

Barbee Stock Farm. Millersburg, Bourbon County, Kentucky.

If you want a fast horse, breed to a young trotting stallion in Kentucky. Was trained the past season and stepped a mile in 2:19 1/2, half in 1:07, quarter in 32 1/2 seconds. Should easily trot in 2:10 this season if trained.

C. F. CLAY, Race Record 2:18. The only stallion in Kentucky the sire of three with an average mark of 2:05.

SIRE OF Connor 2:03 1/4, Cling 2:11 1/4, Coleridge 2:05 1/4, Claybourne 2:11 1/4, Chloral 2:06 1/4, Arthur W. 2:12 1/4, Leola 2:10 1/4, Lee 2:12 1/4. SIXTY-SEVEN IN THE 2:30 LIST.

The grandsire of Daniel J. 2:06 1/4, Harry L. 2:07 1/4, Ruby Mack 2:08 1/4, Silver Prince 2:08 1/4, Prince Ross 2:09 1/4, Emma M. 2:09 1/4, etc. Sire of dams of Nancy H. 2:06 1/4, The President 2:07 1/4, Dr. Munson 2:08 1/4, Dr. Monical 2:09 1/4, Charley C. 2:09 1/4, etc.

Soprano dam of C. F. Clay, with ten in the list, is one of the world's greatest brood mares. Private stallion, but will accept ten outside mares on the shares.

If you wish speed, beauty, size and substance, breed to the fine Electioneer-Mambrino Patchen Stallion, KENTUCKY CHIMES 39071, Blood bay, 16 hands high, 5 years old.

Sired by Chimes 5348, the best son of Electioneer and Beautiful Bells, and the world's greatest sire of extreme speed. 1st dam Queenie King, dam of The Queen 2:19 1/4, King Chimes 2:10 1/4, etc. Sired by Mambrino King 1278.

Kentucky Chimes is a brother in blood to The Abbott 2:03 1/4, shadow Chimes 2:05, The Monk 2:05 1/4, Dandy Chimes 2:07 1/4, Council Chimes 2:07 1/4, Chime Bells 2:09 1/4, Ed Easton 2:09 1/4, etc. Also Dare Devil 2:09, the stallion Mr. Lawson paid \$50,000 for.

Kentucky Chimes is a horse of great beauty, speed, style, size and substance; a sensational high actor, and will sire high-class coach horses as well as trotters. It is a well-known fact that the Chimes-Mambrino King family of trotters have produced more 2:10 and 2:15 performers, also more champions on the race track and in the show ring, than any other family known to the trotting horse world; almost every world's record has been held at one time by members of this family, and to-day more world's records are held by them than any other trotting family.

Kentucky Chimes is the handsomest

Forest Denmark 153.

This noted sire will make the season of 1908 at my home, on the Harrod's creek pike, 8 miles from Paris and 4 miles from North Middletown, at

\$20 to Insure a Living Colt. DESCRIPTION.—Forest Denmark is a solid bay, 16 hands high, has great natural style; carries head and tail high, and is not second to any stallion in Kentucky as a getter of high-priced saddle and harness horses.

He has always been at the head of the stud at Woodford's Stock Farm, Mt. Sterling, Kentucky. I was able to get him from the fact that my father's brood mares are nearly all by him.

Forest Denmark is the sire of the Chancellor that won sixteen blue tie, in 1906, also his mate The Cardinal, which team won, single and double, thirty-eight blue ties in 1907. He has sired three other geldings which sold at an average price of \$2,821.

The breeders of Bourbon county have never had, and probably never will have again, the opportunity to breed to the equal of Forest Denmark at \$20. TERMS.—Money due as soon as colts comes, mare parted with or bred to another horse. Mares from a distance, grazed at \$3 a month. Every precaution will be taken to prevent accidents or escapes, but will not be responsible for those that occur.

SEASON 1908 The RIDGE STOCK FAR. Fee \$50 The Season To Insure a Mare in Foal. Sam'l Clay, Paris, - - - Kentucky.

WIGGINS is a horse of attractive conformation, 15 3/4 hands high, full of quality, and with fine feet and legs. In disposition and manners he is perfect. His colts are uniformly good colors and inherit his bold, frictionless way of going. They are generally pure gaited and trot with light shoes and few boots. WIGGINS himself wore a 7-ounce shoe with no boots in front. He was foaled a trotter, and as a yearling trotted a mile over a three-quarter mile track in 2:33 1/4. He took his record when two years old and won five straight stake races and \$4,600 that season. Douglas Thomas, his trainer, says he could have trotted a mile over a high price. He was himself a bold finisher and his colts are like him in this respect. For an out-cross for in-bred mares you can't do better than to breed to WIGGINS, though he nicks well with mares of any breeding. No other stallion at the same age has ever accomplished more than WIGGINS. No other stallion of any age ever had three two-year-olds to beat 2:18 trotting in one year. No other stallion ever had seven trotters in 22.0 list at ten years.

