Cleared for Action.

When the body is cleared for action by Dr. King's New Life pills, you can tell it by the bloom of health on the cheeks, the brightness of the eyes, the firmness of the flesh and muscle, the buoyancy of the mind. Try them. At Oberdoifer's drug store, 25 cents.

THE SECRET OF SUCCESS

"No, Sir! You cannot palm off any substitutes on me. I've been using August Flower since I was a boy, and I'll have no other."

Forty million bottles of August Flower sold in the United States alone since its introduction! And the demand for it is still growing. Isn't that a fine showing of success? Don't it prove that August Flower has had unflinching success in the cure of indigestion and dyspepsia—the worst enemies of health and happiness? Does it not afford the best evidence that August Flower is a sure specific for all stomach and intestinal disorders?—that it is the best of all liver regulators? August Flower has a matchless record of over 35 years in curing the ailing millions of these distressing complaints. Two sizes, 25c and 75c. All druggists.

THE BOURBON NEWS.

SWIFT CHAMP, - EDITOR AND OWNER

FRIDAY, NOVEMBER 17, 1905.

A Good Advertiser.

[Muncie Star.]

A man in London wanted a job, and so he published the following advertisement:

"A hopelessly incompetent fool, with no qualifications, social or intellectual, totally devoid of knowledge on any conceivable subject, thoroughly indolent and untrustworthy, is desirous of obtaining a remunerative post in any capacity. Address I. F., 3 Maclise road, West Kensington."

The singularity of it attracted a great deal of attention, and several people set out to look the individual up. When they discovered him, they discovered he was a man of twenty-seven years, alert, intelligent, with an ordinary public school education. The result is that he has secured a good position with a responsible firm and he bids fair to rise in the world, all the result of advertising and of writing an ad. so that it would attract attention because it was so different from any other application for work that was ever written. The moral, therefore, of this tale, is that if you would succeed by advertising, write so that the notice would attract you if you were in search of help.

"Hard Luck Child" Finally Succumbs.

[Special From Vineland, N. J., to New York Tribune.]

Rosie Kennely, six years old, fell into a tub of water at her home here to-day and was drowned. Her death ended a long series of mishaps and sicknesses. She was known in the neighborhood in which she lived as the "hard luck child." Her first year of life was uneventful enough, but about the time she was a year old she came near dying while cutting her teeth. When she was two years old she had cholera infantum, and it was believed the attack would be fatal.

Just before she was three years old burglars entered the home of her parents. She was awakened and cried, and one of them bound a cloth across her mouth, so that she was almost smothered. When she was four years old she fell from a second-story window without being seriously harmed. The next year she fell into a well and escaped with bruises and a fright. She was six years old in August, and a few days later she fell into a wash-tub filled with water and almost drowned. It was in the same tub that she drowned to-day.

A Creeping Death.

Blood poison creeps up towards the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at Oberdorfer's drug store.

Hargis Will Contest.

Judge James Hargis has decided to institute proceedings contesting the election of his opponent on the ground of fraud, alleging that Mr. Taulbee, present County Clerk, failed to comply with the law in not delivering the ballots to the regularly appointed clerks of the election, and because the elections in a number of the Democratic precincts were not held at the regular voting places. It would be a pity to let them steal an election from Hargis and Callahan. Take your medicine like men and be good. Its your own make.
