

NEWS OF MILLERSBURG

—Col. and Mrs. Best was in Cincinnati on business Monday.

—Mr. and Mrs. A. T. Vimont have returned from a few weeks' sojourn in Chicago.

—Mrs. Belle Taylor and daughter, Miss Mary Taylor, visited relatives in Cincinnati, Friday.

—Mr. M. M. Thompson returned Saturday from Battle Creek, Mich., where he spent a month. He is much improved.

—Rev. J. D. Redd, of the Methodist Church, is in the mountains of Eastern Kentucky doing missionary work for two weeks.

—The result of the ball game yesterday between Georgetown and M. M. I. resulted in a score of 15 to 2 in favor of M. M. I.

—Miss Drusie Eliot, assistant teacher in the public school left Friday for her home in Paris, the school having closed that day, after a successful year.

—Harris, the little son of Mr. and Mrs. T. D. Tackett, was severely bitten on the forehead Saturday by a dog belonging to Mrs. Elizabeth Miller. The same dog some time ago bit Wadsworth, the little son of Mr. and Mrs. Mrs. D. F. Jones.

—The Seniors of M. M. I. entertained the young ladies and faculties of M. F. C. with a lawn party Saturday afternoon from four to eight. The ground was beautiful, as the beautiful girls nicely dressed, the cadets in dress uniform moved about the ground they afforded one of the prettiest sights ever witnessed in Millersburg.

—At the meeting of the friends of the lose leaf warehouse Saturday afternoon considerable money was raised. It was decided to hold another meeting next Saturday and if the amount necessary for such a house is not then forthcoming the matter will be dropped. However, it is safe to say the necessary amount will be forthcoming, as Millersburg people will not permit the proposition to fall through.

—The commencement exercises of M. F. C. was continued Friday night with a cantata in the M. F. C. chapel, largely made up of the primary department, under the direction of Miss Wilson, the principal of that department. Notwithstanding that the weather was unfavorable the spacious auditorium was filled to its utmost.

The stage - was beautiful, being heavily banked with flowers, and the costumes were especially attractive. There were more than seventy people in the exercises, and it was decidedly the best entertainment of the kind ever given in Millersburg. Miss Wilson was the recipient of many compliments. She returns next year, and it was with much gratification to the patrons of the school and the many friends she has made since coming here.

Friday morning at 10:30 o'clock. The work was given over to the alumnae of the college, and quite a number were present. The program was good. The exercises were presided over by Mrs. W. S. Judy, President, and Mrs.

Charles Martin, Secretary, both of Millersburg.

When the roll call was called by years from 1855 including 1913, it was both interesting and effective. Mrs. America Butler was the only one representing the class of 1855. An excellent musical program was rendered by the Alumnae. The principal feature of the exercises was the address by Judge Dennis Dundon, of Paris, an old Millersburg boy.

At the close of the exercises the Alumnae went into business session and decided to hold its reunions biennially instead of annually as at present. At 1 o'clock the Alumnae banquet was held in the dining room of the college, the Alumnae going in by classes. There were several visitors present. The banquet was very elaborate, and at the close a number responded to toasts. Miss Maymie DeLong, one of the faculty, presided as toastmistress. She proved a most excellent toast mistress and made every one feel free and easy and willing to talk. The following responded to toasts: Agnes Purnell, "Alumnae Days;" Miss Hortense Letton, "Wood Memories;" Miss Maud Dacres, "Class of '81;" Mrs. Frankie Allen Harris, "Poem Reading;" Miss Elizabeth McClintock Ingels; Mrs. Arthur Best, "The Future Alumnae of M. F. C.;" Mrs. Elizabeth Pery, Millersburg.

At the close of the regular program a number of extemporaneous toasts were responded to which were very spicy.

At 8 o'clock Saturday evening the annual concert was held in the college chapel. The program was classical and well rendered. The audience was as large as on the previous evening.

Sunday at 10:30 a. m., Rev. S. K. Struve, of Clarksburg, W. Va., preached the baccalaureate sermon at the Methodist Church. The spacious auditorium and Sunday School room was filled to overflowing and many were turned away. The musical program was exceedingly attractive, the discourses rendered by Rev. Struve was appropriate and fully up to the average.

Sunday evening at 8 o'clock Rev. E. G. B. Mann, Presiding Elder of the Maysville District, preached the Missionary sermon to the Y. W. C. A. of the college at Methodist Church. This address was to have been delivered by Mrs. Spillman, of Harrodsburg, but owing to illness at home she was unable to attend. Another equally good musical program was rendered. Mr. Man also delivered a most excellent discourse. Dr. Fisher read a report of the Missionary work of the college during the year, and a collection was then taken, which will be added to the college work.

