The Best Guaranty of Merit Is Open Publicity.

Every bottle of Dr. Pierce's world-famed medicines leaving the great laboratory at Buffalo, N. Y., has printed upon its wrapper all the ingredients entering into its composition. This fact alone places Dr. Pierce's Family Medicines in a class all by themselves. They cannot be classed with patent or secret medicines because they are neither. This is why so many unprejudiced physicians prescribe them and recommend them to their patients. They know what they are composed of, and that the ingredients are those endorsed by the most eminent medical authorities.

The Golden Medical Discovery, Dr. Pierce's Great Stomach, Liver, and Bile Regulator, heart regulator and blood purifier, nor his "Favorite Prescription" for weak, overworked, broken-down, nervous women, contains any alcohol, also entitles them to a place all by themselves.

Many years ago, Dr. Pierce discovered that chemically pure glycerine, of proper strength, is a better solvent and preservative of the medicinal principles residing in our indigenous, or native, medicinal plants than is alcohol; and, furthermore, that it possesses valuable medicinal properties of its own, being demulcent, nutritive, antiseptic, and a most efficient antiferment.

Neither of the above medicines contains alcohol, or any harmful, habit-forming drug, as will be seen from a glance at the formula printed on each bottle wrapper. They are safe to use and potent to cure.

Not only do physicians prescribe the above, non-secret, medicines largely, but the most intelligent people employ them—people who would not think of using the ordinary patent, or secret medicines. Every ingredient entering into the composition of Dr. Pierce's medicines has the strongest kind of an endorsement from leading medical writers of the several schools of practice. No other medicines put up for like purposes have any such professional endorsement.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is "just as good." Easy to take as candy.

Meerschaum Mined.

Meerschaum, although the name means "sea foam," is not a marine product, but it is a soft, soap-like stone which is mined just as coal is mined. Asia Minor is the principal seat of the industry. In its crude state, meerschaum is yellow white in color, and a red clay coat or skin envelops the blocks taken from the mines. These blocks bring from \$25 to \$200 a car load. They are soft enough to cut with a knife. After being dried under the open sun in the summer, or in a warm room in winter, the blocks are sorted into different grades. They are wrapped into cotton and placed in cases for the market. The bulk of the product goes to Vienna, where the best pipe-makers are found.

An Ex-Bourbon Dead.

Mr. John G. Parrish, a well-known and worthy gentleman, died at his home in Georgetown on Wednesday night, in the 80th year of his age. He was born in Bourbon county, October 12, 1826. He was left an orphan at the age of seven years, when he was cared for by his oldest brother until he was thirteen years old, when he went to live with his uncle, Mr. E. H. Parrish, deceased, of Scott county. In 1848 he moved to Fayette county, where he remained until 1856, when he returned to Scott county and engaged in farming and stock raising. At one time he traded largely in mules. A year or more ago, on account of his age, and enfeebled health, he leased his handsome farm, on the Payne's Depot pike, and moved to Georgetown. He was three times married, and three times a widower. By his second marriage, Mr. Parrish has a surviving daughter, Mrs. E. P. Weathers, of Bourbon county. He was a member of the Baptist Church.

A ONE-DAY SENSATION

SPECIAL SALE OF
Grey Enameled Ware,
FOR
Wednesday, July 18th.

The Bargain Event of the Season.

On a recent buying trip to New York we met with exceptional good fortune. We heard of a big lot of Grey and White Enameled Ware that a jobber was wanting to sell for cash at a sum that averaged up less per piece than anything we have ever before heard of. We went and inspected the lot, found it even more desirable than we had expected, and quickly closed the deal.

The lot was shipped to us last week, and now we are ready to hold a sale that we know will appeal to every housewife reading these lines.

On Wednesday, July 18,

we shall hold a grand special One-Day Sale of this White and Grey Enameled Ware, at the lowest prices, at which ware of this kind was ever sold in this town, in this or any other store. We shall not ask over 10c for a single piece in the lot; and many of them we shall offer for much less than that.

Remember that the sale lasts but one day; and do not neglect to come and see for yourself just how much this opportunity means to every wise, shrewd bargain-seeker. We expect to sell every bit of this big lot on this one day, for never were grander bargains offered in this store. Space does not permit us to specify prices, but 10c is the very highest.

For One Day Only,

WEDNESDAY, JULY 18th.
