### THICK, GLOSSY HAIR FREE FROM DANDRUFF

Try as you will, after an applica-  
tion of Danderine, you cannot find a  
single trace of dandruff or falling  
hair and your scalp will not itch,  
but what will please you most, will  
be after a few weeks' use, when you  
see new hair, fine and downy at first  
yes—but really new hair—growing  
all over the scalp.

A little Danderine immediately  
doubles the beauty of your hair.  
No difference how dull, faded, brittle  
and scraggy, just moisten a cloth with  
Danderine and carefully draw it  
through your hair, taking one small  
strand at a time. The effect is im-  
mediate and amazing—your hair will be  
light, fluffy and wavy, and have an ap-  
pearance of abundance; an incompar-  
able lustre, softness and luxuriance,  
the beauty and shimmer of true hair  
health.

Get a 25 cent bottle of Knowlton's  
Danderine from any drug store or  
toilet counter, and prove that you  
hair is as pretty and soft as any—that  
it has been neglected or injured by  
careless treatment—that's all.

If it is snowing and blowing a man  
turns up his coat collar and buttons  
it before he goes out. But a girl  
turns down her collar and unbuttons  
her waist.

It is funny how a diet of liver and  
onions and ham and cabbage and  
fried spareribs will produce liver  
spots and pimples on a man's map  
and make a girl's cheeks bloom with  
roses and cream.

A girl gets married because she is  
afraid she won't, and then she is sor-  
ry because she did.—[Cincinnati En-  
quirer.]

There is more Catarrh in this sec-  
tion of the country than all the other  
diseases put together, and until the  
last few years was supposed to be in-  
curable. For a great many years the  
doctors pronounced it a local disease  
and prescribed local remedies, and by  
constant failing to cure with local  
treatment, pronounced it incurable.  
Science has proven Catarrh to be a  
constitutional disease, therefore re-  
quires constitutional treatment.  
Hall's Catarrh Cure, manufactured by  
E. J. Cheney & Co., Toledo, O., is the  
only constitutional cure on the mar-  
ket. It is taken internally in doses  
from 10 drops to a teaspoonful. It  
acts directly on the blood and mucous  
surfaces of the system. They offer  
One Hundred Dollars for any case it  
fails to cure. Send for circulars and  
testimonials.

ledo, Ohio.

Any time you see a man shoveling  
in his ears with his knife you can bet  
that his wife doesn't tell him where  
to get off when he is at home.

A girl whose eyes are so weak that  
she can't read without glasses can  
look at another woman on the street  
and tell whether the other woman's  
union suit is made of cotton or mixed  
cotton or silk.

A man will take a drink himself  
every now and then and think nothing  
of it. But as soon as he smells booze  
on another man's breath he loses con-  
fidence in him.

### LUKE McLUKE SAYS

A man can't fool his wife but once  
and that is when he marries her.  
Adam wasn't the last man to have  
his happy home busted up by a snake.

The old-fashioned woman who used  
to have a good bawl every day now  
has a daughter who doesn't dare to  
shed a tear because her cheeks are  
powdered up like a marshmallow.

Some men remind you of dogs.  
They loaf around and store up energy  
to chase things they don't want to  
catch.

It's too bad that the Fool Killer  
isn't a Society Man. He could make  
an awful clean-up at some of these  
Tango affairs.

There is a lot of Tommyrot about  
Dignity. When you see a big, pomp-  
ous man who is so stiff and important  
that you curl up and crawl away, you  
wouldn't imagine that he had to sit  
on the side of a bed and trim his toe  
nails with a pair of scissors, just like  
the rest of us.

There are other causes, but the  
main reason for divorces is that too  
many \$15 per week men marry \$50  
per week women.

A man would rather feel well than  
to look well, but it is the other way  
with a woman.

There are a whole lot of barroom  
bassos who are Timid Tenors when  
they get home.

A woman can take a plume and  
wear it on one side of her hat one  
day, on the other side another day,  
on the front of her hat another day,  
and on the back another day. She  
can wear it curled around the brim,  
under the rim, across the crown or  
straight up in the air. But if a man  
happens to put his hat on with the  
rear end in front he looks like a durn  
fool.

### "CASCARETS" CLEANSE LIVER AND BOWELS

Feel Bully! No Headache, Sour Stom-  
ach, Bad Breath, Constipation.

Get a ten-cent box now.  
Are you keeping your liver, stom-  
ach and bowels clean, pure and fresh  
with Cascarets—or merely forcing a  
passageway every few days with salts,  
cathartic pills or castor oil? This is  
important.

Cascarets immediately cleanse the  
stomach, remove the sour, undigested  
and fermenting food and foul gases;  
take the excess bile from the liver  
and carry out of the system the con-  
stipated waste matter and poison in  
the bowels.

No odds how sick, headachy, bilious  
and constipated you feel, a Cascaret  
tonight will straighten you out by  
morning. They work while you  
sleep. A ten-cent box from your  
druggist will keep your head clear,  
stomach sweet and your liver and  
bowels regular for months. Don't  
forget the children—their little "in-  
side's" need a gentle cleansing, too.

There is always a censor at the  
German court dances who watches  
the dancers, and if anyone is awk-  
ward or unacquainted with the steps  
he is notified that he will not be in-  
vited again unless he learns to dance  
better.
