Lexington, Kentucky

Corn Growing Club Organized.

The Boys' Corn Growing Club of Bourbon county has been organized with fifty-two members. The organization has been in progress since March 1 and under the direction of Miss Mabel Robbins, County Superintendent of Schools. The First National Bank of this city will offer the prize in the contest and the rules governing the contest will be announced later. Miss Robbins has received from the Department of Agriculture the supply of seed corn to be used in the contest which will be distributed among the members of the club, and detailed instructions will be furnished each member.

The local committee will hold a meeting within the next few days at which time points of interest will be discussed and important ideas conveyed to each member of the organization. Mr. Kirk, of the State Agricultural Department, was in Paris a few days ago and was very much pleased with the interest shown in the new club, and it is expected the membership will be increased.

Blue Grass League Notes.

Guy Long, who was claimed by the Maysville club, will be with the Lexington club this season. The tangle was straightened out Tuesday and Long will be relied on as one of the mainstays of the Colts.

The Winchester Base Ball Club is short on funds and unless one hundred season tickets are sold it is said there will be no base ball in Hustlerdom this season. The plan to sell the season tickets is to raise a sufficient amount of money to begin the season with its meeting with the approval of the fans and they are being disposed of rapidly at \$15 each. It is thought the required number can be sold.

Alfred Kaiser, formerly of the Paris club looks good for a berth with the Colonels. The Courier-Journal says: "In the outfield it seems at present that 'Germany' Kaiser will remain in the left garden, following his great work against the Cubs. He has all the earmarks of a ball player and Boss Murphy, of the Chicago Cubs, was anxious to carry him away with the National League team when they left Louisville."

Obstreperous Passenger Fined.

Willford Lemons, a white man, created quite a sensation on the commuter train from Cynthiana Tuesday afternoon when attempting to ride upon the train without paying his fare, he was arrested by a railroad detective, whom he resisted and the two men engaged in a lively encounter in which Lemons was badly used up.

A telephone message was sent to Paris for an officer to be at the train when it arrived and Patrolman Fred Link took Lemons into custody at the depot. In Police court an hour later he was given a fine of \$12.50 and sent to jail. Lemons lives in Cynthiana. Jules Allen, a negro, was fined \$7.50 for disorderly conduct.

Jess Richardson, colored, arrested upon a warrant sworn out Monday by Dr. A. H. Keller, was in Police Court Tuesday afternoon to answer to the charge of using abusive and insulting language and was assessed a fine of \$10 and costs.

Trains Delayed.

Trains from the South passing through Paris were delayed several hours Wednesday by reason of a landslide near Knoxville, Tenn. Through passenger trains North were detoured over the Southern lines.

Killed By Fall from Telephone Pole.

Calvin Elam, an employe of the Bourbon County Home Telephone Company met death Tuesday afternoon by falling from a telephone pole at the corner of Higgins avenue and Seventh street. The accident which resulted in his death occurred shortly after one o'clock.

Elam was sent to a cable box at the intersection of Higgins avenue and Seventh street to test out some lines that had been in trouble and there being no eyewitnesses, it is supposed that in ascending the pole, which was wet from the rains which fell during the morning, he slipped from a cross arm, falling a distance of about thirty feet, striking on his head. His neck was broken by the fall.

There were no marks upon the body of the dead man to indicate that the accident was caused by him coming in contact with an electric wire, and as no call was received from him in the central office strengthens the theory that he fell from the pole before reaching the cable box above where were the electric wires.

Elam was one of a number of expert linemen that had been employed by the local company to repair the damage sustained as a result of the recent sleet which impaired the service in this city and county and had been in Paris since March 1. He was about 23 years of age and came here from Lancaster, where his parents reside.

Coroner Rudolph Davis was notified immediately after the accident and ordered the body removed to the undertaking establishment of George W. Davis, where it was prepared for burial and later removed to the boarding house of Mrs. Mary Anderson on High street.

Relatives of the unfortunate man were communicated with and informed of the sad accident. Wednesday morning the remains were taken to Lancaster on the 10:15 L. & N. train, and the funeral services were held the same afternoon.

The remains were accompanied by Mrs. Mary Anderson, Mrs. R. L. Burns, Mr. C. H. Burns and Mr. W. O. Scott, all of this city.

"We Know How."

ONCE MORE

.. Spring Opens ..

WITH it we herald for you our fresh new styles to go with the season. You think of clothes with the Spring and your best interests must turn your mind toward our store.

In this you are wise, for in our large stock of Spring styles there is no better clothes value in the world.
