

My Doctor Said

"Try Cardui," writes Mrs. Z. V. Spell, of Hayne, N. C. "I was in a very low state of health, and was not able to be up and tend to my duties. I did try Cardui, and soon began to feel better. I got able to be up and help do my housework. I continued to take the medicine, and now I am able to do my housework and to care for my children, and I feel as though I could never praise Cardui enough for the benefits I have received."

TAKE CARDUI The Woman's Tonic

Cardui is successful, because it is made especially for women, and acts specifically on the womanly constitution. Cardui does one thing, and does it well. That explains the great success which it has had, during the past 50 years, in helping thousands of weak and ailing women back to health and happiness.

If you are a woman, feel tired, dull, and are nervous, cross and irritable, it's because you need a tonic. Why not try Cardui? Cardui builds, strengthens, restores, and acts in every way as a special, tonic remedy for women. Test it for yourself. Your druggist sells Cardui. Ask him.

STOCK, CROP AND FARM NOTES

—Little tobacco was pledged to the ten year pool in Clark county.

—Horses that have heavy coats of hair should be clipped just before the new hair starts.

—Too much corn has caused the loss of many a fine litter of pigs and often the loss of the sow as well.

—Horses in great numbers in the vicinity of Glasgow are said to be dying of a mysterious disease.

—R. M. Wilson, of Millersburg, sold to a Morristown, Tenn., party a three year old mare by King Chieftian 2846, for \$350.

—The Burley Tobacco Society will in a few weeks begin work on its \$50,000 loose leaf warehouse, storage and redrying plant at Carlisle.

—If a horse slobbers look at his teeth. They may be sharp and need filing, but do not do so yourself unless you have had some experience in this line.

—It is estimated that where a herd of cows are given troughs with a constant supply of water the increase in milk was one pound per day on an average.

—Three hundred acres of hemp will be grown this season on Elemendorf farm in Fayette county, which has been sold in advance to Eastern parties at a private price.

—Mr. Ed Burke, of this city, purchased last week on the Louisville tobacco market 50,000 pounds of the weed at an average of 14 cents per pound.

—The Mathers bill providing for the inspection of bulls, cows and calves as to their having tuberculosis and providing for destroying those that have it, passed the Senate Friday by a vote of 26 to 0.

—S. C. Carpenter, of Millersburg, bought at the Duke sale in Mason county three Percheron mares for a total of \$865. The stock was bought for Jones & Vaughn, of Tennessee.

—James M. Terry, of Harrison, purchased of W. M. Jones & Son, of North Middletown, a chestnut five gaited saddle horse by Cripple Chief at a private figure.

—Quick, intelligent attention will often save a lamb, or a pair of them or the ewe as well. In case of twins one is always weaker than the other, and would die if not assisted to nourishment. A tablespoonful of oatmeal a day to each ewe, given regularly is a sensible addition to the ration.

—The bill introduced by Hon. Sidney G. Clay providing that all license fees paid on stallions, jacks, bulls, boars and rams shall be paid to the fair association in the county where the animals stand or to the State Fair if the county has no fair, passed the House Friday.

—Nicholas county can boast of two of the youngest tobacco growers in the State. They are Julian and Hobart Feedback, aged 11 and 9 years respectively. Without the assistance of anyone they cultivated a crop of tobacco which when ready for the market weighed 665 pounds and sold at Carlisle at an average of \$11.60 per hundred.

—Most of the methods of "breaking up" hens from setting are cruel, and tire and distress the innocent hens who are not to blame for their instinct. The kindest way is the following: When it is necessary to stop the inclination, place the hen in a nice clean coop alone with fresh grass and all the meat cut fine that she will eat. The meat immediately increases the egg nourishment, and while the hen is having a really good time she is fast preparing herself to commence laying eggs. It will take but two or three days before she forgets all about setting, having other affairs to attend to.

Point to Remember.

It was the ballet master who spoke. The occasion was the rehearsal in London of the Walpurgis scene in Guonod's "Faust." He chided: "Lolles, lolles, take yer 'ands off yer 'ips, yer not dancing on 'Amptstead 'eath; yer dancin' in 'ell."

FREE IF IT FAILS.

Your Money Back if You are Not Satisfied With the Medicine We Recommend.

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate and weaken the bowels and tend to make constipation more chronic. Besides their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

Why want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 80 tablets, 50 cents. Sold in Paris only at our store—The Rexall Store, G. S. Varden & Son.

G. S. Varden & Son Get New Medicine.

A New Remedy Called Digestit Found to Be Sure Relief for Indigestion and Stomach Disorders.

IT DIGESTS FOOD THAT STOMACHS CANNOT.

G. S. Varden & Son as well as all first class pharmacies throughout the country have been supplied with the new remedy for stomach disorders—called DIGESTIT.

This new medicine has been found to be a sure relief for the distressing symptoms of indigestion and dyspepsia. It will digest food in a remarkably short time.

Special arrangements have been made with the makers of this new remedy whereby they propose to prove

its wonderful merit—A limited number of full size packages will be supplied without cost by G. S. Varden & Son that you may test it in your own case.

These packages will be given the first ones calling so if you are a victim of indigestion do not miss this opportunity to get relief or if you are one of the many who enjoys a hearty meal but do not indulge too freely fearing the after effects—that full uncomfortable feeling, heartburn, belching or

sour stomach, you surely will try this remarkable relief. Two or three tablets immediately after eating or when suffering will relieve almost instantly.

DIGESTIT is a harmless medicine absolutely free from any dangerous or habit forming drugs—it digests food in a natural way and tones the digestive organs to a healthful condition. It aids assimilation thereby giving nutrition to the famished body.
