowing tablets or liquids. The only natural way to cure this disease of the respiratory organs is to breathe Hyomei.

This treatment has been so successful curing 99 per cent of all who have used it, that Hyomei is now sold by Clarke & Co. under an absolute guarantee to refund the money. If it did not possess unusual powers to cure, it could not be sold upon this plan.

The complete Hyomei outfit costs \$1.00 and comprises an inhaler, a bottle of Hyomei and a dropper. The inhaler will last a lifetime; and additional bottles of Hyomei can be obtained for 50 cents.

A Touching Story.

Is the saving from death, of the baby girl of George A. Eyer, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for consumption, coughs and colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health."
