SICK HEADACHE.

Mrs. A. L. Luckie, East Rochester, N. Y., was a victim of sick headache and dizziness, caused by a badly weakened and debilitated condition of her stomach, when she began taking Chamberlain's Tablets. She says: "I found them pleasant to take, also mild and effective. In a few weeks' time I was restored to my former good health." For sale by all dealers. (May) (adv)

It happens a hundred times a day, and it will keep on happening. He marries a swell looker and then kicks himself because he didn't marry a swell cooker.

When the first Stork Party is held at his house the Proud Pawpaw deems it his duty to rush out and buy drinks and cigars for everybody. But if the poor boob only knew it he ought to be standing on a street corner with a tin cup in his hand trying to rake up a collection.

Backache

Miss Myrtle Cothrum, of Russellville, Ala., says: "For nearly a year, I suffered with terrible backache, pains in my limbs, and my head ached nearly all the time. Our family doctor treated me, but only gave me temporary relief. I was certainly in bad health. My school teacher advised me to

WOULD HAVE FARMERS' EXEMPTION LAW PASSED.

With the beginning Tuesday of the consideration in the National House of the Administration's anti-trust bill Representative R. Y. Thomas, Jr., a member of the Committee on the Judiciary, that assisted in framing the measures, commenced the fight which he intends to make in behalf of farm produce pools. He proposes at the proper time to dissect from the bill to supplement existing laws against unlawful restraints and monopolies, Section 7, which he regards as a "meaningless sop" to the farmers and labor organizations of Kentucky and other States. This section of the bill provides "that nothing contained in the anti-trust laws shall be construed to forbid the existence and operation of fraternal, labor, consumers' agricultural or horticultural organizations, orders or associations instituted for the purpose of mutual help, and not having capital stock or conducted for profit, or to forbid or restrain individual members of such or from carrying out the legitimate objects thereof."

If he is successful in pruning this section from the bill the Kentuckian will attempt to draft in its place his amendment which will provide for the exemption from prosecution under the anti-trust laws of all such organizations, regardless of the purpose of their organization.

The fight which Mr. Thomas plans to make against the bill as it stands is believed by the Kentuckian to have the endorsement of Samuel Gompers, president of the American Federation of Labor, and his associates.

"I recently called the attention of Mr. Gompers to the exemption provision in the bill," said Mr. Thomas, "and pointed out that, in my opinion, Section 7 is meaningless, and would be of no benefit to organizations of farmers, laborers, etc. I said that such organizations are primarily organized for profit to those who belong to them, and Mr. Gompers advised me that he was deeply interested in my construction of the proposed law. I am reasonably sure that he approves of my plan to attempt to amend the bill so that all fraternal, labor, consumers', agricultural or horticultural organizations may be exempt from prosecution under the anti-trust laws, without any qualifying clause. My proposed amendment has the endorsement of my constituents." Under the rule adopted the Kentuckian cannot propose his amendment until the consideration of the measure under the five-minute rule following the general debate.

SULPHUR IS THE ONLY THING FOR ITCHING ECZEMA.

Use Like Cold Cream to Subdue Irritation and Clear the Skin.

In the treatment of the various forms of disfiguring, itching and burning Eczema such as Acne, Ringworm, Salt Rheum, there is nothing known that can take the place of bold-sulphur cream.

It effects such prompt relief, even in the aggravated Eczema, that it is a never-ending source of amazement to physicians.

For years bold-sulphur has occupied a secure position in the treatment of cutaneous eruption by reason of its cooling parasite-destroying properties. Bold-sulphur is not only parasiticidal, but antipruritic and antiseptic, thereby invaluable in overcoming irritable and inflammatory affections of the skin. While not always establishing a permanent cure, yet in every instance it instantly stops the agonizing itching; subdues the irritation and heals the inflamed, raw skin right up and it is often years later before any Eczema eruption appears again.

Those troubled should obtain from any good pharmacist an ounce of bold-sulphur cream and apply it directly upon the abrasion like an ordinary cold cream. It isn't unpleasant and the prompt relief afforded is very welcome. adv.

SLATTERY IS NAMED AS DISTRICT ATTORNEY

The Senate Tuesday afternoon put an end to the controversy over the appointment of a District Attorney for the Eastern District of Kentucky, when it confirmed Thomas D. Slattery, of Maysville, for that office.

An agreement was reached whereby E. P. Morrow, of Somerset, the present District Attorney, who is Senator Bradley's nephew, is to hold the office and remain in charge at Covington until September 1.

This concession, coupled with the fact that no charges have been made at any time against Morrow, induced Senator Bradley to relent and to permit the nomination of Slattery to be confirmed. Bradley, however, insists that there was a violation of faith in sending Slattery's name to the Senate while he (the Senator) was absent in Kentucky. After he had consented to the confirmation of Slattery the Judiciary Committee was polled, which facilitated confirmation. Otherwise the nomination would have had to go over until next Monday, the date for the committee's regular meeting.

Slattery is a cousin of Mr. Ed. Slattery, of this city.

WHOOPIING COUGH.

ANTI-SALOON ELECTION AT SOMERSET STANDS

The Court of Appeals Tuesday held the local option election held in Somerset, September 29, 1913, in which the city voted dry by a majority of 57 votes, to be valid. The election was contested by the wets on several grounds, one being that the statute requires an equal division of election officers favoring and opposing a proposition. The Court says that while it favors an equal division of election officers for and against a proposition, no fraud is charged in the election, and therefore it must stand. The opinion was rendered in the case of J. H. Hall against W. B. Gregg.

WHEN YOU ARE NERVOUS

you have the first symptom of a run-down system, and nervous people too often conceal their aches and pains and suffer in silence, while, if neglected, this condition often ferments more serious trouble. If those so afflicted would stop taking medicine containing alcohol or drugs which menace the foundations of health, and just take the pure, strengthening nourishment in Scott's Emulsion, it would create new blood to pulsate through the organs, refresh their bodies and build up the whole nervous system. It is rich, sustaining nourishment, free from wines, alcohols or drugs. Shun substitutes.