Modern Conversation. A writer in a popular magazine deplores the poverty of the present-day conversation, also its insincerity, particularly on the part of the young men, whose talk consists mostly of flattery and frivolous love-making. Is not the young woman greatly to blame for this? An observer of social doings declares that it is impossible to interest the average girl in any talk that is not flavored with compliment and courtship—that no matter in what direction the barge of conversation is steered, she manages adroitly to tow it into the port of sentiment. Perhaps this is because it is the only ground on which the average young man and young woman can meet. They have no other ideas and sympathies in common. The young man devotes himself to business, but he manages to read the newspapers and keeps up with the intelligence of the day; the girl reads the society, page, the fashion magazine and the latest and lightest novel. If he should bring into his talk any comment on public movements abroad or at home, or on the political questions of the day or even minor local matters of movement, she would yawn behind her fan, or her pretty pout would tell him that she was mentally voting him a dry stick. What wonder that he interprets the pout, and proceeds to change it to a smile by telling her how chic she looked in her Easter hat, or that he chose his violet tie because it was just the shade of her eyes. But the good conversationalist does not talk learnedly or stiltedly. Small talk may be made entertaining and even thought suggesting. Tact enters more largely into conversation than into any other form of social life.—Mary E. Bryan, in Uncle Remus's—The Home Magazine for May.

Bad Attack of Dysentery Cured. "An honorable citizen of this town was suffering from a severe attack of dysentery. He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. He was told that I kept it in stock and lots no time in obtaining it, and was promptly cured," says M. J. Leach, druggist, of Wolcott, Vt. For sale by W. T. Brooks. You need no other guarantee.

"We are for Taft because we think that the President wants him," said Frank P. MacLennan, a leading Kansas Republican. Suppose the President wanted Booker T. Washington. Would all the Tafties be for Booker? Good for Everybody. Mr. Norman R. Couiter, a prominent architect, at the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50 cents at Oberdorfer's drug store. The petition of all the Democratic members of Congress and Mr. Parker, of South Dakota, a Republican, to Speaker Cannon, asking for consideration of the bill to put wood pulp and print paper on the free list, will receive about as little attention as the other reform measures. Whooping Cough. "In February our daughter had the whooping cough. Mr. Lane, of Hartland, recommended Chamberlain's Cough Remedy and said it gave his customers the best of satisfaction. We found it as he said, and can recommend it to anyone having children troubled with whooping cough," says Mrs. A. Goss, of Durand, Mich. For sale by W. T. Brooks. You need no other guarantee.

Billion Dollar Congress. The Sixtieth Congress will have earned the title of "Billion Dollar Congress" at its first session before adjournment is taken at the end of this week. It is estimated that the appropriations will reach the enormous sum of \$1,026,000,000, which is said to be the largest amount ever appropriated in a single session. Immense Diocese in India. The Episcopal bishop of Lucknow presides over a diocese greater in extent than the whole of Great Britain. It having a population of about 48,000,000, of whom only 102,000 are Christians. The Canteen. The removal of the canteen has offered to idle, unscrupulous people near reservations an opportunity to make money by furnishing to soldiers poor beer in unlimited quantities and in the lowest surroundings. On the face it is easy to see that the condition is not a desirable one. There is no one with authority to insist upon the amount or kind of liquor sold, and the element engaging in the business now in a most deplorable association for the enlisted men.—General J. Franklin Bell, Chief of Staff of the Army. Novel Birthday Party. Something new in the way of birthday parties was one representing the four seasons. Each guest came dressed to designate the season in which he or she was born. There were four refreshment tables at which these four divisions partook of viands especially suggestive of their seasons. Is Contrary to Law. County Judge Polsgrove, of Frankfort, has decided that playing baseball on Sunday is contrary to law. The Frankfort baseball club had brought suit against the Louisville & Nashville Railroad for \$200 damages, because the railroad company failed to bring the Shelbyville club to Frankfort on time for a Sunday game after the road had contracted to do so. Judge Polsgrove decided in favor of the company on the ground that playing baseball on Sunday was contrary to law, and the contract was illegal and could not be enforced.
