You can get THE TIMES and The Bourbon News Both One Year For Only \$6.00. Send your order to THE BOURBON NEWS, not THE TIMES. Read THE TIMES and keep up with the times.

What Puzled Her. A woman whose religious education had been received in the plain edifice erected by an unassuming New England congregation was persuaded, much against her will, to attend divine service in one of New York's most showy churches. She showed from the start that, notwithstanding her puritanical training, she was interested in the proceedings. She studied the elaborate ceremony, the architecture, the richly tinted windows and the altar decorations closely. By and by her eyes became fixed on the ceiling. Her friend wondered what particular feature of those lofty heights held her attention for so long a time. During a lull in the chanting of the choir she tried to find out. "Oh," said the New England woman in tones of infinite concern, "I was just wondering how on earth they get away up there to dust the rafters!" -New York Post.

What Is "All Wool?" I have met a county magnate, a wealthy man who would not be put off with anything but the best, if he knew it, clad in a handsome "homespun" suit, the delicate blue gray mixture of which I happened to know was produced by the judicious blending of old blue stockings, such as navvies wear with old white stockings. I have seen a "society" lady in a stylish "blanket tweed" motor coat, the composition of which I knew to be of such a nature that it might very easily owe its existence in part to the cast-off hosiery of her own sennery maid, collected from the ash bin. Even the judge trying a case of "misrepresentation of goods" may, as likely as not, be unconsciously sitting in somebody else's thrown-away rags that he has bought as "all wool." -A Woolen Manufacturer in Grand Magazine.

His Modest Claim. A claim for damages against a railroad company is so often a license for exorbitant charges that a simple bill, such as was received by an American railroad company many years ago, even apart from its humorous aspect, is refreshing. It ran as follows: The — and — Railroad company to John Smith. Dr. July 19, 1837.—To running your Locomotive into my wife; as per Doctor's bill for curing her \$10.00 To smashing ban box and spilling her hat 2.50 To upsetting my deer horn (wagon) and breaking it 35.79 To hurting me 6.00 \$53.29 There is authority for stating that the claim was paid immediately. — Scrap Book.

Her Chilly Retort. The late Dr. — of Malden, after pouring forth the story of his undying love in the most touching manner for over an hour to a young woman who he hoped would become his fourth wife, was refused the second time. He started for the door; but, looking around, he said in a most thunderous tone, "By heavens, you are the coldest woman I ever saw!" The young woman looked up and answered sweetly: "Oh, no, doctor; you have seen three colder than I!"—Boston Herald.

A Curious Notice. This curious official notice was once published in Germany: "At the request of Herr Wilhelm Leisner of Innsbruck the seaman, Johan Leisner, who was drowned in May, 1869, on a journey from Stockholm to Hamburg in the Kaiser Friedrich, is hereby called upon by the courts to appear and report himself on or before April 1, 1881, under pain of being declared dead."

Financial Note. Jerrold—Could you pay me that 10 shillings you owe me? I owe Johnson some money and want to pay him. Hobart—Well, I'll tell you what. You pay Johnson what you owe him, and then I'll borrow 10 shillings of Johnson and pay you.

Unjust. Fluffy Young Thing (at the play)—I believe this man in front of us is trying to hear what we're saying. Man In Front (turning around)—You do me an injustice, my dear young lady. I am trying not to hear it.—Chicago Tribune.

Familiar. Visitor—Will you tell your master that I called? Servant—Yes, sir, if you will please tell me your name. Visitor—That is unnecessary. He knows me quite well.—Wanderer.

If people resolutely do what is right, in time they come to like doing it.—Kuskin.

Dangers of Defective Plumbing! Defective plumbing permits the entrance into the house of sewer gas bearing germs of contagious disease to which the human system readily succumbs. Sewer gas is not necessarily generated in the sewer, but is frequently created in the plumbing system within the home and enters the apartments through defective fixtures. If in doubt consult us regarding the piping and repairing defective fixtures with "STANDARD" Porcelain Enamelled Ware, acknowledged as the best sanitary equipment. J. J. CONNELLY, Plumber. TELEPHONE 180.
