WINCHESTER BOY BRAVES WEATHER IN BARE FEET.

Richard Davis, 8-year-old son of Mr. and Mrs. T. W. Davis, attracts much attention in Winchester because of the fact that in even the bitterest cold weather he goes barefooted to school. In fact, he never wears shoes at all, and when his mother purchased a pair for him this week he discarded them as soon as he was out of sight of his home, and threw them in a sewer.

The family moved to Winchester from Wilmington, N. C., last July. No reason is given for the child's dislike of footwear. He attracted quite a crowd during the recent snows by selecting the deepest snow for a foot-path. The other children, it is said, will not sleep with him, because he will have only the lightest covering. The boy says that he has never felt the sensation of cold.

YOU CAN'T FIND ANY DANDRUFF, AND HAIR STOPS COMING OUT

Save Your Hair! Make It Thick, Wavy, Glossy and Beautiful At Once.

Try as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most, will be after a few week's use, when you see new hair, fine and downy at first—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment. A 25-cent bottle will double the beauty of your hair. (adv)

HOW TO CHECK THAT COLD.

When it is painful to breathe and fever sends chills up and down your back, you are in for a cold. A timely dose of Dr. Bell's Pine Tar Honey will stop the sneezes and sniffles. The pine balsam loosens the phlegm and clears the bronchial tubes, the honey soothes and relieves the sore throat. The antiseptic qualities kill the germ and the congested condition is relieved. Croup, whooping cough and chronic bronchial affections quickly relieved. At all Druggists, 25c. (adv-jan)
