If you wish speed, beauty, size and substance, breed to the fine Electioneer-Mambrino Patchen Stallion, **KENTUCKY CHIMES 39071,**

Blood bay, 16 hands high, 5 years old. Sired by Chimes 5348, the best son of Electioneer and Beautiful Bells, and the world's greatest sire of extreme speed.

1st dam Queenie King, dam of The Queen 2:19 1/4, King Chimes 2:10 1/4, etc. Sired by Mambrino King 1279.

Kentucky Chimes is a horse of great beauty, speed, style, size and substance; a sensational high actor, and will sire high-class coach horses as well as trotters. It is a well-known fact that the Chimes-Mambrino King family of trotters have produced more 2:10 and 2:15 performers, also more champions on the race track and in the show ring, than any other family known to the trotting horse world; almost every world's record has been held at one time by members of this family, and to-day more world's records are held by them than any other trotting family.

## Forest Denmark 153.

This noted sire will make the season of 1908 at my home, on the Harrod's creek pike, 8 miles from Paris and 4 miles from North Middletown, at

\$20 to Insure a Living Colt.

DESCRIPTION.—Forest Denmark is a solid bay, 16 hands high, has great natural style; carries head and tail high, and is not second to any stallion in Kentucky as a getter of high-priced sabbie and harness horses.

He has always been at the head of the stud at Woodford's Stock Farm, Mt. Sterling, Kentucky. I was able to get him from the fact that my father's brood mares are nearly all by him.

Forest Denmark is the sire of the Chancellor that won sixteen blue ties, in 1906, also his mate The Cardinal, which team won, single and double, thirty-eight blue ties in 1907. He has sired three other geldings which sold at an average price of \$2,821.

The breeders of Bourbon county have never had, and probably never will have again, the opportunity to breed to the equal of Forest Denmark at \$20.

TERMS.—Money due as soon as colt comes, mare parted with or bred to another horse. Mares from a distance grazed at \$3 a month. Every precaution will be taken to prevent accidents or escapes, but will not be responsible for those that occur.

## WIGGINS

No. 33907

Two-year-old Record 2:19 1/4—Brown Horse, 15.3—A Colt Trotter and Sire of Colt Trotters.

SEASON 1908

The RIDGE STOCK FARM.

Fee \$50 The Season To Insure a Mare in Foal.

Sam'l Clay,

Paris, - - - Kentucky.

WIGGINS is a horse of attractive conformation, 15 3/4 hands high, full of quality, and with fine feet and legs. In disposition and manners he is perfect. His colts are uniformly good colors and inherit his bold, frictionless way of going. They are generally pure gaited and trot with light shoes and few boots. WIGGINS himself wore a 7-ounce shoe with no boots in front. He was foaled a trotter, and as a yearling trotted a mile over a three-quarter mile track in 2:33 1/4. He took his record when two years old and won five straight stake races and \$4,600 that season. Douglas Thomas, his trainer, says he could have trotted a mile over a good track in 2:12. His colts not only trot fast young, but sell for high prices. He was himself a bold finisher and his colts are like him in this respect. For an out-cross for in-bred mares you can't do better than to breed to WIGGINS, though he nicks well with mares of any breeding. No other stallion at the same age has ever accomplished more than WIGGINS. No other stallion of any age ever had three two-year-olds to beat 2:18 trotting in one year. No other stallion ever had seven trotters in 22.0 list at ten years.

## Bad Attack of Dysentery Cured.

He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. ## FEARED FOR NIECE'S FUTURE

Peculiar Bent of Child's Mind Dimayed Uncle.

"I hate to think it," grimly said Uncle Timrod Totter, "but I am mightily afraid my little 10-year-old niece, Luella, is going to cause a great deal of worry and unhappiness in the world when she grows up." "What makes ye think so?" asked old Squire Belcher, who had come over to borrow a whiffetree. "She seems to be a real nice, thoughtful, good-tempered child now." "Well," was the explanation, "that other day, our gray gander got tangled up in a discussion with the shepherd pup, and when the fracas was over there was scarcely a feather left on the fowl. And little Luella took and dyked him out in a pair of draw-pantalons—and a chim-slip, I mean—of white cloth sewed by her own fair hands. And, so-mehow, I can't help fearing that when she attains an appropriate age she will wear nose-glasses and several double-chins, and go crusading against all the common and important indelicacies that human flesh is heir to." —Exchange.

## Power of Imagination.

Illustrating the strange power of the imagination, E. F. Benson, author of "Dodo," tells this incident. A doctor he knew had found it necessary to give a patient for many evenings an injection of morphia to enable him to get some sleep. After a while the doctor thought it advisable to stop the morphia, and for two nights his patient was unable to sleep, owing to great pain. On the third night the doctor, being still unwilling to administer morphia, injected plain water instead. The man slept perfectly and awoke in the morning with what is known as a morphine mouth.

## Failed to Work.

"Yes," said the sad-eyed passenger, "I married the widow of a man who was hanged, and I thought, under the circumstances, I would be able to avoid odious comparisons in connection with the late lamented. But I was mistaken." "She praised him just the same, eh?" rejoined the hardware drummer. "Well, not exactly," answered the s. e. p., "but we hadn't been married a week until she declared that hanging was too good for me."

## Whooping Cough.

"In February our daughter had the whooping cough. Mr. Lane, of Hartland, recommended Chamberlain's Cough Remedy and said it gave his customers the best of satisfaction. We found it as he said, and can recommend it to anyone having children troubled with whooping cough," says Mrs. A. Goss, of Durand, Mich. For sale by W. T. Brooks. You need no other guarantee.

## APPRECIATE LAND OF LIBERTY.

Returning Immigrants Go Back With Fond Thoughts of America.

The steerage passengers who sail from America may be roughly divided into two classes—those who go home because they have succeeded, and those who go home because they have failed. The children are always loath to return, says the author of "On the Trail of the Immigrant," especially those who have gone to school in America. Amushka, a bright 12-year-old girl, goes from a Pennsylvania town to the Frenczin district in Hungary. She is dressed "American fashion," has gone to the public school and speaks English fairly well. "Amushka Moya, tell me, do you like to go back to Hungary?" "No, siree, America is the best country. There we have white bread and butter and candy, and I can chew gum to beat the band," and tears fill her eyes at the memory of the American luxuries she has tasted. One of the returning, who had traveled far, and had seen on that journey the galleries of Paris, Munich and Dresden, said: "I tell you, the finest piece of statuary in the whole world is the Goddess of Liberty in New York harbor."—Youth's Companion.

## Best Healer in the World.

Rev. F. Stairbird, of East Raymond, Maine, says: "I have used Bucklen's Arnica Salve for several years, on my old army wound, and other obstinate sores, and find it the best healer in the world. I use it too with great success in my veterinary business." Price 25 cents at Oberdorfer's drug store.

## The Most Common Cause of Suffering.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Pain Balm will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by W. T. Brooks. You need no other guarantee.

## Look Out For Them.

Official notice is sent out from Washington warning the public against two counterfeiters that have just appeared. One is a \$10 United States note or "greenback" and the other a \$20 gold certificate. As the counterfeiters are poorly executed and the workmanship is of an inferior order those accustomed to handling currency should not be easily deceived. On the whole there is little counterfeiting of this sort nowadays, and moderate amount of watchfulness will enable almost any person to avoid being swindled.
