Lot Sold.

Thomson & Rash, the real estate agents, sold Saturday for Mrs. T. F. Roche the vacant lot on Pleasant street between Eighth and Ninth streets 35x150 feet to Mrs. Georgia Keller and Miss Belle Mitchell for \$1,500. The purchasers intend to begin at once to build a handsome two story residence.

False Alarm.

The janitor at Bourbon College filled the furnace Saturday with a lot of old paper in the endeavor to burn out a choked up chimney when a neighbor noticing a blaze coming out of the chimney thought the building was on fire and turned in an alarm. The fire department made a fast run to the college and found everything in the usual order upon arriving.

"Good Things to Eat"

That's all we carry. Whether it's a staple, like sugar, or a fancy table delicacy, like imported cheese, we have it, and in a quality absolutely dependable. Every product that enters this store must stand rigid examination.

Each article is chosen from many brands offered, because it has proved its superior merit.

Each brand competes for preference, and none gains a place on our shelves if it fails to measure up to our high standard of quality.

One of the recent successful contestants for representation in our line is

ELECTA COFFEE

a smooth and dainty blend of selected, highland grown beans—the market's choicest.

The Electa process of slow-cooking and dry-curing preserves the genuine coffee flavor and improves it.

In using Electa Coffee you are sure of the finest quality—a satisfaction that in itself would make Electa worth more than other coffees.

Compare it with any you ever drank before. You'll like the rousing flavor and the glorious aroma.
