Many Paris People in This Condition.

There is little rest for the kidney sucerer. The back throbs, feels weak and painful. The urinary passages are irregular and distressing. The kidneys need quick help. They need a special kidney remedy. Doan's Kidney Pills have stood the test. Can any Paris reader doubt this statement? Mrs. G. N. Gravett, 44 N. First Ave., Winchester, Ky., says: "For years I have known about Doan's Kidney Pills, and I consider them the best of all kidney remedies. I had headaches and backache and was restless at night. I felt all tired out in the morning and sometimes nervous. Seeing Doan's Pill, I used them. They made me strong and well." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gravett had. Foster-Milburn Co., Props., Bugalo, N. Y.

At 16 a girl is seeking an ideal. At 26 any old kind of male mutt will do.

The old-fashioned woman who used to pay a quarter to have her fortune told now has a daughter who wins so much playing rump that she isn't bothered about the future.

The very latest thing is the white satine petticoat. It weighs nothing and is as thin as a cigarette paper, but it is absolutely opaque. The girls are buying them by the carload. The man who introduced them will never get my vote.

BEST DIARRHOEA REMEDY.

If you have ever used Chamberlain's Colic, Cholera and Diarrhoea Remedy you know that it is a success. Sam F. Guin, Whitley, Ala., writes, "I had measles and got caught out in the rain and it settled in my stomach and bowels. I had an awful time, and had it not been for Chamberlain's Colic, Cholera and Diarrhoea Remedy I could not possibly have lived but a few hours longer, but thanks to this remedy, I am now well and strong." WHY WEAK LUNGS?

The toll of tuberculosis is claiming more than 350 victims every day in the United States, yet few realize their grave condition until the critical period arrives. Overwork, worry, weakness after sickness, catarrh, bronchitis, tender throats—all exert the weakening influence that invites consumption. To guard against consumption, thousands of people take Scott's Emulsion after meals because its rich medicinal nourishment strengthens the lungs, puts vigor in the blood, and upbuilds strength to resist tuberculosis. Scott's Emulsion is nature's strength-builder. Refuse substitutes.

KLINE'S BIG SHOWS BLUE GRASS FAIR

INCLUDE NEW ATTRACTIONS AND SURPRISES FOR THE PUBLIC.

Company to Appear at the Blue Grass Fair is the Best and Most Complete That Have Visited Kentucky.

This year as in the past the Kline Shows have added new attractions and surprises for the public, founded and perfected only by great labor, patience and skill with no spare of time and money to make their organization that which it is now, the most complete and best equipped carnival company touring the country to-day.

The repertoire of new ideas and novelties advanced are far above the old stereotyped carnivals of a few years ago.

Many startling features will be presented for the first time to the amusement loving public. The new attractions, the new riding devices are the most unique and far removed from all others.

The Kline Shows have been made popular by their clean class and character of everything undertaken. Nothing of a questionable nature has ever been tolerated. The usual catch-penny affair, games of chance, etc., have always been conspicuous by their absence.

The company this season is the largest, best and most complete the Kline Shows have ever had on the road. It consists of about 270 persons and the outfit will travel on a special train of twenty or more cars.

The aggregation will represent an investment of several hundred thousand dollars. The shows and attractions are varied, comprising everything with which people expect to be entertained and amused when they attend a fair or carnival. And the shows are all clean, that is one thing about which Mr. Kline is very particular. He has a reputation which has resulted in the Kline Shows being booked by the biggest and best fairs in the country for a number of years. For five years he has been showing at the Dallas State Fair, an equal period at the Illinois State Fair and like places. This year in addition to the others, he has secured the New York State Fair, the biggest in the country.

The following are a few of the attractions to be seen with the Kline shows.

The Walter K. Sibley, international lady champion swimmers and divers show is one of the big attractions. A special swimming tank has been constructed for the act, which is an innovation. In former years tanks have been made in each town by digging a

hole in the ground and erecting a canvas screen around it. But this new tank is in two sections set on wagons. When the parts are clamped together a tank having a depth of about seven feet and thirty feet long by ten or twelve in width is made.

Mr. Kline has made arrangements for the appearance on Don Fulano, the educated horse. The animal is said to be without a peer and has been seen on the big-time vaudeville circuits. About two months ago he was one of the attractions on the Majestic Theater bill. He is in charge of Cowboy Elliott.

Princess Victoria, the miniature Mme. Melba, will be one of the big drawing cards. She is the smallest perfectly formed woman in the world and has a voice of remarkable sweetness. The Midget has been in San Antonio all winter and she has made a lot of friends.

The Nomia Musical Company. Johnson's Nomia show is a musical comedy production carrying 20 people. It is far superior to the average road show, being elaborately costumed and calling for a change of bill every day.

"Mexico," a reproduction of the scenes and life in the southern republic is expected to prove immensely popular in the Northern States, where people are anxious to know about the men and women in the country where revolutions have been in progress for the last four years. One of the features of the offering will be a sham battle. The show was planned and made ready in San Antonio and will carry eighty people and about thirty donkeys and horses.

A motordrome is now in course of construction for use with Mr. Kline's shows. The interior track has a steeper angle than any rider has yet attempted to negotiate on a motor cycle.

Hardy's high-wire act, one of the big free attractions for the Fiesta is under Mr. Kline's control. Hardy is said to be one of the cleverest high-wire performers in the world. He performed the perilous feat of crossing Niagara Falls on a wire.

GREAT ARE ATTRACTIONS

An Immense Display of Horses, Cattle, Sheep, Swine, Poultry and Pet Stock.

The management of the Blue Grass Fair are pleased to announce that plans are all under way to make this fair one of the most attractive of any that will be held in the Middle West during 1914.

An Aristocracy of Stock Will be gathered at Lexington during the week of August 3rd to 8th. Prize winning cattle will vie with blooded horse.

The Liberal Premiums Offered in all departments will engender a spirited strife, contention and rivalry among ardent contestants making a display greatly in excess of that witnessed at any former fair.

CURED OF INDIGESTION.

Mrs. Sadie P. Clawson, Indiana, Pa., was bothered with indigestion. "My stomach pained me night and day," she writes. "I would feel bloated and have headache and belching after eating. I also suffered from constipation. My daughter had used Chamberlain's Tablets and they did her so much good that she gave me a few doses of them and insisted upon my trying them. They helped me as nothing else has done." For sale by all dealers. (adv-july)
