changes some few students in each school failed to return but others take their places. Miss Wallace of M. F. C. resigns and will not return. She was popular in the institution and is one that will be much missed. Her position will be filled by Mrs. Elizabeth Stirman, one of our most estimable ladies with large experience as a teacher. The positions made vacant by Major Burton and Capt. Hopkins, of the M. M. L., are filled by Captains Ranson and Rossman, one from Tennessee, the other from Pennsylvania both coming well recommended.

Proposed Legislation.

The charity organizations of Louisville have been investigating and find the tenement houses or many of them in a deplorable condition. A measure will be pushed in the next Legislature to enforce better and more sanitary regulations on the part of landlords and compel them to pay attention to the laws of sanitation and cleanliness. It is a good measure and should be passed. This law will only apply to cities of the first and second class.

"With your kind assistance," said the young man in the parlor scene, "I will now do my great transformation act."
"So be it," murmured the dear girl. Whereupon the gas was lowered and the big leather rocker was transformed into a spoonholder.

Correcting Himself.

"I believe you said you had some stocks on a margin."
"Yes," answered the hard-luck expert. "But that wasn't a margin. It was a ragged edge."

Aernaut Killed.

Leon Delagrang, the noted French aeronaut, was killed at Bordeaux, France, while making a flight. Those Pies of Boyhood.

How delicious were the pies of boyhood. No pies now, ever taste so good. What's changed of the pies? No, it's you. You've lost the strong health stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's needed? A complete toning up by Electric Bitters of all organs of digestion—stomach, liver, kidneys, bowels—try them. They'll restore your boyhood appetite and appreciation of food and fairly saturate your body with new health, strength and vigor. 50 cents at Oberdorfer's.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants. WHY HE WAS HAPPY.

As the rugged glow increased beyond the brow of the hill the small boy on the bridge clapped his hands vigorously.
"Ah, my lad," said the stranger, who was somewhat near-sighted, "it does me good to see you appreciate yon beautiful red sky."
"Yes, sir," responded the lad, with his eyes glued on the distant glow, "I've been watching it for 15 minutes."
"Well! Well! It isn't often one has the opportunity of witnessing such a grand spectacle."
"Couldn't be grander to me sir."
"A real poet, without a doubt. And do you watch sunsets often, my little man?"
"Sunsets? Why, that isn't a sunset!"
"Isn't a sunset? Then what is it?"
"Why, that's the village school burn-in down."

Remedy Suggested.

"What a pity it is," said the dyed in the wool baseball fan, "that the pitcher for the home team is so wild."
"Single man, isn't he?" queried the man occupying the adjoining seat, who knew absolutely nothing about the game.
"Yes, I guess so," answered the fan. "But what has that got to do with it?"
"Well," replied the other, "if he were to get married, I fancy that might steady him down a bit."
And that's what drove the fan to the lemonade counter.

Insult to Injury.

"They say Freddy had a fight down at the beach?" interrogated the horseless.
"Peach of a fight," drawled the friend. "Freddy proposed to the girl of his heart and she said she would be a sister to him."
"Gracious! That must have been provoking."
"Yes, but that's not the worst of it. She accepted some other chap on the spot and he said he would be a brother to Freddy. That was more than Freddy could stand."

One Thing Missing.

A young man here in town who dabbles in real estate occasionally, built a house for renting purposes out in Lakewood. To make the place rent more quickly he equipped it with window shades, refrigerator, and a lot of things that do not generally go with an untried house. In a few days a woman came along and rented the place. The day after she moved in she called him up.
"See here," she says, in an aggrieved tone, "were you aware of the fact that you haven't provided us with any garbage can?"—Cleveland Plain Dealer.
