Daily Thought.
 No thought which ever stirred a human breast should be untold.—Robert Browning.

Makes the Nation Gasp.
 The awful list of injuries on a Fourth of July staggers humanity. Set over against it, however, is the wonderful healing by Bucklen's Arnica Salve, of thousands, who suffered from burns, cuts, bruises, bullet wounds or explosions. Its the quick healer of boils, ulcers, eczema, sore lips or piles. 25 cents at Oberdorfer's.

In the Beginning.
 "Papa, why does the frost always come in the fall?" "The habit, my son, originated in the Garden of Eden."

By Way of Identifying Himself.
 "Do you know who I is, sah? Does yo' organize me?" inquired a dilapidated looking young colored citizen, addressing old Brother Bulginback. "Well, sah, I'se de fool gen'leman dat done 'loped wid yo' daughtah, Loolabelle, 'bout two weeks ago; and I kin prove it, spite-uh muh pussional 'pearance. And I'se come back yuh today, sah, to infawm yo' dat if yo'll take her back and gimme a new suit o' clothes, all will be forgiven."—Kansas City Star.

Joy of Life.
 To watch the corn grow, and the blossoms set; to draw hard breath over ploughshare or spade; to read, to think, to love, to hope, to pray—these are the things that make men happy; they have always had the power of doing this, they never will have power to do more. The world's prosperity or adversity depends upon our knowing and teaching these few things.—John Ruskin.

MS. of Home, Sweet Home.
 The original manuscript of "Home, Sweet Home," is said to have been buried in the grave with Miss Harry Harden of Athens, Ga. She was John Howard Payne's sweetheart, but refused to marry him in deference to her father's wishes. After she was separated from her lover she shut herself in the old family mansion, seeing none but a few members of the little church to which she belonged.—From the Independent.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of \$150 or more. He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this liniment he was well. For sale by all dealers.

AGED PEOPLE

cannot properly masticate solid foods and digestion is often upset—they do not receive the needed nourishment to make strength and preserve health, but if aged people everywhere could only realize the **strength-sustaining nourishment in Scott's Emulsion** they would take it after every meal.

It possesses the nourishing elements of cod liver oil, the vital powers of the hypophosphites of lime and soda and the curative qualities of glycerine, all so perfectly combined that nature immediately appropriates them to **create strength—nourish the organs and build the body.** It relieves rheumatism and ailments due to declining years. It adds to the span of life.

You Want the Best— Not the Cheapest

Flanders "20" Roadster, \$750

Don't be alarmed if somebody tells you you can buy an automobile for less money than the \$750 Studebaker-Flanders "20." You can, but you better not. The Flanders "20" corresponds point by point with the best and highest priced cars sold. Cheaper cars at every vital point are built on ideas long ago discarded for good cars. Don't take our word for it. Make comparisons and see.

The Studebaker-Flanders "20" is a marvel—a high grade modern car at a low price. If you pay less you buy much less. And the cheaper car today will cost you far more in the long run. The competing car isn't sold which the Studebaker Corporation, the greatest automobile manufacturers in the world, couldn't reproduce for less money; but we won't build a cheap car, because the name "Studebaker" means the best for your money.

If you are content with a car that runs today and dies tomorrow, don't buy the \$750 Flanders "20." It will wear for years. Remember this—the Studebaker-Flanders "20" will outwear 2 to 1 any other car under \$1100 and give you double satisfaction, confidence and comfort into the bargain.

We can prove it—Send for new catalogue