The following is a partial list of the members of the Alumnae Association present: Judge Denis Dundon and wife, Mrs. John Connell Mrs. W. G. McClintock, Mrs. W. O. ARE YOU RUN DOWN?
Awaken to the Danger and Aid the Weakened Kidneys.

Kidney sickness often runs you down to the verge of collapse before you know the cause. When you seem to pin your mind to any task, your back aches and you cannot do an ordinary day's work, it is time to ask yourself this question: "Are my kidneys working right?" The answer may be easily found.

Weak kidneys slacken their filtering work and the uric acid circulates with the blood, in many cases attacking brain, nerves, muscles and vital organs. Don't wait for the serious trouble to begin using Doan's Kidney Pills when you feel the first backache or first trace of uric acid. This remedy has given new life and new life and new strength to thousands.

Proof of merit in a Paris citizen's statement:
Mrs. Hodge, 221 West St., Paris, Ky., says: "I had dizzy and nervous spells and my back and head ached, showing that my kidneys were weak. When I saw Doan's Kidney Pills advertised, I used them and they gave me entire relief."

NERVOUS TROUBLES DRIVE AWAY HAPPINESS.

People who are run down in health who are worn out, nervous and half sick, are apt to be thoroughly discouraged. They are half-hearted, listless and depressed and feel that this is a terrible world with many pains in it and few pleasures.

This state of mind is recognized by physicians as a common symptom of nervous debility.

If you are one of the many Americans who are suffering with nervous breakdown or nervous exhaustion, you can get back your old health and spirits in a few weeks' time. Go to your druggist and obtain a bottle of Tona Vita. This remarkable tonic is helping thousands back to health and it will not fail in your case. In fact it never fails. You will be astonished how quickly it will build you up both in mind and body.

Tona Vita is sold by Chas. E. Butler & Co.

License Must Be Procured.
Railway news companies selling soft drinks to passengers on the trains, must procure a license from the county clerk in each county through which the railroad passes or the soft drinks are sold, to escape the penalty provided by the statute for selling soft drinks without a license.

Auditor Boyworth Friday announced this rule in response to an inquiry of the Van Noy News Company, which asked if a blanket license to sell soft drinks in the state would not cover all of the counties.

Auditor Boyworth said that he wanted it distinctly understood that blanket licenses would not cover cases like this, nor street fairs, midways and other such organizations.

The "Sweet Jar."
The June Woman's Home Companion contains an article entitled "How to Use June Roses." Several old-fashioned roses petal recipes are included. Following is an extract:
"There are roses in jars that are called 'sweet jars'; these are for the scenting of halls and parlors. They are nice in the dining room where they can be opened and stirred before meal-time, and they are exquisite in the sleeping rooms, for their effect upon the nerves is very soothing."
"As important as the sweet jar is the aromatic jar. This made with rose leaves for a base, but it does not stop with them by any means. The aromatic jar is heavy with spicy odors; it is scented with pinks, it breathes of cinnamon and has a suggestion of frankincense and myrrh."

Methodists in England.
There are only about 1,000,000 Methodists in England, and comparatively few of them are rich, but they have just finished a cathedral in London which cost \$5,300,000. It was built by a vast number of small contributions and very few relatively speaking, which were for large sums.

At Leipzig the university is not merely a German university but it is first and foremost the University of Leipzig—a municipal institution.

Nine Hours Sleep Says Wilson.
These are busy days at the White House. President Woodrow Wilson rises early, has breakfast at 8:30 and is at work at nine. He shaves himself and the barbers of Presidents Roosevelt and Taft are without occupation. President McKinley was able to perform the operation without a glass in front of him, while President Wilson uses glasses upon glasses.

The President is a firm advocate of the simple life. He seldom remains up later than eleven o'clock and even on the night of his inauguration it is said that he excused himself at 10:30 and retired, so the orders are "lights out" at 11—a contrast to the midnight lights often burning to two or three o'clock in the morning, when President Taft was in the White House.

President Wilson is an advocate of sleep—he requires it, said, nine hours though Napoleon may have decreed five sufficient and Edison three. The new President has a fondness for guests at luncheon, and delights in an old-fashioned visit. He has his dinner hour at seven sharp, instead of at eight, as during the previous administration, and some say he has alluded to the evening meal often as "supper."
