### ARE YOUR KIDNEYS WELL?

Many Paris People Know the Importance of Healthy Kidneys.

The kidneys filter the blood. They work day and night. Well kidneys remove impurities. Weak kidneys allow impurities to multiply.

No kidney ill should be neglected. There is possible danger in delay. If you have backache or urinary troubles.

If you are nervous, dizzy or worn out, Begin treating your kidneys at once;

Use a proven kidney remedy. None endorsed like Doan's Kidney Pills.

Recommended by thousands. Proved by Winchester testimony. A. G. McCauley, 134 S. Maple St., Winchester, Ky., says: "I had pains through my kidneys and the kidney secretions were scanty and painful in passage. On the recommendation of a friend, I got a box of Doan's Kidney Pills and the results of their use convinces me of their merit. I now gladly confirm what I said about them before."

The above is not an isolated case. Mr. McCauley is only one of many in that vicinity who have gratefully endorsed Doan's. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills the same that Mr. McCauley had. 50c all stores. ### A SUMMER OF SHOWERS

There has been no general precipitation since early in May or April. The showers that have fallen this summer in Kentucky have been heavy rains, in some places, in point of the amount of water per square inch. But they have not been general rains, and while one section of a county, or one county, has enjoyed a relief from the drouth, the adjoining section has remained dry.

What has been needed and is still needed, is a general rain of several days duration. The deepest springs are showing the effects of a long continued absence of adequate water supply. Farms which have an abundance of good stock water—and green pools in the rock long unfed by surface water or springs are not good stock water—are very much the exception to the rule.

Next winter will be a hard one upon owners of stock. Feed will be high and many farms that are abundantly productive in ordinary seasons will be short of grain feed, hay and "roughage." In many places oats was so short it had to be cut with a mower because it could not be bound by a binder, and where there was more or less grain there was very little straw. Corn has been cut short in many counties, and the farmer who has plenty of wheat with which to feed his hogs is in luck this year.

There is little compensation for farmers in the fact that live stock prices are high enough to make it profitable to sell "stocker" cattle and stock hogs in market. This year emphasizes the value of dairying, poultry raising and fruit growing as offsets of crop shortage in short years. Of course dairy cattle and poultry must be fed, but they return a constant profit.

### DIARRHOEA QUICKLY CURED

"My attention was first called to Chamberlain's Colic, Cholera and Diarrhoea Remedy as much as twelve years ago. At that time I was seriously ill with summer complaint. One dose of this remedy checked the trouble," writes Mrs. C. W. Florence, Rockfield, Ind. For sale by all dealers.

It is mighty funny how the demand for divorces keeps up. There was a time when a man could get fooled because he couldn't see what he was getting. But nowadays he ought to be able to believe his own eyes.

### CHAMP CLARK ON ILLITERACY.

Speaker Champ Clark, who was once a school teacher in Anderson County, Kentucky, writes the Kentucky Illiteracy Commission of his experiences in teaching adult illiterates in his day school in Anderson county. He taught middle-aged men who had returned from the army and other adults. Speaker Clark is one Kentucky's distinguished native sons and is watching the illiteracy campaign with great interest. He sends to Kentucky teachers enlisted in this campaign a message of hearty sympathy and good cheer.

\$100—REWARD—\$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

### NEW POPE ELECTED.

ROME, Sept. 4.—The Sacred College of Cardinals, on September 3, elected Cardinal Giacomo Della Chiesa, Archbishop of Bologna, Supreme Pontiff, to succeed the late Pope Pius X. His coronation as Benedict XV. will take place September 6th.

On the election of Cardinal Della Chiesa, Monsignor Poggiani, Secretary of the Conclave, with the master of ceremonies, the Cardinals and other high church dignitaries bowed before the chair where Cardinal Della Chiesa was seated.

He asked if the Cardinal would accept the pontificate, and upon an affirmative reply all the canopies above the Cardinals' thrones were lowered, excepting that of Cardinal Della Chiesa. In answer to the question of the dean of the Cardinals, the new Pope said he desired to take the name of Benedict XV.

Monsignor Poggiani, assisted by the other officials, recorded the act of election and the acceptance, and the members of the conclave then entered the Sistine Chapel with the Pope. The pontiff was clothed in a flowing white robe, red slippers and high stock with a broad red cravat, Cardinal Della Volpe placed on his shoulders a red stole, embroidered with gold. The Pope then mounted the throne to receive the homage of the Cardinals.

The Cardinals first kissed the feet and then the hands of the Pontiff, who administered the accolade and pronounced the benediction. Cardinal Della Volpe placed upon the Pontiff's finger the fisherman's ring, which the Pope returned to Monsignor Damico, to have engraved with his name.

### LUKE McLUKE SAYS.

(Cincinnati Enquirer.)

There never was a woman who was so ugly that she didn't imagine that nearly all the men had designs on her.

No man ever lost any votes by going around and telling other people what a fine fellow you are.

The man who can Drink Or Let It Alone is usually the lad the bartender has to lead to the door at midnight.

When a girl wants to marry a man because he is a graceful Tangoer, she never stops to think that he won't be able to sidestep the grocery bills.

You always respect the intelligence of the man who hates the same man you hate.

Some men loop the loop in aeroplanes and the other men take corned girls out for a canoe ride.

There never was a man whose conscience was so clear that he didn't do some worrying when his wife tells him that he talked in his sleep all night.

An Important Engagement can wait while the other fellows are treating. But we have to attend to it immediately when it comes around to our turn to purchase.

The Wooden Wedding comes along about the time a woman realizes that she married a blockhead.

### ACUTE INDIGESTION.

"I was annoyed for over a year by attacks of acute indigestion, followed by constipation," writes Mrs. M. J. Gallagher, Geneva, N. Y. "I tried everything that was recommended to me for this complaint but nothing did me much good until about four months ago I saw Chamberlain's Tablets advertised and procured a bottle of them from our druggist. I soon realized that I had gotten the right thing for they helped me at once. Since taking two bottles of them I can eat heartily without any bad effects." Sold by all dealers.
