To The Public.

I desire to say that when I took the agency for Zemo, it was after a thorough investigation as to the merit and curative properties of this remedy for eczema, pimples and dandruff. I frankly admit, Zemo has far exceeded my expectations as a cure for skin diseases. I am pleased to state that I shall continue the agency as Zemo gives the best satisfaction of any similar remedy I have ever sold. My customers like Zemo because it is a clean, vegetable liquid for external use. Zemo cures by drawing to the surface of the skin and destroying the germ life that causes the disease, leaving the skin clean and healthy. It does not soil the clothing or linens and can be used freely on infants. We will give a booklet on skin diseases and explain to any person how they can be cured at home of any form of skin or scalp disease by this clean, scientific preparation. W. T. Brooks, the Druggist.
