Good News for Teachers.

School teachers of Kentucky will receive the largest salaries that they have ever received as a result of the fixing of the school per capita today at \$4, the largest that has ever been allowed. This means that nearly \$3,000,000 will be used by the common schools of the State. Under this per capita the minimum salary of school teachers will be \$33.33 and the maximum \$66.66, as compared with a minimum of \$23 only two years ago.

The following is part of statement issued by State Superintendent J. G. Crabbe late Tuesday evening:
 "The State School Fund (estimated) distributed for the payment of teachers for the fiscal year, ending June 30, 1910, amounts to \$2,975,632.
 "The per capita is declared \$4. The per capita last year was \$3.60; this year is an increase of 40 cents, hence this per capita for the year 1909-1910 is the largest in the history of the State.

"The school census showing pupil children reports as follows:
 Pupils in counties.....591,679
 Pupils in cities.....152,229

Total.....743,908
 "The school census last year was 738,021 pupils. This year the increase is 5,887 pupils."

Dissolution of Old Law Firm.

The law firm of McMillan & Talbott, which has for the past twenty-five years been recognized as one of the strongest law firms in Central Kentucky, has dissolved partnership by mutual consent. This firm has been connected on one side or the other in all of the most important cases that has been tried in our Courts, both members of the firm, Wm. H. McMillan and R. C. Talbott, ranking with the learned lawyers in our State.

About two years ago Mr. Wm. McMillan ceased to actively practice, and his nephew Chas. A. McMillan, a talented young lawyer, became a member of the firm, under the same firm name of McMillan & Talbott. Mr. Talbott's daughter having recently married—Mr. W. H. Whitley, a graduate of Transylvania law school, Mr. Talbott has formed a partnership with him under the firm name of Talbott & Whitley. Mr. Whitley is bright in the law and an agreeable young gentleman and we predict the same success for the new firm that has followed the senior member since he first began to practice.

Mr. Chas. A. McMillan, who retires from the firm, will practice law individually and will open up an office for himself in several weeks, after assisting in winding up the business of the old firm.
